To Shareholders,

Dear Sir or Madam,

GENERAL MANDATES TO REPURCHASE SHARES
AND TO ISSUE NEW SHARES OF THE COMPANY,
RE-ELECTION OF RETIRING DIRECTORS,
ADOPTION OF THE SHARE OPTION SCHEME,
AMENDMENTS TO THE BYE-LAWS AND
ADOPTION OF NEW BYE-LAWS, AND
NOTICE OF ANNUAL GENERAL MEETING**

1. GENERAL MANDATE TO REPURCHASE SHARES

At the annual general meeting of the Company held on 17th June 2021 (the “**2021 AGM**”), a general mandate was given to the Directors to exercise the powers of the Company to repurchase Shares. Such mandate will lapse at the conclusion of the Annual General Meeting. It is therefore proposed to seek your approval of an ordinary resolution to be proposed at the Annual General

LETTER FROM THE BOARD

Meeting to give a fresh general mandate to the Directors to exercise the powers of the Company to repurchase Shares. An explanatory statement as required under the Share Repurchase Rules to provide the requisite information of the Repurchase Proposal is set out in the Appendix I hereto.

2. GENERAL MANDATE TO ISSUE NEW SHARES

It will also be proposed at the Annual General Meeting two ordinary resolutions for granting to the Directors a general mandate to allot, issue and deal with Shares not exceeding 20% of the total number of issued Shares as at the date of passing the resolution, representing 86,334,444 Shares at the Latest Practicable Date, and adding to such general mandate so granted to the Directors any Shares representing the total number of Shares repurchased by the Company after the granting of the general mandate to repurchase Shares up to 10% of the total number of issued Shares as at the date of the Repurchase Resolution.

3. RE-ELECTION OF RETIRING DIRECTORS

The Board currently consists of eight Directors, namely Mr. Wu Ming Gai (Chairman of the Board), Ms. Chan Carman Wing Yan (Chief Executive Officer), Mr. Chau Wai Hing, Mr. William Keith Jacobsen, Mr. Wong Chung Yan Sammy, Ms. Chan Man Yi, Ms. Leung Yin Ting and Mr. Wong Sze Lok.

According to the Bye-Law 99 of the Existing Bye-Laws, one-third of the Directors for the time being, or, if their number is not three or a multiple of three, then the number nearest one-third but not less than one-third, shall retire from office by rotation. As recommended by the nomination committee of the Company and determined by the Board, Ms. Chan Carman Wing Yan, Mr. Wong Chung Yan Sammy and Mr. William Keith Jacobsen, being Directors the longest in office and determined by lot, shall retire by rotation at the Annual General Meeting and, being eligible, offer themselves for re-election. All of the above retiring Directors, being eligible, offer themselves for re-election.

In reviewing the structure of the Board, the nomination committee of the Company will consider the structure, size and diversity (including gender, age, cultural and educational background, length of service, skills, knowledge and experience etc.) of the Board at least annually and make recommendations on any proposed changes to the Board to complement the Company's corporate strategy. All appointments to the Board are based on meritocracy and the candidates will be assessed based on criteria such as education background and relevant skills and experience for consideration of the operation of the Board as a whole, with a view to maintaining a sound balance of the Board's composition.

LETTER FROM THE BOARD

Accordingly, with the recommendation of the nomination committee of the Company, the Board has proposed that the above retiring Directors, namely Ms. Chan Carman Wing Yan, Mr. Wong Chung Yan Sammy and Mr. William Keith Jacobsen, stand for re-election as Directors by way of separate resolutions at the Annual General Meeting.

Details of the above retiring Directors proposed for re-election at the Annual General Meeting are set out in the Appendix II of this circular.

4. ADOPTION OF SHARE OPTION SCHEME

The Expired Share Option Scheme was adopted by the Company at annual general meeting on 28th June 2005 and expired on 27th June 2015, and no further options could be granted or offered under the Expired Share Option Scheme. Apart from the Expired Share Option Scheme, the Company confirms that there is no other subsisting share option scheme currently in force and there is no outstanding share option as at the Latest Practicable Date.

Since the expiry of the Expired Share Option Scheme on 27th June 2015, no new share option scheme has been adopted by the Company. In order to provide the Company with the flexibility of granting share options to the Participants as incentives or rewards for their contribution or potential contribution to the Group, the Board proposes to adopt the Share Option Scheme at the Annual General Meeting. The Share Option Scheme will become effective after all the conditions precedent as referred to under the paragraph headed “Conditions precedent to the Share Option Scheme” below have been fulfilled.

