The board (the “**Board**”) of directors (the “**Directors**”) of the Company would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors of the Company that, based on a preliminary review on the unaudited consolidated management accounts of the Group for the three months ended 31 March 2022 and assessment of the latest information currently available to the Board, the Group expects that there will be a turnaround in its results from a loss attributable to the owners of the Company of approximately HK\$21,076,000 for the three months ended 31 March 2021 to a profit of not more than HK\$240,000 for the three months ended 31 March 2022. This announcement is made solely on the basis of the preliminary assessment made by the Board with reference to the unaudited consolidated management accounts of the Group for the three months ended 31 March 2022 and the latest information currently available to the Group. Such management accounts have not been audited or reviewed by the Company's auditor nor reviewed by the audit committee of the Company and are subject to finalization and adjustments.
