Looking ahead, the Group will remain prudent on business development and continue to implement appropriate measures to improve sales performance and reduce costs of business operations. REVIEW OF INTERIM RESULTS

The Audit Committee has reviewed the unaudited condensed consolidated interim financial information and the interim results for the six months ended 30 June 2022 and discussed the related financial matters with the Board. The unaudited condensed consolidated interim financial information and the interim results of the Group for the six months ended 30 June 2022 has been reviewed by the Company’s auditor, PricewaterhouseCoopers, in accordance with Hong Kong Standard on Review Engagements 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”.

MODEL CODE FOR DIRECTORS’ SECURITIES TRANSACTIONS

The Company has adopted the Model Code set out in Appendix 10 of the Listing Rules as its code of conduct regarding Directors’ securities transactions upon successful listing and all Directors have confirmed, upon specific enquiry made, that they complied with the Model Code for the Interim Period.

CORPORATE GOVERNANCE

The Board adopted a set of corporate governance practices which aligns with or is more restrictive than the requirements set out in the Corporate Governance Code (the “CG Code”), contained in Appendix 14 to the Listing Rules. Except for code provision C.2.1, the Board is of the view that the Company has complied with the code provisions set out in the CG Code for the Interim Period.

Code provision C.2.1 of the CG Code states that the roles of chairman and chief executive should be separate and should not be performed by the same individual. Under the current organisation structure of the Company, Madam Maeck is our chairperson and chief executive officer. With her extensive experience in the industry, the Directors believe that vesting the roles of both chairperson and chief executive officer in the same person provides the Company with strong and consistent leadership, allowing effective and efficient planning and implementation of business decisions and strategies, and is beneficial to the business prospects and management of the Group. Although Madam Maeck performs both the roles of chairperson and chief executive officer, the division of responsibilities between the chairperson and chief executive officer is clearly established. In general, the chairperson is responsible for supervising the functions and performance of the Board, while the chief executive officer is responsible for the management of the business of the Group. The two roles are performed by Madam Maeck distinctly. Further, the current structure does not impair the balance of power and authority between the Board and management of the Company given the appropriate delegation of the power of the Board and the effective functions of the independent non-executive Directors.

EVENT AFTER THE REPORTING PERIOD

Subsequent to the reporting period, the Group entered into a capital injection agreement with certain independent third parties to inject capital of RMB5,400,000 into Guangzhou Ant. Upon completion of such capital injection, the Group will hold 35% equity interest in Guangzhou Ant.
