(7) RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. Tan Chuan Hua
Chairman

This Appendix I serves as an explanatory statement, as required by the Listing Rules, to provide all the information in relation to the Repurchase Mandate for your consideration.

1. LISTING RULES RELATING TO THE REPURCHASES OF SECURITIES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their fully-paid shares on the Stock Exchange subject to certain restrictions, the important of which are summarized below:

(a) Shareholders' approval

All proposed repurchase of securities, which must be fully paid up in the case of shares on the Stock Exchange by a company with its primary listing on the Stock Exchange, must be approved in advance by its shareholders by an ordinary resolution, either by way of a general mandate or by a specific approval in relation to a specific transaction.

(b) Share capital

Under the Repurchase Mandate, the number of Shares that the Company may repurchase shall not exceed 10% of the total number of issued shares of the Company as at the date of the passing of the relevant resolution granting the Repurchase Mandate.

As at the Latest Practicable Date, the Company has 248,714,000 Shares in issue. Subject to the passing of the proposed resolution for the granting of the Repurchase Mandate and on the basis that no Shares are issued or repurchased by the Company prior to the AGM, the exercise of the Repurchase Mandate in full would result in up to 24,871,400 Shares being repurchased by the Company.

(c) Reasons for repurchase

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares in the market. Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share.

(d) Funding of repurchase

Repurchases must be funded out of the funds legally available for the purpose in accordance with the Articles, the Listing Rules, the laws of the Cayman Islands and/or any other applicable laws, as the case may be. A listed company is prohibited from repurchasing its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. Any purchase by the Company may be made out of the profits of the Company or out of a fresh issue of Shares made for the purpose of the purchase or, if authorized by the Articles and subject to the Companies Law, out of capital and, in the case of any premium payable on redemption or purchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorized by the Articles and subject to the Companies Law, out of its capital.

(e) Impact of repurchase

As compared with the financial position of the Company as at 31 December 2021 (being the date of its latest audited accounts), the Directors consider that there would not be a material adverse impact on the working capital or gearing position of the Company if the Repurchase Mandate is to be exercised in full during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital or the gearing level (as compared with the position disclosed in its most recent published audited accounts) which in the opinion of the Directors are from time to time appropriate for the Company.

(f) Undertaking

None of the Directors nor, to the best knowledge of the Directors having made all reasonable enquiries, any of their associates has any present intention to sell Shares to the Company if the Repurchase Mandate is approved by the Shareholders.

As at the Latest Practicable Date, no core connected person (as defined in the Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that they will exercise the Repurchase Mandate in accordance with the Articles, the Listing Rules, the laws of the Cayman Islands and/or any other applicable laws, as the case may be.

(g) Takeovers Code

If as a result of a repurchase of Shares a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purpose of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Lead Charm Investments Limited ("Lead Charm"), being the controlling Shareholder, held 167,700,000 Shares representing approximately 67.43% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the resolution, the shareholding of Lead Charm, together with its associates, in the Company would be increased to approximately 74.92% of the issued share capital of the Company and such an increase would not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code. The Directors are not aware of any consequences which will arise under the Takeovers Code as a result of any repurchases to be made under the Repurchase Mandate.

The Listing Rules prohibit a company from making repurchase of its shares on the Stock Exchange if the result of the repurchase would lead to less than 25% (or such prescribed minimum percentage as determined by the Stock Exchange) of the Company's issued share capital being in public hands. The Company will not repurchase Shares if that repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the Company's issued share capital.

2. SHARE PURCHASE MADE BY THE COMPANY

For the year ended 31 December 2021 and up to the Latest Practicable Date, the Company has not made any repurchases of its own securities.

3. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months and up to the Latest Practicable Date, were as follows:

Month	Share Price Per Share	
	Highest (HK\$)	Lowest (HK\$)
2021		
April	4.09	3.90
May	4.02	3.83

September	3.74	3.48
October	3.79	3.48
November	3.75	3.56

2022		
January	3.65	3.48
February	3.63	3.47