The purpose of the Share Option Scheme is to provide the Participants with the opportunity to acquire proprietary interests in the Company, to provide incentives to the Participants, and to recognise their contributions made and to be made to the growth and development of the Group. Under the Share Option Scheme, the Board may offer to grant Option(s) to any Participant(s) as it may in its sole discretion determine from time to time and specify the terms and conditions in the letter containing the Offer to the relevant Participant in respect of any Option that may be granted, including without limitation, the minimum holding period, the performance targets and the relevant subscription price. The Directors consider that such authority will provide the Board with the flexibility to grant Options on a case-by-case basis, and that the Share Option Scheme will provide the Participants with an opportunity to have a personal stake in the Company with the view of: (i) motivating the Participants to optimise their performance efficiency for the benefit of the Group; and/or (ii) attracting, retaining or otherwise maintaining an on-going business relationship with the Participants whose contributions are or will be beneficial to the long-term growth of the Group.

LETTER FROM THE BOARD

Whilst the scope of the Participants include consultants, advisors, agents, customers, service providers, contractors, business partners of any member of the Group, who in the sole discretion of the Board, have contributed to the Group or any member of it (“**Non-employee Participant(s)**”), the basis of eligibility of each Participant is determined by the Board, taking into account such factors as the Board may at its discretion consider appropriate. In particular, in determining the eligibility of Non-employee Participants, the Board will consider a wide range of factors, including but not limited to: (i) their potential and/or actual contribution to the business operation of and benefits to the Group; and/or (ii) their potential/actual degree of involvement in and/or cooperation with the Group with regard to the length of engagement/cooperation/business relationship with the Group; and/or (iii) the positive impacts they have brought on the Group’s business development; and/or (iv) whether they are regarded as valuable talents of the Group based on their working experience, professional qualification, skills and/or knowledge; and/or (v) whether they have contributed to the business development of the Group; and/or (vi) whether they will contribute to the medium-to-long-term growth of the Group.

Given the purpose of the Share Option Scheme as set out above, the Company is of the view that the wide scope of Participants will allow flexibility to provide incentives to those Participants who have contributed and/or will contribute to the Group. The grant of Options to eligible Non-employee Participants will serve as incentives for: (i) the consultants, advisors, agents, service providers and contractors to provide valuable services to the Group; (ii) the customers to increase loyalty to the Group; and (iii) the business partners to introduce more business opportunities to the Group, thereby optimising their performance and benefiting the long-term growth of the Group. The Company will not grant Options to persons who would not or may not contribute to the Group in any aspect.

The purpose of including the independent non-executive Directors as Participants is to provide additional flexibility to the Company in addition to cash-based incentives, which will allow the Company to keep its remuneration packages competitive in order to attract and retain talents.

The Company is of the view that any potential grant of the Options to the independent non-executive Directors will not lead to bias in their decision-making or impair their independence and objectivity due to the following reasons:

- (a) the independent non-executive Directors will continue to comply with the independence requirement under Rule 3.13 of the Listing Rules;
- (b) the maximum percentage and value of the Options that may be granted to an independent non-executive Directors set forth in paragraph 6 “Grant of Options to a Director, chief executive of the Company or substantial Shareholder or any of their

LETTER FROM THE BOARD

respective associates” of the Share Option Scheme are more stringent than the requirements under Rules 3.13(1) and (2) of the Listing Rules and such grant shall be subject to the prior approval of the non-interested Shareholders; and

- (c) the Board will be mindful of the recommended best practice E.1.9 of Appendix 14 to the Listing Rules which recommends that issuers should generally not grant equity-based remuneration (e.g. share options or grants) with performance-related elements to independent non-executive directors when considering any future grants to the independent non-executive Directors. Therefore, the grant of Options to the independent non-executive Directors will not include any performance-related elements.

As at the Latest Practicable Date, the Board does not have any plan or intention to grant any Options to any of the independent non-executive Directors.

Scheme Limit

As at the Latest Practicable Date, the issued share capital of the Company comprised 431,672,220 Shares. Assuming that the issued share capital of the Company will remain unchanged from the Latest Practicable Date up to the Adoption Date, the maximum number of Shares which may be issued upon exercise of all options to be granted under the Share Option Scheme and any other share option scheme(s) of the Company, if any, in aggregate will be 43,167,222 Shares, representing 10% of the issued share capital of the Company as at the Adoption Date. As at the Latest Practicable Date, the Board does not have any intention to grant any Options in the coming 12 months under the Share Option Scheme.

