## **PROFIT WARNING**

The board (the “**Board**”) of directors (“**Director(s)**”) of the Company wishes to inform the shareholders of the Company (“**Shareholders**”) and potential investors that, based on the preliminary assessment on the unaudited consolidated financial information of the Group for the year ended 30 June 2022 and the information currently available to the Board, the Group is expected to record a revenue of approximately HK\$112.16 million for the year ended 30 June 2022, as compared to that of approximately HK\$228.07 million for the year ended 30 June 2021. The Group is also expected to record a net loss of not more than approximately HK\$146 million for the year ended 30 June 2022, as compared to a net loss of approximately HK\$5.45 million for the year ended 30 June 2021. The deterioration was mainly attributable to the increase in impairment loss on goodwill by approximately HK\$75.47 million and the increase in impairment losses under expected credit loss model, net of reversal by approximately HK\$73.77 million due to the decrease in actual revenue and estimated revenue in the coming years, and increased credit risk of receivables under the outbreak of the coronavirus disease 2019.

The information contained in this announcement is only based on the preliminary assessment of the unaudited consolidated financial information of the Group for the year ended 30 June 2022 and the information currently available to the Board, which have not been audited by the auditors of the Company. The Company is still in the process of finalising the annual results of the Group for the year ended 30 June 2022, which is expected to be published in late September 2022.
