PROFIT WARNING ANNOUNCEMENT

This announcement is made by Yuzhou Group Holdings Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors of the Company that, based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2022 (the “**Reporting Period**”) and other information currently available to the Board, it is expected that the Group will record a total revenue of approximately RMB12,393 million for the Reporting Period, which is generally in line with that of approximately RMB12,008 million recorded for the six months ended 30 June 2021, which was mainly due to the Company’s adherence to the policy objective of “guaranteeing completion and ensuring delivery” proposed by real estate market regulatory authorities during the Reporting Period. However, (1) due to the overlay effect of repeated outbreak of the COVID-19 epidemic, the severe slowdown in real estate market, and the tightening policies of financial institutions, the gross profit of projects delivered by the Group during the Reporting Period decreased; (2) being affected by the market environment, there were indications of impairment on some real estate projects of the Company, the provision for impairment of inventories based on the principle of prudence increased, and the fair value gain on investment properties decreased; and (3) due to the continuous depreciation of RMB against the USD, the Group incurred a significant exchange loss on offshore USD-denominated notes. It is expected that the Group will record a net profit attributable to the Shareholders of approximately RMB55 million to RMB65 million during the Reporting Period, representing a significant decrease as compared to the net profit attributable to the Shareholders of approximately RMB857 million for the same period in 2021.

As of the date of this announcement, the Company is still in the process of finalizing the interim results of the Group for the Reporting Period. The information contained in this announcement is only based on a preliminary review of the unaudited consolidated management accounts of the Group for the Reporting Period, which have not been finalized or reviewed by the Company's auditors or the audit committee of the Company. The actual financial results of the Group for the Reporting Period may be different from those disclosed in this announcement. Shareholders and potential investors of the Company are advised to read carefully the interim results announcement of the Company for the Reporting Period, which is expected to be published by the Company by the end of August 2022.

Investors are advised to read carefully the interim results announcement of the Company for the Reporting Period, and the Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