Conditions precedent to the Share Option Scheme

The Share Option Scheme will take effect upon satisfaction of the following conditions:

- (a) the passing of a resolution by the Shareholders at the Annual General Meeting approving the adoption of the Share Option Scheme; and
- (b) the Listing Committee of the Stock Exchange granting approval of the listing of, and permission to deal in, the Shares to be issued pursuant to the exercise of the Options granted under the Share Option Scheme.

An application will be made to the Listing Committee of the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares to be issued pursuant to the exercise of the Options to be granted under the Share Option Scheme.

LETTER FROM THE BOARD

Value of the Options

The Directors consider that it is not appropriate to state the value of all the Options that can be granted under the Share Option Scheme as if they had been granted on the Latest Practicable Date, given that the variables which are crucial for the calculation of the value of such Options cannot be determined at this stage. The variables which are crucial for the determination of the value of such Options include the subscription price for the Shares to be issued upon the exercise of the Options, the timing of the grant of such Options and whether or not such Options, if granted, will be exercised by the Grantees. Thus, the Directors are of the view that the value of the Options that can be granted pursuant to the Share Option Scheme depends on a number of variables which are either difficult to ascertain or can only be ascertained subject to a number of theoretical bases and speculative assumptions. Accordingly, the Directors believe that any calculation of the value of the Options will not be meaningful and may be misleading to the Shareholders in the circumstances.

Principal Terms of the Share Option Scheme

A summary of the principal terms of the Share Option Scheme is set out in the Appendix III to this circular. The terms of the Share Option Scheme are in line with the provisions of Chapter 17 of the Listing Rules, which governs the terms of the share option schemes of listed companies. A copy of the rules of the Share Option Scheme will be published on the websites of the Stock Exchange and the Company for a period of not less than 14 days before the date of the Annual General Meeting and will also be available for inspection at the Annual General Meeting.

None of the Directors is a trustee of the Share Option Scheme or has a direct or indirect interest in the trustee of the Share Option Scheme, if any. With respect to the operation of the Share Option Scheme, the Company will, where applicable, comply with the relevant requirements under Chapter 17 of the Listing Rules.

To the best of the knowledge, information and belief of the Directors, having made all reasonable enquiries, no Shareholder is required under the Listing Rules to abstain from voting on the resolution to approve the adoption of the Share Option Scheme at the Annual General Meeting.

The Company has sought legal advices in respect of the Share Option Scheme and understands that the adoption of the Share Option Scheme would not constitute offer to public and prospectus requirements under Companies (Winding Up and Miscellaneous Provisions) Ordinance are not applicable.

LETTER FROM THE BOARD

The Company will comply with the relevant Listing Rules from time to time in force in respect of the Share Option Scheme and any other share option scheme(s) of the Company or any of its subsidiaries.

5. AMENDMENTS TO THE BYE-LAWS

Reference is made to the announcement of the Company dated 6th May 2022. The Board proposes to amend the Existing Bye-laws to reflect and align with changes to the requirements under the amended Appendix 3 to the Listing Rules with respect to core shareholder protection standards. The Board further proposes that the New Bye-laws containing all such changes approved by the Shareholders be adopted in substitution for, and to the exclusion of the Existing Bye-laws. The proposed amendments to the Bye-laws and the adoption of the New Bye-laws are subject to the approval of the Shareholders by way of special resolution at the Annual General Meeting, details of which are set out in the special resolution in item 8 of the notice of the Annual General Meeting. Prior to the passing of the special resolution at the Annual General Meeting, the Existing Bye-laws shall remain valid.

The full text of the proposed New Bye-laws (marked-up against the Existing Bye-laws posted on the website of the Stock Exchange) is set out in Appendix IV to this circular. Save for the proposed amendments to the Existing Bye-laws as set out in this circular, all other provisions of the Existing Bye-laws remain unchanged.

The legal advisers to the Company have confirmed that the proposed amendments to the Existing Bye-laws comply with the requirements of the Listing Rules and the applicable laws of Bermuda. The Company confirms that there is nothing unusual about the proposed amendments to the Existing Bye-laws.

