Completion of a form of proxy will not preclude the shareholders from attending and voting at the AGM in person if so wish.

Special precautionary measures will be implemented by the Company to protect the health of shareholders and the other people attending the AGM, the details of which are as follows:

- (i) Must wear a surgical face mask at all times inside the AGM venue, and maintain appropriate social distancing. Seats will be limited and will be available on a first-come-first served basis.
- (ii) Take body temperature checks, and any person with a body temperature of over 37.4 degrees Celsius may be denied entry into the AGM venue or be required to leave the AGM venue.
- (iii) Must scan the “LeaveHomeSafe” venue QR code using the “LeaveHomeSafe” mobile application.
- (iv) Must fulfill the prevailing Vaccine Pass requirements (by presenting valid vaccination/medical exemption/recovery record, as applicable) upon entering the AGM venue.

- (v) No eating or drinking is allowed within the AGM venue, no refreshments will be provided, and there will be no corporate gift.
- (vi) Any other additional measures which are in accordance with the then prevailing regulations or guidelines of the Hong Kong government and/or regulatory authorities or which the Company considers appropriate in light of the development of the COVID-19 epidemic.

The Company reminds that, pursuant to the then requirements of the Prevention and Control of Disease (Prohibition on Group Gathering) Regulation, Cap. 599G, shareholders, proxy or other attendee who would like to attend the AGM should check the latest arrangements announced by the government and/or the Company, if any, before the date of the AGM.

If any shareholder chooses not to attend the meeting in person but has any questions about the resolutions or has any matters needed to communicate with the Board of Directors, he/she is welcome to send such questions or matters in writing to our registered office or to our email at [comsec@casil-group.com](mailto:comsec@casil-group.com).
