## **ANNOUNCEMENT OF INTERIM RESULTS 2022 FOR THE SIX MONTHS ENDED 30 JUNE 2022**

### **CHARACTERISTIC OF THE GEM OF STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)**

**GEM has been positioned as a market designed to accommodate small and mid-size companies to which a high investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risk of investing in such companies and should make the decision to invest after due and careful consideration.**

**Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.**

The Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors (the “Directors”) of China Health Group Inc. (the “Company”) collectively and individually accept responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM (the “GEM Listing Rules”) of the Stock Exchange for the purpose of giving information with regard to the Company and its subsidiaries (together, the “Group”). The Directors, having made all reasonable enquires, confirm that, to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive; and there are no other matters the omission of which would make any statement herein or this announcement misleading.

## **MANAGEMENT DISCUSSION AND ANALYSIS**

### **BUSSINESS REVIEW**

In terms of scientific research services, the Group's "RWS Wanquan center" is to re-screen and group existing drugs through real clinical research of big data to find the best treatment. The Group established a biological sample testing laboratory, equipped with Waters UPLC-MS/MS.xevo TQS, which is officially open to the public. The laboratory mainly serves clinical research, especially the clinical research experiment of antiviral drugs.

The Company proposes two models in the epidemic situation and the new era of medical treatment.

1. "Research based treatment RWS therapy model" is to carry out clinical and big data research on Five specialty clinical through real world clinical research, guide drug treatment in the research, and obtain medical big data guidance research in the treatment.

2. The D-CRCO model (Digital-Clinical Research Commercialization Organization) is a digital clinical research promotion platform. It uses big data clinical research to precisely enable the commercialization of products. These two models will redefine research-based treatment and research-based promotion to replace traditional treatment and commercialization.

In terms of big data medical services, we have established research digital special area medical diagnosis with many top medical institutions in Beijing, Shanghai, Guangzhou and other places, as well as the top 100 chain and digital medical groups such as Gaoji medical, haiwangxingchen, micro medical group and miaozhou medical group, such as yuequit smoking research and treatment specialty, Hein psychological research and treatment specialty, baimin fever and cough research and treatment specialty, disease resistance and treatment specialty Poison research and treatment areas will play an important role in the epidemic and post epidemic era.

Around the core treatment field, we have built a digital medical terminal service complex under the Internet architecture, forming a closed-loop system from scientific research to rehabilitation.

1. From hospital big data clinical research to digital scientific research product promotion service,
2. To jointly build digital research clinical research specialty,
3. To self-supporting O2O special specialty medical diagnosis,
4. To explore rehabilitation medical and tourism medical services.

## **SHARE OPTION SCHEME**

On 30 June 2015, the Company passed an ordinary resolution at the annual general meeting to adopt a new share option scheme (the “Share Option Scheme”). The Share Option Scheme will remain in force for a period of 10 years commencing from the date of adoption of the Share Option Scheme from 30 June 2015 (the “Date of Adoption”) (that is from 30 June 2015 to 29 June 2025), after which period no further options will be granted but the provisions of the Share Option Scheme shall remain in full force and effect in all aspect. The major terms of the Share Option Scheme are summarised as follows:

### **Purpose of the Share Option Scheme**

- (a) The Share Option Scheme is a share incentive scheme and is established to recognize and acknowledge the contributions and potential contributions which the eligible participants have made or may make to the Group.
- (b) The Share Option Scheme will provide the Eligible Participants with an opportunity to have a personal stake in the Company with a view to motivating the Eligible Participants to utilize their performance and efficiency for the benefit of the Group and attracting and retaining or otherwise maintaining an on-going relationship with the Eligible Participants whose contributions are or will be beneficial to the long term growth of the Group.

### **The Eligible Participants**

The participants of the Share Option Scheme include (i) any director, employee (whether full time or part time employee), consultant or adviser of or contractor to the Group or any entity in which any member of the Group holds any interest (the “Invested Entity”); (ii) any discretionary trust whose discretionary objects include any director, employee (whether full time or part time employee), consultant or adviser of or contractor to the Group or any Invested Entity; and (iii) a company beneficially owned by any director, employee (whether full time or part time employee), consultant or adviser of or contractor to the Group or any Invested Entity, who, in the absolute discretion of the Board (the “Eligible Participants”), has contributed or may contribute to the Group.

### **The exercise price of a share option**

The exercise price of a share option under the Share Option Scheme will not be less than the highest of (i) the closing price of the Shares on the Stock Exchange as shown in the daily quotations sheet of the Stock Exchange on the offer date of the particular option, which must be a business day; (ii) the average of the closing prices of the Shares as shown in the daily quotations sheets of the Stock Exchange for the five business days immediately preceding the offer date of that particular option; and (iii) the nominal value of a share on the offer date of the particular option.

## **Maximum number of shares available for subscription under the Share Option Scheme**

### **(a) 30% limit**

The overall limit on the number of Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other share option schemes of the Company must not exceed 30% of the Shares in issue from time to time (the “Scheme Limit”).

### **(b) 10% limit**

In addition to the Scheme Limit, and subject to the following paragraph, the total number of Shares which may be issued upon exercise of all options to be granted under the Share Option Scheme and any other share option schemes of the Company must not in aggregate exceed 10% of the Shares in issue as at the date of approval of the Share Option Scheme (excluding any options which have lapsed in accordance with the terms of the Share Option Scheme or any other share option schemes of the Company) (the “Scheme Mandate Limit”).