Shareholders are advised that the proposed New Bye-laws are in English only and that the Chinese translation of the “New Bye-Laws” contained in Appendix IV to the Chinese version of this circular is for reference only. In case of inconsistency, the English version shall prevail.

6. ANNUAL GENERAL MEETING

The notice of Annual General Meeting, which contains, inter alia, (1) ordinary resolutions to approve, among other things, the Repurchase Resolution, general mandate for Directors to issue new Shares, extension of general mandate to issue new shares, re-election of retiring Directors, and the adoption of the Share Option Scheme, and (2) a special resolution to approve the proposal amendments to the Existing Bye-laws and to adopt the New Bye-laws, is set out on pages 95 to 101 of this circular. Whether or not you propose to attend the Annual General Meeting, you are requested to complete the accompanying proxy form in accordance with the instructions printed

LETTER FROM THE BOARD

thereon and return the same to Computershare Hong Kong Investor Services Limited, the branch share registrar of the Company in Hong Kong at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong as soon as possible and in any event not later than 48 hours before the time appointed for holding of the Annual General Meeting or any adjournment thereof.

7. VOTING BY WAY OF POLL

Pursuant to Rule 13.39(4) of the Listing Rules, all votes of the shareholders at the annual general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. According to the Existing Bye-laws, all resolutions put to votes of the Annual General Meeting shall be decided by poll. The Company will announce the results of the poll in the manner prescribed under Rule 13.39(5) of the Listing Rules.

8. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

9. RECOMMENDATION

The Directors believe that the proposals referred to in this circular are in the best interest of the Company and the Shareholders. Accordingly, the Directors recommend that all Shareholders should vote in favour of all the resolutions to be proposed at the Annual General Meeting as set out in the notice of Annual General Meeting.

Yours faithfully,
By order of the Board
Cocoon Holdings Limited
Wu Ming Gai
Chairman

This is the explanatory statement as required to be sent to the Shareholders under the Share Repurchase Rules to provide requisite information to you for your consideration of the Repurchase Proposal.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 431,672,220 Shares.

Subject to the passing of the Repurchase Resolution and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the Company would be allowed under the Repurchase Proposal to repurchase a maximum of 43,167,222 Shares.

REASON FOR REPURCHASE

The Directors believe that the Repurchase Proposal is in the best interests of the Company and its Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and its shareholders.

FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum of continuance and Existing Bye-laws and the applicable laws of Bermuda and the Listing Rules. The repurchase of Shares under the Repurchase Proposal will be financed from the Company's internal resources.

There might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited financial statements contained in the annual report for the year ended 31st December, 2021, in the event that the power to repurchase Shares pursuant to the Repurchase Proposal were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the power to repurchase Shares pursuant to the Repurchase Proposal to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

SHARE PRICE

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date were as follows:

UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Resolution and in accordance with the Listing Rules, the memorandum of continuance of the Company, the Existing Bye-laws and the applicable laws of Bermuda.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their close associates (as defined in the Listing Rules), have any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Proposal if such is approved by the Shareholders.

No core connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, or have undertaken not to do so, in the event that the Repurchase Proposal is approved by the Shareholders.

TAKEOVERS CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Proposal, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Ms. Yu Po Kwan, held directly 46,048,000 Shares, representing approximately 10.66% of the total issued share capital of the Company. In the event the Directors exercise in full the power to repurchase Shares pursuant to the Repurchase Resolution, then (if the present shareholdings remain the same), the shareholdings of Ms. Yu Po Kwan will be increased to approximately 11.85% of the issued share capital of the Company and no obligation to make a mandatory offer to Shareholders under the Takeovers Code would arise.

Any such alterations to the terms of the Share Option Scheme and the Options will have to comply with the Listing Rules then applicable.

No instrument appointing a proxy shall be valid after the expiration of twelve months from the date of its execution, except at an adjourned meeting where the meeting was originally held within twelve months

from such date. Delivery of an instrument appointing a proxy shall not preclude a shareholder from attending and voting in person at the meeting concerned and, in such event, the instrument appointing a proxy shall be deemed to be revoked.

84. Every instrument of proxy, whether for a specified meeting or otherwise, shall be in such form as the Board may from time to time approve.

