2022 FIRST QUARTERLY REPORT

CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the directors (the “Directors”) of Hao Wen Holdings Limited (the “Company”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this report misleading.

Accordingly, the capital reduction became effective on 29 January 2021. Details of the capital reduction were set out in the Company's circular dated 11 September 2020 and the Company's announcements dated 3 September 2020, 5 October 2020, 25 January 2021 and 28 January 2021.

10. DIVIDEND

The board of directors do not recommend the payment of any dividend for the Period (2021: Nil).

MANAGEMENT DISCUSSION AND ANALYSIS

FINANCIAL REVIEW

For the Period, the Group recorded an unaudited consolidated revenue of approximately RMB14,998,000 (2021: RMB18,030,000), which represented a drop of approximately 16.8% as compared with that of 2021.

The decrease of turnover was primary attributable to no revenue has been generated from the downsized burial business since the third quarter of 2021. Due to the demand rebound in the PRC, the income from processing and trading of electronic parts business increased by approximately RMB1,405,000 or 27.4% to approximately RMB6,527,000 (2021: RMB5,122,000). The revenue generated from the provision of beauty treatment services business which commenced in 2021 was approximately RMB1,603,000. The demand in the loan market remained stable, the Group recorded a slightly decrease of approximately RMB110,000 or 1.6% in revenue from money lending business as compared with the corresponding period in 2021. The Group has derived interest income from our loan portfolio of approximately RMB6,868,000 for the Period (2021: RMB6,978,000).

The gain/loss on financial assets at fair value through profit or loss were turnaround from a net gain of approximately RMB5,753,000 to net loss of approximately RMB6,686,000 which mainly comprised a net unrealised loss of approximately RMB6,686,000 (2021: net unrealised gain of approximately RMB5,633,000) from the listed securities portfolio held by the Group.

The general and administrative expenses for the Period decreased by approximately RMB2,959,000 or 40.8% from approximately RMB7,245,000 to approximately RMB4,286,000. The decrease was mainly attributed to less corporate exercises incurred during the Period.

The finance costs for the Period has decreased by approximately RMB38,000 or 2.9% from approximately RMB1,322,000 to RMB1,284,000 which mainly represented the interest expenses on the unsecured bonds.

Loss attributable to owners of the Company for the Period amounted to approximately RMB3,091,000 (2021: profit attributable to owners of the Company for the Period amounted to approximately RMB6,930,000), which represented approximately RMB10,021 or 144.6% decrease as compared with the corresponding period. The drop was mainly due to the decrease in turnover and the net unrealised loss on financial assets at fair value through profit or loss.

BUSINESS REVIEW AND FUTURE PROSPECT

During the Period, the Group continued to focus on the money lending business and processing and trading of electronic parts business and the provision on beauty treatment services business which commence in 2021.

The Group engaged in money lending business by providing both secured and unsecured loans to individuals and corporate customers. We provide personal loans, mortgage loans and corporate loans. Interest income earned from the money lending business was approximately RMB6,868,000 during the Period, which represented approximately 45.8% of the total revenue. The business segment for processing and trading of electronic parts of the Group engaged in sourcing, processing, and sales of computer-related and smartphone-related electronic parts and components, such as CPU, LED screen panel, hard-disk, and smartphone chipsets and lens. Revenue earned from the processing and trading of electronic parts business was approximately RMB6,527,000 during the Period, which represented 43.5% of the total revenue. In 2021, the Group started a new business segment on the provision of beauty treatment services business included the non-surgical medical aesthetic services and traditional beauty services which has contributed revenue of approximately RMB1,603,000 to the Group, which represented 10.7% of the total revenue. Meanwhile, the Group reduced the scale of the burial business which included the sale of burial plots and cemetery maintenance services since the third quarter of 2021. In the view of the poor performance of the burial business, the Group minimise the capital expenditure and cut the unnecessary costs during the Period.

Looking forward, the Group considers that it is vital and necessary for the Group to dedicate more efforts on the provision of beauty treatment services business and processing and trading of electronic parts business with the view to further expand the business and takes various cost-savings and operational improvement measures for the business.
