The resolutions to be proposed at the AGM include ordinary and special resolutions on the proposed (i) re-election of Directors; (ii) grant of each of the Issue Mandate, Repurchase Mandate and Extension Mandate; and (iii) adoption of the New Articles of Association.

LETTER FROM THE BOARD

PROPOSED RE-ELECTION OF DIRECTORS

The Board currently comprises six Directors, of which two are executive Directors, namely, Mr. Deng Zhonglin and Mr. Wong Yuk Lun Alan; one is non-executive Director, namely Ms. Huang Chian Sandy; and three are independent non-executive Directors, namely Mr. Choi Hung Fai, Mr. Tsang Wing Ki and Dr. Wong Kong Tin, *JP*.

In accordance with Article 105(A) of the Articles of Association, at each annual general meeting of the Company, one-third of the Directors for the time being (or, if their number is not three or a multiple of three, then the number nearest but not less than one-third) shall retire from office by rotation. Mr. Wong Yuk Lun Alan and Mr. Choi Hung Fai will retire by rotation and, being eligible, offer themselves for re-election at the AGM.

For the proposed re-election of Mr. Choi Hung Fai as an independent non-executive Director, the Board and the Nomination Committee have considered the board diversity policy and corporate strategy of the Company, taking into account the skills and experience required for the overall operation of the Board, the background and other factors of Mr. Choi Hung Fai. The Board and the Nomination Committee are of the view that, Mr. Choi Hung Fai has the basic knowledge of the operation of a listed company with valuable business experience, knowledge, professionalism and work experience necessary to perform the duties of an independent non-executive Director, and has the ability to provide independent, fair and objective opinions on corporate affairs. Mr. Choi Hung Fai will also promote diversity of the Board in a number of aspects, including age, cultural and educational background, professional experience, skills and knowledge. Mr. Choi Hung Fai has confirmed his independence to the Company in accordance with Rule 3.13 of the Listing Rules. The Board has assessed and reviewed his independence and believes that he has satisfied the independence requirements. Therefore, his re-election as an independent non-executive Director is in the best interests of the Company and the Shareholders as a whole.

The biographical and other details of the Directors proposed to be re-elected at the AGM are set out in Appendix I to this circular.

ISSUE MANDATE, REPURCHASE MANDATE AND EXTENSION MANDATE

It will be proposed at the AGM to grant to the Directors (i) a general mandate to allot, issue and deal with Shares up to a limit equal to 20% of the aggregate number of Shares in issue as at the date of passing the relevant resolution and adding to such general mandate so granted to the Directors any Shares representing to an aggregate number of Shares repurchased by the Company under the Repurchase Mandate and (ii) a Repurchase Mandate to purchase Shares not exceeding 10% of the aggregate number of Shares in issue as at the date of passing the relevant resolution.

GENERAL

Save as disclosed above, the Company is not aware of any other matters that need to be brought to the attention of the Shareholders in relation to the re-election of each of Mr. Wong and Mr. Choi and there is no information which is discloseable nor is/was Mr. Wong and Mr. Choi involved in any matters required to be disclosed pursuant to any of the requirements of the provisions under paragraphs (h) to (v) of Rule 13.51(2) of the Listing Rules.

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to Shareholders for their consideration of the proposed Repurchase Mandate.

LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their shares on the Stock Exchange and any other stock exchange on which the securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general repurchase mandate or by specific approval of a particular transaction.

REASONS FOR REPURCHASE MANDATE

Whilst the Directors do not presently intend to repurchase any Shares, they believe that the flexibility afforded by the mandate granted to them if the ordinary resolution numbered 6 set out in the notice of AGM is passed would be beneficial to the Company and its Shareholders. Trading conditions on the Stock Exchange have sometimes been volatile in recent years and if there are occasions in the future when Shares are being traded at a discount to their underlying value, the ability of the Company to repurchase Shares can be beneficial to those Shareholders who retain their investment in the Company since this may, depending on the circumstances, result in increases to the fully diluted net assets and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders.

SHARE CAPITAL

As at the Latest Practicable Date, the total issued share capital of the Company is 1,855,903,277 fully paid-up ordinary Shares of HK\$0.002 each.

Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 185,590,327 Shares.

SOURCE OF FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds entirely from the Company's available cash flow or working capital facilities, which will be funded legally available for such purpose in accordance with its Articles of Association and the applicable laws of the Cayman Islands. Such funds include but are not limited to the Company's profits available for distribution.

IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited consolidated accounts contained in the annual report of the Company for the year ended 30 June 2022) in the event that the proposed share repurchases were to be carried out in full at any time during the proposed repurchase period. Such proposed repurchase period means the period from the passing of the ordinary resolution until whichever is the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the date on which the authority sets out in the ordinary resolution is revoked or varied by an ordinary resolution of the Shareholders in a general meeting; and (iii) the expiration of the period within which the next annual general meeting of the Company is required to be held by the laws of the Cayman Islands or the Articles of Association.

However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirement of the Company or the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

UNDERTAKING

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases pursuant to Repurchase Mandate in accordance with the Listing Rules and the laws of the Cayman Islands and in accordance with the regulations set out in the Articles of Association of the Company.

DIRECTORS, CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquires, any of their Close Associates, presently intend to sell any Shares to the Company under the Repurchase Mandate in the event that the latter is granted by the Shareholders.

The Company has not been notified by any Core Connected Persons of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company, in the event that Repurchase Mandate is granted by the Shareholders.

TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If as a result of share repurchase by the Company, a Shareholder's proportionate interest in voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date and to the best of knowledge and belief of the Company, Mr. Chen Chao is interested in 163,835,000 Shares, representing approximately 8.83% of the issued share capital of the Company.

Assuming that the issued share capital of the Company remains unchanged up to the date of the AGM and in the event that the Repurchase Mandate is exercised in full, the shareholding of Mr. Chen Chao will be increased to approximately 9.81%. In the opinion of the Directors, such increase will not give rise to any obligation to make a mandatory offer under Rule 26.1 of the Takeovers Code.

The Directors have no intention to exercise the power to repurchase the Shares pursuant to the Repurchase Mandate to such extent as would result in the level of shareholdings in the Company held by the public falling below 25%.

Save as disclosed above, the Directors are not aware of any Shareholder or group of Shareholders acting in concert, who may become obliged to make a mandatory offer under Rule 26 of the Takeovers Code as a consequence of any purchases made pursuant to the Repurchase Mandate.

12. (1) Subject to the Act, these Articles, any direction that may be given by the Company in general meeting and, where applicable, the Listing Rules and without prejudice to any special rights or restrictions for the time being attached to any shares or any class of shares, the unissued shares of the Company (whether forming part of the original or any increased capital) shall be at the disposal of the Board, which may offer, allot, grant options over or otherwise dispose of them to such persons, at such times and for such consideration and upon such terms and conditions as the Board may in its absolute discretion determine but so that no shares shall be issued at a discount to their nominal value. Neither the Company nor the Board shall be obliged, when making or granting any allotment of, offer of, option over or disposal of shares, to make, or make available, any such allotment, offer, option or shares to Members or others with registered addresses in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable. Members affected as a result of the foregoing sentence shall not be, or be deemed to be, a separate class of Members for any purpose whatsoever.

- (2) The Board may issue warrants or convertible securities or securities of similar nature conferring the right upon the holders thereof to subscribe for any class of shares or securities in the capital of the Company on such terms as it may from time to time determine.
13. The Company may in connection with the issue of any shares exercise all powers of paying commission and brokerage conferred or permitted by the Act. Subject to the Act, the commission may be satisfied by the payment of cash or by the allotment of fully or partly paid shares or partly in one and partly in the other.
14. Except as required by law, no person shall be recognised by the Company as holding any share upon any trust and the Company shall not be bound by or required in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any fractional part of a share or (except only as otherwise provided by these Articles or by law) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.
15. Subject to the Act and these Articles, the Board may at any time after the allotment of shares but before any person has been entered in the Register as the holder, recognise a renunciation thereof by the allottee in favour of some other person and may accord to any allottee of a share a right to effect such renunciation upon and subject to such terms and conditions as the Board considers fit to impose.

SHARE CERTIFICATES

16. Every share certificate shall be issued under the Seal or a facsimile thereof or with the Seal printed thereon and shall specify the number and class and distinguishing numbers (if any) of the shares to which it relates, and the amount paid up thereon and may otherwise be in such form as the Directors may from time to time determine. The seal of the Company may only be affixed or imprinted to a share certificate with the authority of the Directors, or be executed under the signature of appropriate officials with statutory authority, unless otherwise determined by the Directors. No certificate shall be issued representing shares of more than one class. The Board may by resolution determine, either generally or in any particular case or cases, that any signatures on any such certificates (or certificates in respect of other securities) need not be autographic but may be affixed to such certificates by some mechanical means or may be printed thereon.
17. (1) In the case of a share held jointly by several persons, the Company shall not be bound to issue more than one certificate therefor and delivery of a certificate to one of several joint holders shall be sufficient delivery to all such holders.
- (2) Where a share stands in the names of two or more persons, the person first named in the Register shall as regards service of Notices and, subject to the provisions of these Articles, all or any other matters connected with the Company, except the transfer of the shares, be deemed the sole holder thereof.

