### PROPOSED GENERAL MANDATE TO REPURCHASE H SHARES

#### Repurchase Mandate

The Company Law, the Mandatory Provisions and the Articles provide for certain restrictions on share repurchase which are applicable to all classes of shares of the Company.

The Company Law (to which the Company is subject) provides that a joint stock limited company incorporated in the PRC may not repurchase its shares unless such repurchase is effected for the purpose of (a) reducing its registered capital; (b) in connection with a merger between itself and another entity that holds its shares; (c) granting shares as reward to the staff of the company; or (d) the repurchase is made at the request of its shareholders who disagrees with shareholders' resolutions in connection with a merger or division. The Mandatory Provisions, which the Company has incorporated in the Articles of Association, provide that subject to obtaining the approval of the relevant PRC regulatory authorities and in compliance with the Articles of Association, the Company may repurchase its issued Shares for the purpose of reducing its share capital or in connection with a merger between itself and another entity that holds its shares or in circumstances permitted by laws or administrative regulations.

The Listing Rules permit the shareholders of a PRC joint stock limited company to grant a general mandate to its directors to repurchase shares of such company that is listed on the Stock Exchange. Such mandate is required to be given by way of a special resolution passed by its shareholders in general meeting and special resolution passed by holders of domestic shares and holders of overseas listed foreign shares at separate meetings.

H Shares are traded on the Stock Exchange in Hong Kong dollars. Therefore, the repurchase of H Shares by the Company is subject to the approval of the SAFE (or its successor authority), and the price payable by the Company upon any repurchase of H Shares will be paid in Hong Kong dollars.

In accordance with the requirements of the Articles of Association applicable to capital reduction, the Company will have to notify its creditors of the passing of the resolution for the reduction of the registered capital of the Company. In addition, the Company Law provides that the shares repurchased by a company will have to be cancelled and the registered capital of that company will therefore be reduced by an amount equivalent to the aggregate nominal value of the shares so cancelled. In the event of a reduction of registered capital, the Company shall inform its creditors by way of written notice and announcement within a prescribed period after the passing of the relevant resolutions approving such reduction.

### **Conditions to Repurchase H Shares**

In order to ensure flexibility and discretion to the Directors in the event that it becomes desirable to repurchase any H Shares (including where such repurchase may lead to an enhancement of the net asset value per Share and/or the earnings per Share), approval is proposed to be sought from the Shareholders for the grant of the Repurchase Mandate to the Directors. In accordance with the legal and regulatory requirements described above, the Directors give notices to convene the AGM and the Class Meetings. At each such meeting, a special resolution will be proposed to grant to the Directors the Repurchase Mandate which is a conditional general mandate to repurchase H Shares in issue on the Stock Exchange with an aggregate nominal value not exceeding 10% of the aggregate nominal value of H Shares in issue of the Company as at the date of passing of such special resolution.

The Repurchase Mandate will be conditional upon (a) the special resolution for approving the grant of the Repurchase Mandate being passed at each of the AGM and the Class Meetings; and (b) the approvals of SAFE (or its successor authority) and/or any other regulatory authorities as may be required by the laws, rules and regulations of the PRC being obtained by the Company if appropriate. If the above conditions are not fulfilled, the Repurchase Mandate will not be exercisable by the Directors.

The Repurchase Mandate would expire on the earliest of (a) the conclusion of the next annual general meeting of the Company; (b) the expiration of a period of twelve months following the passing of the relevant resolution at the AGM and the Class Meetings; or (c) the date on which the authority conferred by the special resolution is revoked or varied by a special resolution of the Shareholders in a general meeting or by a special resolution of holders of H Shares or holders of Domestic Shares at their respective Class Meeting.

The H Shares which may be repurchased by the Company pursuant to the Repurchase Mandate shall not exceed 10% of the aggregate nominal value of H Shares in issue of the Company as at the date of passing of the resolution approving the Repurchase Mandate at the AGM and the Class Meetings.

Moreover, the Directors will not make share repurchase on the Stock Exchange if such repurchase would result in the requirements under Rule 8.08 of the Listing Rules not being complied with.

**SECURITIES REPURCHASE MADE BY THE COMPANY**
