The board of directors announced that 1. Due to the epidemic situation in the Pearl River Delta in China this year, auditors were unable to reach the site of some subsidiaries, and information and data could not be obtained in time; 2. Because the auditors of the company still need extra time to complete their audit procedures, including but not limited to 1) The information of audit confirmation from debtors and financial institutions; 2) Various accounting balances and valuation reports of financial investments and loans; and 3) Accounting audit certificates for the company's new business in 2021, the Company was unable to publish the 2021 annual results on or before 30 April 2022

The auditors of the Group (the “Auditors”) needed more time to conduct and complete the audit work, therefore the Company was unable to publish the 2021

The 2021 Annual Report is expected to be dispatched to shareholders on or before 31 July 2022. The Board acknowledges that the delay in despatch of the 2021 Annual Report constitutes a non-compliance with Rule 13.46(1)(a) of the Listing Rules.