18. Every person whose name is entered, upon an allotment of shares, as a Member in the Register shall be entitled, without payment, to receive one certificate for all such shares of any one class or several certificates each for one or more of such shares of such class upon payment for every certificate after the first of such reasonable out-of-pocket expenses as the Board from time to time determines.
19. Share certificates shall be issued within the relevant time limit as prescribed by the Act or as the Designated Stock Exchange may from time to time determine, whichever is the shorter, after allotment or, except in the case of a transfer which the Company is for the time being entitled to refuse to register and does not register, after lodgment of a transfer with the Company.
20. (1) Upon every transfer of shares the certificate held by the transferor shall be given up to be cancelled, and shall forthwith be cancelled accordingly, and a new certificate shall be issued to the transferee in respect of the shares transferred to him at such fee as is provided in paragraph (2) of this Article. If any of the shares included in the certificate so given up shall be retained by the transferor a new certificate for the balance shall be issued to him at the aforesaid fee payable by the transferor to the Company in respect thereof.
 - (2) The fee referred to in paragraph (1) above shall be an amount not exceeding the relevant maximum amount as the Designated Stock Exchange may from time to time determine provided that the Board may at any time determine a lower amount for such fee.
21. If a share certificate shall be damaged or defaced or alleged to have been lost, stolen or destroyed a new certificate representing the same shares may be issued to the relevant Member upon request and on payment of such fee as the Designated Stock Exchange may determine to be the maximum fee payable or such lesser sum as the Board may determine and, subject to compliance with such terms (if any) as to evidence and indemnity and to payment of the costs and reasonable out-of-pocket expenses of the Company in investigating such evidence and preparing such indemnity as the Board may think fit and, in case of damage or defacement, on delivery of the old certificate to the Company provided always that where share warrants have been issued, no new share warrant shall be issued to replace one that has been lost unless the Directors are satisfied beyond reasonable doubt that the original has been destroyed.

LIEN

22. The Company shall have a first and paramount lien on every share (not being a fully paid share) for all moneys (whether presently payable or not) called or payable at a fixed time in respect of that share. The Company shall also have a first and paramount lien on every share (not being a fully paid share) registered in the name of a Member (whether or not jointly with other Members) for all amounts of money presently payable by such Member or his estate to the Company whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person other than such Member, and whether the period for the payment or discharge of the same shall have actually arrived or not, and notwithstanding that the same are joint debts or liabilities of

such Member or his estate and any other person, whether a Member or not. The Company's lien on a share shall extend to all dividends or other moneys payable thereon or in respect thereof. The Board may at any time, generally or in any particular case, waive any lien that has arisen or declare any share exempt in whole or in part, from the provisions of this Article.

23. Subject to these Articles, the Company may sell in such manner as the Board determines any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable, or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged nor until the expiration of fourteen (14) clear days after a Notice in writing, stating and demanding payment of the sum presently payable, or specifying the liability or engagement and demanding fulfilment or discharge thereof and giving Notice of the intention to sell in default, has been served on the registered holder for the time being of the share or the person entitled thereto by reason of his death or bankruptcy.
24. The net proceeds of the sale shall be received by the Company and applied in or towards payment or discharge of the debt or liability in respect of which the lien exists, so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the share prior to the sale) be paid to the person entitled to the share at the time of the sale. To give effect to any such sale the Board may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares so transferred and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale.

CALLS ON SHARES

25. Subject to these Articles and to the terms of allotment, the Board may from time to time make calls upon the Members in respect of any moneys unpaid on their shares (whether on account of the nominal value of the shares or by way of premium), and each Member shall (subject to being given at least fourteen (14) clear days' Notice specifying the time and place of payment) pay to the Company as required by such Notice the amount called on his shares. A call may be extended, postponed or revoked in whole or in part as the Board determines but no Member shall be entitled to any such extension, postponement or revocation except as a matter of grace and favour.
26. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be made payable either in one lump sum or by instalments.
27. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made. The joint holders of a share shall be jointly and severally liable to pay all calls and instalments due in respect thereof or other moneys due in respect thereof.

28. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the amount unpaid from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board may determine, but the Board may in its absolute discretion waive payment of such interest wholly or in part.
29. No Member shall be entitled to receive any dividend or bonus or to be present and vote (save as proxy for another Member) at any general meeting either personally or by proxy, or be reckoned in a quorum, or exercise any other privilege as a Member until all calls or instalments due by him to the Company, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid.
30. On the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the Member sued is entered in the Register as the holder, or one of the holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book, and that notice of such call was duly given to the Member sued, in pursuance of these Articles; and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.
31. Any amount payable in respect of a share upon allotment or at any fixed date, whether in respect of nominal value or premium or as an instalment of a call, shall be deemed to be a call duly made and payable on the date fixed for payment and if it is not paid the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call duly made and notified.
32. On the issue of shares the Board may differentiate between the allottees or holders as to the amount of calls to be paid and the times of payment.
33. The Board may, if it thinks fit, receive from any Member willing to advance the same, and either in money or money's worth, all or any part of the moneys uncalled and unpaid or instalments payable upon any shares held by him and upon all or any of the moneys so advanced (until the same would, but for such advance, become presently payable) pay interest at such rate (if any) as the Board may decide. The Board may at any time repay the amount so advanced upon giving to such Member not less than one (1) month's Notice of its intention in that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the shares in respect of which it was advanced. Such payment in advance shall not entitle the holder of such share or shares to participate in respect thereof in a dividend subsequently declared.

FORFEITURE OF SHARES

34. (1) If a call remains unpaid after it has become due and payable the Board may give to the person from whom it is due not less than fourteen (14) clear days' Notice:
- (a) requiring payment of the amount unpaid together with any interest which may have accrued and which may still accrue up to the date of actual payment; and
 - (b) stating that if the Notice is not complied with the shares on which the call was made will be liable to be forfeited.
- (2) If the requirements of any such Notice are not complied with, any share in respect of which such Notice has been given may at any time thereafter, before payment of all calls and interest due in respect thereof has been made, be forfeited by a resolution of the Board to that effect, and such forfeiture shall include all dividends and bonuses declared in respect of the forfeited share but not actually paid before the forfeiture.
35. When any share has been forfeited, Notice of the forfeiture shall be served upon the person who was before forfeiture the holder of the share. No forfeiture shall be invalidated by any omission or neglect to give such Notice.
36. The Board may accept the surrender of any share liable to be forfeited hereunder and, in such case, references in these Articles to forfeiture will include surrender.
37. Any share so forfeited shall be deemed the property of the Company and may be sold, re-allotted or otherwise disposed of to such person, upon such terms and in such manner as the Board determines, and at any time before a sale, re-allotment or disposition the forfeiture may be annulled by the Board on such terms as the Board determines.
38. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares but nevertheless shall remain liable to pay the Company all moneys which at the date of forfeiture were presently payable by him to the Company in respect of the shares, with (if the Directors shall in their discretion so require) interest thereon from the date of forfeiture until payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board determines. The Board may enforce payment thereof if it thinks fit, and without any deduction or allowance for the value of the forfeited shares, at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares. For the purposes of this Article any sum which, by the terms of issue of a share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the share or by way of premium, shall notwithstanding that time has not yet arrived be deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.

39. A declaration by a Director or the Secretary that a share has been forfeited on a specified date shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share, and such declaration shall (subject to the execution of an instrument of transfer by the Company if necessary) constitute a good title to the share, and the person to whom the share is disposed of shall be registered as the holder of the share and shall not be bound to see to the application of the consideration (if any), nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the forfeiture, sale or disposal of the share. When any share shall have been forfeited, notice of the declaration shall be given to the Member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.
40. Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any shares so forfeited shall have been sold, re-allotted or otherwise disposed of, permit the shares forfeited to be bought back upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as it thinks fit.
41. The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.
42. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

REGISTER OF MEMBERS

43. (1) The Company shall keep in one or more books a Register of its Members and shall enter therein the following particulars, that is to say:
- (a) the name and address of each Member, the number and class of shares held by him and the amount paid or agreed to be considered as paid on such shares;
 - (b) the date on which each person was entered in the Register; and
 - (c) the date on which any person ceased to be a Member.
- (2) The Company may keep an overseas or local or other branch register of Members resident in any place, and the Board may make and vary such regulations as it determines in respect of the keeping of any such register and maintaining a Registration Office in connection therewith.

44. The Register and branch register of Members maintained in Hong Kong, as the case may be, shall be open to inspection for at least two (2) hours during business hours by Members without charge or by any other person, upon a maximum payment of \$2.50 or such lesser sum specified by the Board, at the Office or such other place at which the Register is kept in accordance with the Act or, if appropriate, upon a maximum payment of \$1.00 or such lesser sum specified by the Board at the Registration Office. The Register including any overseas or local or other branch register of Members may, after notice has been given by advertisement in an appointed newspaper or any other newspapers in accordance with the requirements of any Designated Stock Exchange or by any electronic means in such manner as may be accepted by the Designated Stock Exchange to that effect, be closed at such times or for such periods not exceeding in the whole thirty (30) days in each year as the Board may determine and either generally or in respect of any class of shares. The period of thirty (30) days may be extended for a further period or periods not exceeding thirty (30) days in respect of any year if approved by the Members by ordinary resolution.

