LIMITED (THE “STOCK EXCHANGE”)**

Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

(the “Company”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this announcement misleading.

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS FOR THE THREE MONTHS ENDED 30 JUNE 2022

1. GENERAL

The Company was incorporated in the Cayman Islands as an exempted company with limited liability under the Companies Act, Cap 22 (Act 3 of 1961, as consolidated and revised) of the Cayman Islands. The Company acts as an investment holding company and its subsidiaries are principally engaged in importing and wholesaling of frozen seafood products and property holding. The Company's immediate and ultimate holding company is Karlson Holding Limited which was incorporated in the British Virgin Islands and controlled by Mr. Chan Kin Fung ("Mr. Chan").

The condensed consolidated financial statements are presented in Hong Kong dollars ("HK\$"), which is the functional currency of the Company.

2. BASIS OF PREPARATION

The condensed consolidated financial statements have been prepared in accordance with Hong Kong Accounting Standard 34 "Interim Financial Reporting" issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA") as well as with the applicable disclosure requirements of Appendix 16 to the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

3. PRINCIPAL ACCOUNTING POLICIES

The condensed consolidated financial statements have been prepared on the historical cost basis.

The amounts included in the condensed consolidated financial statements have been computed in accordance with HKFRSs issued by the HKICPA applicable to interim periods. However, it does not contain sufficient information to constitute an interim financial report as defined in HKFRSs.

Other than accounting policies resulting from application of amendments to Hong Kong Financial Reporting Standards ("HKFRSs"), the accounting policies and methods of computation used in the condensed consolidated financial statements for the three months ended 30 June 2022 are the same as those followed in the preparation of the Group's annual financial statements for the year ended 31 March 2022.

Application of amendments to HKFRSs

In the current interim period, the Group has applied the following amendments to HKFRSs issued by the HKICPA, for the first time, which are mandatorily effective for the annual period beginning on or after 1 April 2022 for the preparation of the Group's condensed consolidated financial statements:

Amendments to HKFRS 3	Reference to the Conceptual Framework
Amendments to HKAS 16	Property, Plant and Equipment — Proceeds before Intended Use
Amendments to HKAS 37	Onerous Contracts — Cost of Fulfilling a Contract
Amendments to HKFRSs	Annual Improvements to HKFRSs 2018–2020

The application of the amendments to HKFRSs in the current period has had no material impact on the Group's financial positions and performance for the current and prior periods and/or on the disclosures set out in these condensed consolidated financial statements.

4. REVENUE AND SEGMENT INFORMATION

The Group recognises revenue from trading of frozen seafood products.

The revenue of the Group is recognised at a point in time. Under the transfer-of-control approach in HKFRS 15 “Revenue from Contracts with Customers”, revenue from trading of frozen seafood products is generally recognised when goods are delivered, which is the point of time when the customer has the ability to direct the use of products and obtain substantially all of the remaining benefits of the products. A receivable is recognised by the Group when the goods are delivered to the customers as this represents the point in time at which the right to consideration becomes unconditional, as only the passage of time is required before payment is due.

The Group is engaged in importing and wholesaling of frozen seafood products. Information reported to the members of executive directors of the Company, being the chief operating decision makers (the “CODM”), for the purposes of resources allocation and assessment of performance focuses on revenue analysis by products and by geographic locations of customers. In addition, the CODM reviews the results of the Group as a whole to make decisions. Accordingly, only entity-wide disclosures, major customers and geographic information are presented.

All sales contracts are for periods of one year or less. As permitted under HKFRS 15, the transaction price allocated to these unsatisfied contracts is not disclosed.

The disaggregated information of revenue is as follows:
