Effects of the Share Consolidation

Assuming no further Shares will be issued from the date of this announcement up to the date of the EGM, upon the Share Consolidation becoming effective, there will be 877,716,000 Consolidated Shares in issue which are fully paid or credited as fully paid.

Upon the Share Consolidation becoming effective, the Consolidated Shares shall rank pari passu in all respects with each other.

Other than the expenses to be incurred in relation to the Share Consolidation, the implementation of the Share Consolidation will not alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders.

Conditions of the Share Consolidation

The implementation of the Share Consolidation is conditional upon:

- (i) the passing of an ordinary resolution by the Shareholders at the EGM to approve the Share Consolidation;
- (ii) the Stock Exchange granting the listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective; and
- (iii) the compliance with all relevant procedures and requirements under the applicable laws of the Cayman Islands and the Listing Rules to effect the Share Consolidation.

The Share Consolidation is expected to become effective on Friday, 2 September 2022 subject to the fulfilment of the above conditions.

Listing Application

An application will be made by the Company to the Stock Exchange for the listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective.

Subject to the granting of the listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the Consolidated Shares will be accepted as eligible securities by the HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Consolidated Shares on the Stock Exchange or such other date as determined by the HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS established and operated by the HKSCC.

None of the Existing Shares are listed or dealt in on any other stock exchange other than the Stock Exchange, and at the time the Share Consolidation becomes effective, the Consolidated Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

Adjustments in relation to other securities of the Company

As at the date of this announcement, the Company has no outstanding options, warrants or other securities in issue which are convertible into or giving rights to subscribe for, convert or exchange into, any Existing Shares or Consolidated Shares, as the case maybe.

PROPOSED CHANGE IN BOARD LOT SIZE

As at the date of this announcement, the Existing Shares are traded on the Stock Exchange in board lots of 20,000 Existing Shares. It is proposed that, subject to and conditional upon the Share Consolidation becoming effective, the board lot size for trading on the Stock Exchange be changed from 20,000 Existing Shares to 10,000 Consolidated Shares.

Based on the closing price of HK\$0.056 per Existing Share as quoted on the Stock Exchange as at the date of this announcement, the value of each board lot of 10,000 Consolidated Shares, assuming the Share Consolidation had already been effective, would be HK\$2,800.

REASONS FOR THE SHARE CONSOLIDATION AND THE CHANGE IN BOARD LOT SIZE

Pursuant to Rule 13.64 of the Listing Rules, where the market price of the securities of an issuer approaches the extremities of HK\$0.01 or HK\$9,995.00, the issuer may be required either to change the trading method or to proceed with a consolidation or splitting of its securities. The “Guide on Trading Arrangements for Selected Types of Corporate Actions” issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 and updated on 1 October 2020 (the “**Guide**”) has further stated that market price of the shares at a level less than HK\$0.1 will be considered as trading at extremity as referred to under Rule 13.64 of the Listing Rules. It has also stated in the Guide that taking into account the minimum transaction costs for a securities trade, the expected board lot value should be greater than HK\$2,000.

In view of the recent trading price of the Shares, the Board considers that the Share Consolidation will enable the Company to comply with the trading requirements under the Listing Rules and reduce the overall transaction and handling costs of dealings in the Shares as a proportion of the market value of each board lot, since most of the banks/securities houses will charge a minimum transaction costs for each securities trade. With a corresponding upward adjustment in the trading price of the Consolidated Shares, the Board believes that the Share Consolidation will make investing in the Shares more attractive to a broader range of investors, and therefore further broaden the shareholder base of the Company.

The Board considers that the Share Consolidation is essential to achieve the above-mentioned purpose. Taking into account of the potential benefits and the insubstantial amount of costs to be incurred, the Board is of the view that the Share Consolidation and the Change in Board Lot Size are in the best interest of the Company and the Shareholders as a whole.

As at the date of this announcement, the Company has no intention to carry out other corporate actions in the next 12 months which may affect the trading in the Shares, and the Company does not have any concrete plan to conduct any fund-raising activities in the next 12 months.

OTHER ARRANGEMENTS

Details of the odd lot arrangement will be set out in the circular to be despatched to the Shareholders.