RECORD DATES

45. Subject to the Listing Rules, notwithstanding any other provision of these Articles the Company or the Directors may fix any date as the record date for:
- (a) determining the Members entitled to receive any dividend, distribution, allotment or issue;
 - (b) determining the Members entitled to receive Notice of and to vote at any general meeting of the Company.

TRANSFER OF SHARES

46. (1) Subject to these Articles, any Member may transfer all or any of his shares by an instrument of transfer in the usual or common form or in a form prescribed by the Designated Stock Exchange or in any other form approved by the Board and may be under hand or, if the transferor or transferee is a clearing house or its nominee(s), by hand or by machine imprinted signature or by such other manner of execution as the Board may approve from time to time.
- (2) Notwithstanding the provisions of subparagraph (1) above, for so long as any shares are listed on the Designated Stock Exchange, titles to such listed shares may be evidenced and transferred in accordance with the laws applicable to and the Listing Rules that are or shall be applicable to such listed shares. The register of members of the Company in respect of its listed shares (whether the Register or a branch register) may be kept by recording the particulars required by Section 40 of the Act in a form otherwise than legible if such recording otherwise complies with the laws applicable to and the Listing Rules that are or shall be applicable to such listed shares.

47. The instrument of transfer shall be executed by or on behalf of the transferor and the transferee provided that the Board may dispense with the execution of the instrument of transfer by the transferee in any case which it thinks fit in its discretion to do so. Without prejudice to the last preceding Article, the Board may also resolve, either generally or in any particular case, upon request by either the transferor or transferee, to accept mechanically executed transfers. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. Nothing in these Articles shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person.
48. (1) The Board may, in its absolute discretion, and without giving any reason therefor, refuse to register a transfer of any share (not being a fully paid up share) to a person of whom it does not approve, or any share issued under any share incentive scheme for employees upon which a restriction on transfer imposed thereby still subsists, and it may also, without prejudice to the foregoing generality, refuse to register a transfer of any share to more than four (4) joint holders or a transfer of any share (not being a fully paid up share) on which the Company has a lien.
- (2) No transfer shall be made to an infant or to a person of unsound mind or under other legal disability.
- (3) The Board in so far as permitted by any applicable law may, in its absolute discretion, at any time and from time to time transfer any share upon the Register to any branch register or any share on any branch register to the Register or any other branch register. In the event of any such transfer, the shareholder requesting such transfer shall bear the cost of effecting the transfer unless the Board otherwise determines.
- (4) Unless the Board otherwise agrees (which agreement may be on such terms and subject to such conditions as the Board in its absolute discretion may from time to time determine, and which agreement the Board shall, without giving any reason therefor, be entitled in its absolute discretion to give or withhold), no shares upon the Register shall be transferred to any branch register nor shall shares on any branch register be transferred to the Register or any other branch register and all transfers and other documents of title shall be lodged for registration, and registered, in the case of any shares on a branch register, at the relevant Registration Office, and, in the case of any shares on the Register, at the Office or such other place at which the Register is kept in accordance with the Act.
49. Without limiting the generality of the last preceding Article, the Board may decline to recognise any instrument of transfer unless:
- (a) a fee of such maximum sum as the Designated Stock Exchange may determine to be payable or such lesser sum as the Board may from time to time require is paid to the Company in respect thereof;
- (b) the instrument of transfer is in respect of only one class of share;

- (c) the instrument of transfer is lodged at the Office or such other place at which the Register is kept in accordance with the Act or the Registration Office (as the case may be) accompanied by the relevant share certificate(s) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do); and
 - (d) if applicable, the instrument of transfer is duly and properly stamped.
50. If the Board refuses to register a transfer of any share, it shall, within two (2) months after the date on which the transfer was lodged with the Company, send to each of the transferor and transferee notice of the refusal.
51. The registration of transfers of shares or of any class of shares may, after notice has been given by announcement or by electronic communication or by advertisement in any newspapers or by any other means in accordance with the requirements of any Designated Stock Exchange or in such manner as may be accepted by any Designated Stock Exchange to that effect be suspended at such times and for such periods (not exceeding in the whole thirty (30) days in any year) as the Board may determine. The period of thirty (30) days may be extended for a further period or periods not exceeding thirty (30) days in respect of any year if approved by the Members by ordinary resolution.

