At the annual general meeting of the Company held on 30 June 2021 at Portion 2, 12/F, The Center, 99 Queen's Road Central, Central, Hong Kong, resolutions were passed granting the Directors a general mandate to allot, issue or deal with additional Shares up to a maximum of 20% of the total number of the issued Shares as at the date of such meeting and a general mandate to repurchase on the Stock Exchange up to 10% of the total number of the issued Shares at the date of such meeting. It is proposed that the Company will seek the approval of the Shareholders of the relevant resolutions proposed at the Annual General Meeting in respect of the renewal of the respective general mandates to issue, allot and deal with Shares and to repurchase Shares.

At the Annual General Meeting, Resolutions will be proposed that the Directors be given the General Mandates. In addition, a Resolution will also be proposed at the Annual General Meeting providing that any Shares repurchased under the Repurchase Mandate (up to a maximum of 10% of the total number of the issued Shares as at the date of the grant of the Repurchase Mandate) will be added to the total number of Shares which may be allotted and issued under the Share Issue Mandate.

As at the Latest Practicable Date, the issued share capital of the Company comprised 616,142,730 Shares. Subject to the passing of the resolutions granting the General Mandates and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to issue a maximum of 123,228,546 Shares.

Each of the General Mandates would continue in force until whichever is the earliest of: (a) the conclusion of the next annual general meeting of the Company; (b) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or Bye-laws to be held; or (c) the date on which any such mandate is revoked or varied by an ordinary resolution of the Shareholders in general meeting.

The Explanatory Statement, which is required by the Listing Rules to be sent to the Shareholders, is set out in Appendix I to this circular. It contains information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolution to grant the Directors the Repurchase Mandate.

### 5. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Group. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material aspects and not misleading or deceptive, and there are no facts the omission of which would make any statement herein misleading.

### 6. RECOMMENDATION

The Directors consider that the granting of the General Mandates, the extension of the Share Issue Mandate to the Board, the refreshment of the Scheme Mandate Limit and the re-election of the retiring Directors are in the best interests of the Company and the Shareholders as a whole. The Directors therefore recommend you to vote in favour of the Resolutions at the Annual General Meeting. The Directors will exercise their voting rights in respect of their shareholdings (if any) in favour of the Resolutions.

### 7. GENERAL

Your attention is also drawn to the Appendices to this circular.

Yours faithfully,  
By Order of the Board  
**SEEC Media Group Limited**  
**Li Leong**  
*Executive Director*

*This Appendix contains the particulars that are required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed decision on whether to vote for or against the Resolutions in relation to the Repurchase Mandate.*

### **1. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 616,142,730 Shares. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 61,614,273 Shares during the period ending on the earliest of the conclusion of the next annual general meeting of the Company or the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or Bye-laws to be held or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in general meeting.

### **2. REASONS FOR REPURCHASES**

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase the Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

### **3. FUNDING OF REPURCHASES**

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with its memorandum of continuance, the Bye-laws and the laws of Bermuda.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders and in circumstances where they consider that the Shares can be repurchased on terms favourable to the Company. On the basis of the consolidated financial position of the Company as at 31 December 2021, being the date to which the latest published audited financial statements of the Company were made up, the Directors consider that if the Repurchase Mandate was to be exercised in full at the current prevailing market value, it would have a material adverse impact on the working capital position and gearing position of the Company. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company as compared with the position disclosed in the latest published audited financial statements or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.
