INSIDE INFORMATION ESTIMATED RESULTS FOR THE SIX MONTHS ENDED 30 JUNE 2022 – REDUCTION OF LOSS

This announcement is made by JLogo Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the Board’s preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2022 (the “**2022 Interim Period**”) and the information currently available, the Group is expected to record an increase in revenue for the 2022 Interim Period of approximately 22% or approximately S\$1.54 million as compared to the corresponding period in 2021, which led to a decrease in loss for the period of approximately 56% or approximately S\$0.87 million, from approximately S\$1.56 million for the corresponding period in 2021 to approximately S\$0.69 million for the 2022 Interim Period.

The Board considered that the increase in revenue and decrease in loss was mainly attributable to that all fully vaccinated travellers can enjoy quarantine-free travel to Singapore from 1 April 2022. The Singapore Government also lifted most of the COVID-19 measures from 26 April 2022 onwards. In particular, the removal of social group size limit and safe distancing requirements effectively increase the total capacity of our restaurants and increase the footfall in the malls, and hence provide substantial uplift to our business.

The Company is still in the process of finalising the interim results of the Group for the 2022 Interim Period. The information contained in this announcement is only based on the Board's preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2022 and other information currently available, which have not been audited or reviewed by the auditor or the audit committee of the Company and may be subject to adjustments. The Shareholders and potential investors of the Company should read carefully the interim results announcement of the Company for the 2022 Interim Period, which is expected to be published on 12 August 2022.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