85. The instrument appointing a proxy to vote at a general meeting shall: (i) be deemed to confer authority upon the proxy to demand or join in demanding a poll and to vote on any resolution (or amendment thereto) put to the meeting for which it is given as the proxy thinks fit. Provided that any form issued to a shareholder for use by him for appointing a proxy to attend and vote at a special general meeting or at an annual general meeting at which any business is to be transacted shall be such as to enable the shareholder, according to his intentions, to instruct the proxy to vote in favour of or against (or, in default of instructions, to exercise his discretion in respect of) each resolution dealing with any such business; and (ii) unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates.

Authority under instrument appointing proxy

86. A vote given in accordance with the terms of an instrument of proxy or power of attorney shall be valid notwithstanding the previous death or insanity of the principal or revocation of the proxy or power of attorney or other authority under which the proxy was executed or the transfer of the share in respect of which the proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer as aforesaid shall have been received by the Company at its Registration Office, or at such other place as is referred to in Bye-Law 83, at least two hours before the commencement of the meeting or adjourned meeting at which the proxy is used.

References in these Bye-Laws to a shareholder present in person at a meeting shall, unless the context otherwise requires, include a corporation which is a shareholder represented at the meeting by such duly authorised corporate representative or by one or more proxies. Nothing contained in this Bye-law shall prevent a corporation which is a shareholder of the Company from appointing one or more proxies to represent it pursuant to Bye-law 81.

Appendix 3, para 11(1)

(B) If a Clearing House (or its nominee) is a shareholder of the Company, it may appoint such person or persons as it thinks fit to act as its proxy or proxies or as its corporate representative or representatives, to the extent permitted by the Companies Act, at any meeting of the Company or at any meeting of any class of shareholders of the Company provided that, if more than one proxy or, corporate representative is so appointed, the appointment shall specify the number and class of shares in respect of which each such proxy or corporate representative is so appointed. 140. (A) The Company in general meeting may, upon the recommendation of the Board, resolve to capitalise any part of the Company's reserves (including any contributed surplus account and also including any share premium account or other undistributable reserve, but subject to the provisions of the law with regard to unrealised profits) or undivided profits not required for the payment or provision of the dividend on any shares with a preferential right to dividend, and accordingly that such part be sub-divided amongst the shareholders who would have been entitled thereto if distributed by way of dividend and in the same proportions, on condition that the same be not paid in cash but be applied either in or towards paying up any amounts for the time being unpaid on any shares held by such shareholders respectively or paying up in full unissued shares or debentures or other securities of the Company to be allotted and distributed credited as fully paid to and amongst such shareholders in the aforesaid, or partly in one way and partly in the other provided that for the purpose of this Bye-Law, any amount standing to the credit of any share premium account may only be applied in the paying up of unissued shares

- (B) Whenever such a resolution as aforesaid shall have been passed the Board shall make all appropriations and applications of the reserves or undivided profits resolved to be capitalised thereby, and all allotments and issues of fully paid shares, debentures, or other securities and generally shall do all acts and things required to give effect thereto. For the purpose of giving effect to any resolution under this Bye- Law, the Board may settle any difficulty which may arise in regard to a capitalisation issue as it thinks fit, and in particular may disregard fractional entitlements or round the same up or down and may determine that cash payments shall be made to any shareholders in lieu of fractional entitlements or that fractions of such value as the Board may determine may be disregarded in order to adjust the rights of all parties or that fractional entitlements shall be aggregated and sold and the benefit shall accrue to the Company rather than to the shareholders concerned. The Board may appoint any person to sign on behalf of the persons entitled to share in a capitalisation issue a contract for allotment and such appointment shall be effective and binding upon all concerned, and the contract may provide for the acceptance by such persons of the shares, debentures or other securities to be allotted and distributed to them respectively in satisfaction of their claims in respect of the sum so capitalised.