TRANSMISSION OF SHARES

52. If a Member dies, the survivor or survivors where the deceased was a joint holder, and his legal personal representatives where he was a sole or only surviving holder, will be the only persons recognised by the Company as having any title to his interest in the shares; but nothing in this Article will release the estate of a deceased Member (whether sole or joint) from any liability in respect of any share which had been solely or jointly held by him.
53. Any person becoming entitled to a share in consequence of the death or bankruptcy or winding-up of a Member may, upon such evidence as to his title being produced as may be required by the Board, elect either to become the holder of the share or to have some person nominated by him registered as the transferee thereof. If he elects to become the holder he shall notify the Company in writing either at the Registration Office or Office, as the case may be, to that effect. If he elects to have another person registered he shall execute a transfer of the share in favour of that person. The provisions of these Articles relating to the transfer and registration of transfers of shares shall apply to such notice or transfer as aforesaid as if the death or bankruptcy of the Member had not occurred and the notice or transfer were a transfer signed by such Member.
54. A person becoming entitled to a share by reason of the death or bankruptcy or winding-up of a Member shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in

respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Article 72(2) being met, such a person may vote at meetings.

UNTRACEABLE MEMBERS

55. (1) Without prejudice to the rights of the Company under paragraph (2) of this Article, the Company may cease sending cheques for dividend entitlements or dividend warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions. However, the Company may exercise the power to cease sending cheques for dividend entitlements or dividend warrants after the first occasion on which such a cheque or warrant is returned undelivered.
- (2) The Company shall have the power to sell, in such manner as the Board thinks fit, any shares of a Member who is untraceable, but no such sale shall be made unless:
- (a) all cheques or warrants in respect of dividends of the shares in question, being not less than three in total number, for any sum payable in cash to the holder of such shares in respect of them sent during the relevant period in the manner authorised by the Articles have remained uncashed;
 - (b) so far as it is aware at the end of the relevant period, the Company has not at any time during the relevant period received any indication of the existence of the Member who is the holder of such shares or of a person entitled to such shares by death, bankruptcy or operation of law; and
 - (c) the Company, if so required by the Listing Rules, has given notice of its intention to sell such shares to, and caused advertisement both in daily newspaper and in a newspaper circulating in the area of the last known address of such Member or any person entitled to the share under Article 54 and where applicable, in each case in accordance with the requirements of, the Designated Stock Exchange, and a period of three (3) months or such shorter period as may be allowed by the Designated Stock Exchange has elapsed since the date of such advertisement.

For the purpose of the foregoing, the “relevant period” means the period commencing twelve (12) years before the date of publication of the advertisement referred to in paragraph (c) of this Article and ending at the expiry of the period referred to in that paragraph.

- (3) To give effect to any such sale the Board may authorise some person to transfer the said shares and an instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such net proceeds it shall become

indebted to the former Member for an amount equal to such net proceeds. No trust shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Article shall be valid and effective notwithstanding that the Member holding the shares sold is dead, bankrupt or otherwise under any legal disability or incapacity.

GENERAL MEETINGS

56. An annual general meeting of the Company shall be held in each financial year other than the financial year of the Company's adoption of these Articles and such annual general meeting must be held within six (6) months after the end of the Company's financial year (unless a longer period would not infringe the Listing Rules, if any).
57. Each general meeting, other than an annual general meeting, shall be called an extraordinary general meeting. All general meetings (including an annual general meeting, any adjourned meeting or postponed meeting) may be held as a physical meeting in any part of the world and at one or more locations as provided in Article 64A, as a hybrid meeting or as an electronic meeting, as may be determined by the Board in its absolute discretion.
58. The Board may whenever it thinks fit call extraordinary general meetings. Any one or more Member(s) holding at the date of deposit of the requisition not less than one-tenth of the paid up capital of the Company carrying the right of voting at general meetings of the Company, on a one vote per share basis, shall at all times have the right, by written requisition to the Board or the Secretary of the Company, to require an extraordinary general meeting to be called by the Board for the transaction of any business or resolution specified in such requisition; and such meeting shall be held within two (2) months after the deposit of such requisition. If within twenty-one (21) days of such deposit the Board fails to proceed to convene such meeting the requisitionist(s) himself (themselves) may convene a physical meeting at only one location which will be the Principal Meeting Place, and all reasonable expenses incurred by the requisitionist(s) as a result of the failure of the Board shall be reimbursed to the requisitionist(s) by the Company.

