The board of directors (the “**Board**”) of the Company hereby informs the shareholders and potential investors of the Company that, based on the preliminary assessment of the latest unaudited management accounts of the Company and other information currently available to the Board, the Company is expected to record a net loss in the range of approximately RMB1.38 billion to approximately RMB1.42 billion for the six months ended 30 June 2022 (the “**Period**”), as compared with the net loss of approximately RMB841 million for the six months ended 30 June 2021 (the “**Preceding Period**”).
