**POSITIVE PROFIT ALERT**

This announcement is made by World-Link Logistics (Asia) Holding Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) of the Company and potential investors that based on a preliminary review of the unaudited condensed consolidated management accounts of the Group for the six months ended 30 June 2022 and the information currently available to the Board, the Group expects to record a significant increase in its profit after taxation for the six months ended 30 June 2022, in the range of approximately 30% to 40% as compared to that for the six months ended 30 June 2021. Such increase in profit after taxation was mainly attributable to (i) the significant increase in the sales of disinfectionary products; (ii) receipt of Government grants; (iii) the profit contributed by new customers, which include a world-wide recognised food manufacturer with headquarter in Hong Kong and a vast array of world-class brand distributors with various business lines; (iv) the extension of the cold chain logistics business with the addition of a multinational consumer goods company based in England; and (v) improved work efficiency which helps to net off the decrease in the profit from the Macau operation.

The information contained in this announcement is based solely on a preliminary assessment by the Board with reference to the unaudited condensed consolidated management accounts of the Group for the six months ended 30 June 2022 and the information currently available to the Board, and is not based on any figures or information which has been audited or reviewed by the Auditors of the Company or approved by the Company's Audit Committee. Therefore, the Group's actual results for the six months ended 30 June 2022 may be subject to amendments and adjustments. The interim results of the Company for the six months ended 30 June 2022 is expected to be released within the timeframe stipulated under the Listing Rules.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