NOTICE OF GENERAL MEETINGS

59. (1) An annual general meeting must be called by Notice of not less than twenty-one (21) clear days. All other general meetings (including an extraordinary general meeting) must be called by Notice of not less than fourteen (14) clear days but if permitted by the Listing Rules, a general meeting may be called by shorter notice, subject to the Act, if it is so agreed:
 - (a) in the case of a meeting called as an annual general meeting, by all the Members entitled to attend and vote thereat; and

- (b) in the case of any other meeting, by a majority in number of the Members having the right to attend and vote at the meeting, being a majority together representing not less than ninety-five per cent. (95%) of the total voting rights at the meeting of all the Members.
- (2) The Notice shall specify (a) the time and date of the meeting, (b) save for an electronic meeting, the place of the meeting and if there is more than one meeting location as determined by the Board pursuant to Article 64A, the principal place of the meeting (the “**Principal Meeting Place**”), (c) if the general meeting is to be a hybrid meeting or an electronic meeting, the Notice shall include a statement to that effect and with details of the electronic facilities for attendance and participation by electronic means at the meeting or where such details will be made available by the Company prior to the meeting, and (d) particulars of resolutions to be considered at the meeting. The Notice convening an annual general meeting shall specify the meeting as such. Notice of every general meeting shall be given to all Members other than to such Members as, under the provisions of these Articles or the terms of issue of the shares they hold, are not entitled to receive such Notices from the Company, to all persons entitled to a share in consequence of the death or bankruptcy or winding-up of a Member and to each of the Directors and the Auditors.
60. The accidental omission to give Notice of a meeting or (in cases where instruments of proxy are sent out with the Notice) to send such instrument of proxy to, or the non-receipt of such Notice or such instrument of proxy by, any person entitled to receive such Notice shall not invalidate any resolution passed or the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS

61. (1) All business shall be deemed special that is transacted at an extraordinary general meeting, and also all business that is transacted at an annual general meeting, with the exception of:
- (a) the declaration and sanctioning of dividends;
 - (b) consideration and adoption of the accounts and balance sheet and the reports of the Directors and Auditors and other documents required to be annexed to the balance sheet;
 - (c) the election of Directors whether by rotation or otherwise in the place of those retiring;
 - (d) appointment of Auditors (where special notice of the intention for such appointment is not required by the Act) and other officers; and
 - (e) the fixing of the remuneration of the Auditors, and the voting of remuneration or extra remuneration to the Directors.

- (2) No business other than the appointment of a chairman of a meeting shall be transacted at any general meeting unless a quorum is present at the commencement of the business. Two (2) Members entitled to vote and present in person or by proxy or, for quorum purposes only, two persons appointed by the clearing house as authorised representative or proxy shall form a quorum for all purposes.
62. If within thirty (30) minutes (or such longer time not exceeding one hour as the chairman of the meeting may determine to wait) after the time appointed for the meeting a quorum is not present, the meeting, if convened on the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week at the same time and (where applicable) same place(s) or to such time and (where applicable) such place(s) and in such form and manner referred to in Article 57 as the chairman of the meeting (or in default, the Board) may absolutely determine. If at such adjourned meeting a quorum is not present within half an hour from the time appointed for holding the meeting, the meeting shall be dissolved.
63. (1) The chairman of the Company or if there is more than one chairman, any one of them as may be agreed amongst themselves or failing such agreement, any one of them elected by all the Directors present shall preside as chairman at a general meeting. If at any meeting no chairman is present within fifteen (15) minutes after the time appointed for holding the meeting, or is willing to act as chairman, the deputy chairman of the Company or if there is more than one deputy chairman, any one of them as may be agreed amongst themselves or failing such agreement, any one of them elected by all the Directors present shall preside as chairman. If no chairman or deputy chairman is present or is willing to act as chairman of the meeting, the Directors present shall choose one of their number to act, or if one Director only is present he shall preside as chairman if willing to act. If no Director is present, or if each of the Directors present declines to take the chair, or if the chairman chosen shall retire from the chair, the Members present in person or by proxy and entitled to vote shall elect one of their number to be chairman of the meeting.
- (2) If the chairman of a general meeting is participating in the general meeting using an electronic facility or facilities and becomes unable to participate in the general meeting using such electronic facility or facilities, another person (determined in accordance with Article 63(1) above) shall preside as chairman of the meeting unless and until the original chairman of the meeting is able to participate in the general meeting using the electronic facility or facilities.
64. Subject to Article 64C, the chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time (or indefinitely) and/or from place to place(s) and/or from one form to another (a physical meeting, a hybrid meeting or an electronic meeting) as the meeting shall determine, but no business shall be transacted at any adjourned meeting other than the business which might lawfully have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for fourteen (14) days or more, at least seven (7) clear days' Notice of the adjourned meeting shall be given specifying the details

set out in Article 59(2) but it shall not be necessary to specify in such Notice the nature of the business to be transacted at the adjourned meeting and the general nature of the business to be transacted. Save as aforesaid, it shall be unnecessary to give Notice of an adjournment.