The Company may, from time to time, refresh the Scheme Mandate Limit by obtaining the approval of the Shareholders at a general meeting. Once refreshed, the total number of securities which may be issued upon exercise of all options to be granted under the Share Option Scheme and all other share option schemes of the Company under the limit, as refreshed, must not exceed 10% of the Shares in issue as at the date of approval of the refreshed limit. Options previously granted under the Share Option Scheme and/or any other share option schemes, including without limitation any options which are outstanding, cancelled, lapsed or exercised, will not be counted for the purpose of calculating the refreshed Scheme Mandate Limit.

## **Maximum entitlement of each Eligible Participant**

Unless approved by the Shareholders, the total number of Shares issued and to be issued upon exercise of the options granted to each Eligible Participant (including both exercised and outstanding options) in any 12-month period must not exceed 1% of the Shares in issue. Where any further grant of options to an Eligible Participant would result in the Shares issued and to be issued upon exercise of all options granted and to be granted to such Eligible Participant (including exercised, cancelled and outstanding options) in the 12-month period up to and including the date of such further grant representing in aggregate over 1% of the relevant class of securities in issue, such further grant must be separately approved by the Shareholders in general meeting with such Eligible Participant and his associates abstaining from voting.

The total number of Shares available for issue under the Share Option Scheme, including the outstanding options, is 78,087,166 Shares, representing 7.85% of the total number of Shares in issue as at the date of this announcement.

**Performance target**

Unless otherwise determined by the Directors at their sole discretion, there is no performance target which must be satisfied or achieved before the options can be exercised.

**Minimum period for which an option must be held**

Unless otherwise determined by the Directors at their sole discretion, there is no requirement of a minimum period for which an option must be held before such an option can be exercised under the terms of the Share Option Scheme.

**Subscription price of Shares**

The Subscription Price must be at least the highest of: (a) the closing price of a Share as stated in the daily quotations sheet of the Stock Exchange on the date of grant which must be a Business Day; and (b) the average of the closing prices of the Shares as shown on the daily quotations sheets of the Stock Exchange for the five Business Days immediately preceding the date of grant; and (c) the nominal value of a Share.

**Amount payable upon acceptance of option**

HK\$1.00 is payable by each Eligible Participant to the Company on acceptance of an Offer of an option, which shall be paid within 21 days from the date of offer.

**Time of exercise of option**

An option shall be exercisable at any time during an option period to be notified by the Board to each grantee, provided that no option shall be exercisable later than ten years after its date of grant.

**Details of the share options movements during the Period under the Share Option Scheme are as follows:**

The options must be exercised in whole board lots of 20,000 shares. The closing price of the shares of the Company immediately before 24 March 2021, the date on which those options were granted, was HK\$0.500.*

Saved as disclosed above, no other share options were granted, exercised, cancelled or lapsed during the Period.

## **CORPORATE GOVERNANCE**

The Company's corporate governance practices are based on the principles and the code provisions as set out in the Corporate Governance Code (the "Code") as set out in part 2 of Appendix 15 to the GEM Listing Rules. The principles adopted by the Company emphasize a quality board, transparency and accountability to shareholders. In the opinion of the Board, the Company has complied with the Code for the Period, with the exception for the following deviation:

Under code provision C.2.1, the responsibilities between chairman and chief executive officer should be separated. However, the chief executive officer of the Company has not yet been appointed. Currently, the day-to-day management of the Company's business is handled by the executive Directors and senior management, who take the responsibility to run the Group's business and to implement the Group's strategy so as to achieve the overall commercial objectives of the Company.

Under code provision C.1.6, generally the independent non-executive directors should attend general meetings to gain and develop a balanced understanding of the views of shareholders. Under code provision F.2.2, the chairman of the board should invite the chairmen of the audit, remuneration, nomination and any other committees (as appropriate) to attend. In their absence, the chairman should invite another member of the committee or failing this their duly appointed delegate, to attend. These persons should be available to answer questions at the annual general meeting. An issuer's management should ensure the external auditor attend the annual general meeting to answer questions about the conduct of the audit, the preparation and content of the auditors' report, the accounting policies and auditor independence. However, due to the epidemic, the independent non-executive Directors, all members of the audit committee of the Board (the "Audit Committee") and the auditor of the Company did not attend the annual general meeting of the Company on 16 June 2022.

## **DIRECTORS' SECURITIES TRANSACTIONS**

The Company has adopted a code of conduct regarding securities transactions by Directors on terms no less exacting than the required standard of dealings set out in Rules 5.48 to 5.67 of the GEM Listing Rules. The Company also had made specific enquiry of all Directors and the Company was not aware of any non-compliance with the required standard of dealings and its code of conduct regarding securities transaction by Directors during the Period.

## **AUDIT COMMITTEE**

The Audit Committee was established with written terms of reference in compliance with the GEM Listing Rules. The primary duties of the Audit Committee are to review the Company's annual reports and accounts, half-yearly reports and quarterly reports and internal control system of the Group and provide advice and comments to the Board. The Audit Committee has three members comprising the three independent non-executive Directors, namely

Mr. QIU Rui, Dr. NI Binhui and Mr. ZHEN Ling. Mr. QIU Rui is the chairman of the Audit Committee. The unaudited consolidated results of the Group for the Period had been reviewed by the Audit Committee, which was of the opinion that the preparation of such results complied with the applicable accounting standards and requirements and that adequate disclosures have been made.

#### **SUFFICIENCY OF PUBLIC FLOAT**
