PROFIT WARNING

This announcement is made by Pak Tak International Limited (the “**Company**”, together with its subsidiaries collectively, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and the potential investors that, based on a preliminary assessment of the latest financial information of the Group and other information currently available, it is expected that the Group will record a loss attributable to equity shareholders of the Company in the range of HK\$5 million to HK\$10 million for the year ended 31 December 2021 as compared to the profit recorded by the Group for the year ended 31 December 2020.

Based on the analysis of the information currently available to management, such expected loss were mainly due to (i) the reduction in revenue contribution from the Group’s supply chain business for the year ended 31 December 2021; (ii) the recognition of the expected credit losses on trade receivables caused by the slowdown of the trade receivables collection from the customers in the supply chain business; and (iii) the increase in finance cost.