- (B) The Board may also pay half-yearly or at other suitable intervals to be settled by it any dividend which may be payable at a fixed rate if the Board is of the opinion that the profits justify the payment.
143. (A) No dividend shall be declared or paid and no distribution of contributed surplus made otherwise than in accordance with the Statutes. No dividend shall be paid otherwise than out of profits available for distribution. Dividend not to be paid out of capital/Distribution of contributed surplus
- (B) Subject to the provisions of the Companies Act (but without prejudice to paragraph (A) of this Bye-Law), where any asset, business or property is bought by the Company as from a past date (whether such date be before or after the incorporation of the Company) the profits and losses thereof as from such date may at the discretion of the Directors in whole or in part be carried to revenue account and treated for all purposes as profits or losses of the Company, and be available for dividend accordingly. Subject as aforesaid, if any shares or securities are purchased cum dividend or interest, such dividend or interest may at the discretion of the Board be treated as revenue, and it shall not be obligatory to capitalise the same or any part thereof.
- (C) Subject to Bye-Law 143 (D) all dividends and other distributions in respect of shares in the Company shall be stated and discharged, in the case of shares denominated in Hong Kong dollars, in Hong Kong dollars, and in the case of shares denominated in United States dollars, in United States dollars, provided that, in the case of shares denominated in Hong Kong dollars, the Board may determine in the case of any distribution that shareholders may elect to receive the same in United States dollars or any other currency selected by the Board, conversion to be effected at such rate of exchange as the Board may determine.
- (D) If, in the opinion of the Board, any dividend or other distribution in respect of shares or any other payment to be made by the Company to any shareholder is of such a small amount as to make payment to that shareholder in the relevant currency impracticable or unduly expensive either for the Company or the shareholder then such dividend or other distribution or other payment may, at the discretion of the Board, be paid or made in the currency of the country of the relevant shareholder (as indicated by the address of such shareholder on the register).
144. Notice of the declaration of an interim dividend shall be given in such manner as the Board shall determine. Notice of interim dividend
145. No dividend or other moneys payable on or in respect of a share shall bear interest as against the Company. No interest on dividend

146. Where requisite, the Board may appoint any person to sign a contract on behalf of the persons entitled to the dividend and such appointment shall be effective. The Board may resolve that no such assets shall be made available or paid to shareholders with registered addresses in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable and in such event the only entitlement of the shareholders aforesaid shall be to receive cash payments as aforesaid. Shareholders affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of shareholders for any purpose whatsoever.

either

i) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up on the basis that the shares so allotted shall be of the same class or classes as the class or classes already held by the allottee, provided that the shareholders entitled thereto will be entitled to elect to receive such dividend (or part thereof) in cash in lieu of such allotment. In such case, the following provisions shall apply:

a) the basis of any such allotment shall be determined by the Board;

- b) the Board, after determining the basis of allotment, shall give not less than two weeks' notice in writing to the shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
- c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
- d) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised ("the non-elected shares") and in lieu and in satisfaction thereof shares shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, contributed surplus account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the non-elected shares on such basis.

or

- ii) that shareholders entitled to such dividend will be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Directors may think fit on the basis that the shares so allotted shall be of the same class or classes as the class or classes of shares already held by the allottee. In such case, the following provisions shall apply:
 - a) the basis of any such allotment shall be determined by the Board;
 - b) the Board, after determining the basis of allotment, shall give not less than two weeks' notice in writing to the shareholder of the right of election accorded to them and shall send with such notice forms of election and

specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

- c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
- d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on shares in respect whereof the share election has been duly exercised (“the elected shares”) and in lieu thereof shares shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company’s reserve accounts (including any special account, contributed surplus account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the elected shares on such basis.

(B) The shares allotted pursuant to the provisions of paragraph (A) of this Bye-Law shall rank pari passu in all respects with the shares then in issue save only as regards participation:

- i) in the relevant dividend (or the right to receive or to elect to receive an allotment of shares in lieu thereof as aforesaid); or
- ii) in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend;

unless, contemporaneously with the announcement by the Board of its proposal to apply the provisions of sub-paragraph (i) or (ii) of paragraph (A) of this Bye-Law in relation to the relevant dividend or contemporaneously with its announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (A) of this Bye-Law shall rank for participation in such distribution, bonus or rights.

- (C) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (A) of this Bye- Law with full power to the Board to make such provisions as they think fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the shareholders concerned). The Board may authorise any person to enter into on behalf of all shareholders interested an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (D) The Company may upon the recommendation of the Board by Special Resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (A) of this Bye-Law a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.
- (E) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (A) of this Bye-Law shall not be made available or made to any shareholders with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of shares would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination.
148. The Board may, before recommending any dividend, set aside out of the profits of the Company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for meeting claims on or liabilities of the Company or contingencies or for paying off any loan capital or for equalising dividends or for any other purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (other than shares of the Company) as the Board may from time to time think fit, and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute by way of dividend. Reserves
149. Unless and to the extent that the rights attached to any shares or the terms of issue thereof otherwise provide, all dividends shall (as regards any shares not fully paid throughout the period in respect of which the dividend is paid) be apportioned and paid pro rata according to Dividends to be paid in proportion to paid up capital

the amounts paid or credited as paid up on the shares during any portion or portions of the period in respect of which the dividend is paid. For the purposes of this Bye-Law no amount paid on a share in advance of calls shall be treated as paid on the share.

