**PROFIT WARNING**

This announcement is made by Haina Intelligent Equipment International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and the potential investors that, based on a preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2022 and the information currently available to the Board, the Group is expected to record a net loss of approximately RMB4.8 million for the six months ended 30 June 2022 as compared with the net profit of approximately RMB17.7 million for the six months ended 30 June 2021.

The Board is of the view that the expected loss is mainly due to (i) the decrease in gross profit margin caused by the significant increase in cost of raw materials and labour cost of the Group; (ii) the decrease in government grant during the six months ended 30 June 2022; and (iii) the suspension of production caused by the outbreak of the COVID-19 pandemic in the People’s Republic of China during the period. To tackle the market fluctuations, the Group will continue to make best endeavour to reduce the adverse impact from the increased costs and expenses through centralized procurement, technology innovation and product upgrades.

The information contained in this announcement is only based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2022 and the information currently available to the Board, which are subject to finalisation and have not been confirmed or reviewed by the Company's auditor or audit committee. Therefore, the actual consolidated results of the Group for the six months ended 30 June 2022, which are expected to be released in August 2022, may differ from the information contained in this announcement.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**

By order of the Board of  
**Haina Intelligent Equipment International Holdings Limited**
