POSITIVE PROFIT ALERT

This announcement is made by NVC International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to update the shareholders of the Company (the “**Shareholders**”) and potential investors that based on its latest preliminary assessment of the Group’s currently available unaudited management accounts, it believes that the Group will record a net profit of no less than RMB20 million for the year ended 31 December 2021 as compared to net loss of approximately RMB20 million for the year ended 31 December 2020.

The Board considers that the anticipated change in the net profit for the year ended 31 December 2021 was mainly because that the Group recorded a substantial loss on share of results of associates for the year ended 31 December 2020, while the loss on share of results of associates for the year ended 31 December 2021 decreased.

The Company is still in the process of finalising the annual results of the Group for the year ended 31 December 2021. The information contained in this announcement is based solely on the Board's preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 December 2021, but not based on any financial data or information that has been audited or reviewed by the Company's auditor. Details of the Group's financial performance will be disclosed in the annual results announcement of the Company for the year ended 31 December 2021, which is expected to be published in due course. Shareholders and potential investors should read carefully such results announcement when it is issued.