150. (A) The Board may retain any dividends or other moneys payable on or in respect of a share upon which the Company has a lien, and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists. Retention of dividends etc.
- (B) The Board may deduct from any dividend or bonus payable to any shareholder all sums of money (if any) presently payable by him to the Company on account of calls, instalments or otherwise. Deduction of debts
151. Any general meeting sanctioning a dividend may make a call on the shareholders of such amount as the meeting fixes, but so that the call on each shareholder shall not exceed the dividend payable to him, and so that the call shall be made payable at the same time as the dividend, and the dividend may, if so arranged between the Company and the shareholder, be set off against the call. Dividend and call together

Unless otherwise directed by the Board, any dividend or bonus may be paid by cheque or warrant sent through the post to the registered address of the shareholder entitled, or, in case of joint holders, to the registered address of that one whose name stands first in the register in respect of the joint holding or to such person and to such address as the holder or joint holders may in writing direct. Every cheque or warrant so sent shall be made payable to the order of the person to whom it is sent, and the payment of any such cheque or warrant shall operate as a good discharge to the Company in respect of the dividend and/or bonus represented thereby, notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Payment by post
155. All dividends or bonuses unclaimed for one year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed and the Company shall not be constituted a trustee in respect thereof. All dividends or bonuses unclaimed for six years after having been declared may be forfeited by the Board and shall revert to the Company. Unclaimed dividend

(A) Subject to the Statutes if, so long as any of the rights attaching to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions applicable under the terms and conditions of the warrants, would reduce the subscription price to below the par value of a share, then the following provisions shall apply:

Subscription
right reserve

- i) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Bye-Law) maintain in accordance with the provisions of this Bye-Law a reserve (the “Subscription Right Reserve”) the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub-paragraph (iii) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Right Reserve in paying up in full such difference in respect of such additional shares as and when the same are allotted;

respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:

- a) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
- b) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par;

and immediately upon such exercise so much of the sum standing to the credit of the Subscription Right Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holder; and

- iv) if upon the exercise of the subscription rights represented by any warrant the amount standing to the credit of the Subscription Right Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, contributed surplus account, share premium account and capital redemption reserve fund) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment up and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.

- (B) Shares allotted pursuant to the provisions of this Bye-Law shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (A) of this Bye-Law, no fraction of any share shall be allotted on exercise of the subscription rights.
- (C) The provisions of this Bye-Law as to the establishment and maintenance of the Subscription Right Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating, the provisions for the benefit of any warrant holder or class of warrant holders under this Bye-Law without the sanction of a Special Resolution of such warrant holders or class of warrant holders.
- (D) A certificate or report by the Auditors for the time being of the Company as to whether or not the Subscription Right Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Right Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Right Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.

RECORD DATES

185. Subject to the Listing Rules, any resolution declaring a dividend or other distribution on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or made to the persons registered as the holder of such shares at the close of business on a particular date or at a particular time on a particular date, and thereupon the dividend or other distribution shall be payable or made to them in accordance with their respective holdings so registered, but without prejudice to the rights *inter se* in respect of such dividend or other distribution between the transferors and transferees of any such shares. - (2) The holders of stock may transfer the same or any part thereof in the same manner, and subject to the same regulations as and subject to which the shares from which the stock arose might prior to conversion have been transferred or as near thereto as circumstances admit, but the Directors may from time to time, if they think fit, fix the minimum amount of stock transferable and restrict or forbid the transfer of fractions of that minimum, but so that such minimum shall not exceed the nominal amount of the shares from which the stock arose. No warrants to bearer shall be issued in respect of any stock.
- (3) The holders of stock shall, according to the amount of the stock held by them, have the same rights, privileges and advantages as regards dividends, participation in assets on a winding up, voting at meetings, and other matters, as if they held the shares from which the stock arose, but no such privilege or advantage (except participation in the dividends and profits of the Company) shall be conferred by an amount of stock which would not, if existing in shares, have conferred such privilege or advantage.
- (4) Such of the provisions of these Bye-Laws as are applicable to paid up shares shall apply to stock, and the words “share” and “shareholder” therein shall include “stock” and “stockholder”.