- 64A.(1) The Board may, at its absolute discretion, arrange for persons entitled to attend a general meeting to do so by simultaneous attendance and participation by means of electronic facilities at such location or locations (“**Meeting Location(s)**”) determined by the Board at its absolute discretion. Any Member or any proxy attending and participating in such way or any Member or proxy attending and participating in an electronic meeting or a hybrid meeting by means of electronic facilities is deemed to be present at and shall be counted in the quorum of the meeting.
- (2) All general meetings are subject to the following and, where appropriate, all references to a “Member” or “Members” in this sub-paragraph (2) shall include a proxy or proxies respectively:
- (a) where a Member is attending a Meeting Location and/or in the case of a hybrid meeting, the meeting shall be treated as having commenced if it has commenced at the Principal Meeting Place;
 - (b) Members present in person or by proxy at a Meeting Location and/or Members attending and participating in an electronic meeting or a hybrid meeting by means of electronic facilities shall be counted in the quorum for and entitled to vote at the meeting in question, and that meeting shall be duly constituted and its proceedings valid provided that the chairman of the meeting is satisfied that adequate electronic facilities are available throughout the meeting to ensure that Members at all Meeting Locations and Members participating in an electronic meeting or a hybrid meeting by means of electronic facilities are able to participate in the business for which the meeting has been convened;
 - (c) where Members attend a meeting by being present at one of the Meeting Locations and/or where Members participating in an electronic meeting or a hybrid meeting by means of electronic facilities, a failure (for any reason) of the electronic facilities or communication equipment, or any other failure in the arrangements for enabling those in a Meeting Location other than the Principal Meeting Place to participate in the business for which the meeting has been convened or in the case of an electronic meeting or a hybrid meeting, the inability of one or more Members or proxies to access, or continue to access, the electronic facilities despite adequate electronic facilities having been made available by the Company, shall not affect the validity of the meeting or the resolutions passed, or any business conducted thereat or any action taken pursuant to such business provided that there is a quorum present throughout the meeting; and

- (d) if any of the Meeting Locations is not in the same jurisdiction as the Principal Meeting Place and/or in the case of a hybrid meeting, the provisions of these Articles concerning the service and giving of Notice for the meeting, and the time for lodging proxies, shall apply by reference to the Principal Meeting Place; and in the case of an electronic meeting, the time for lodging proxies shall be as stated in the Notice for the meeting.

64B. The Board and, at any general meeting, the chairman of the meeting may from time to time make arrangements for managing attendance and/or participation and/or voting at the Principal Meeting Place, any Meeting Location(s) and/or participation in an electronic meeting or a hybrid meeting by means of electronic facilities (whether involving the issue of tickets or some other means of identification, passcode, seat reservation, electronic voting or otherwise) as it shall in its absolute discretion consider appropriate, and may from time to time change any such arrangements, provided that a Member who, pursuant to such arrangements, is not entitled to attend, in person or by proxy, at any Meeting Location shall be entitled so to attend at one of the other Meeting Locations; and the entitlement of any Member so to attend the meeting or adjourned meeting or postponed meeting at such Meeting Location or Meeting Locations shall be subject to any such arrangement as may be for the time being in force and by the Notice of meeting or adjourned meeting or postponed meeting stated to apply to the meeting.

64C. If it appears to the chairman of the general meeting that:

- (a) the electronic facilities at the Principal Meeting Place or at such other Meeting Location(s) at which the meeting may be attended have become inadequate for the purposes referred to in Article 64A(1) or are otherwise not sufficient to allow the meeting to be conducted substantially in accordance with the provisions set out in the Notice of the meeting; or
- (b) in the case of an electronic meeting or a hybrid meeting, electronic facilities being made available by the Company have become inadequate; or
- (c) it is not possible to ascertain the view of those present or to give all persons entitled to do so a reasonable opportunity to communicate and/or vote at the meeting; or
- (d) there is violence or the threat of violence, unruly behaviour or other disruption occurring at the meeting or it is not possible to secure the proper and orderly conduct of the meeting;

then, without prejudice to any other power which the chairman of the meeting may have under these Articles or at common law, the chairman may, at his/her absolute discretion, without the consent of the meeting, and before or after the meeting has started and irrespective of whether a quorum is present, interrupt or adjourn the meeting (including adjournment for indefinite period). All business conducted at the meeting up to the time of such adjournment shall be valid.

64D. The Board and, at any general meeting, the chairman of the meeting may make any arrangement and impose any requirement or restriction the Board or the chairman of the meeting, as the case may be, considers appropriate to ensure the security and orderly conduct of a meeting (including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the searching of their personal property and the restriction of items that may be taken into the meeting place, determining the number and frequency of and the time allowed for questions that may be raised at a meeting). Members shall also comply with all requirements or restrictions imposed by the owner of the premises at which the meeting is held. Any decision made under this Article shall be final and conclusive and a person who refuses to comply with any such arrangements, requirements or restrictions may be refused entry to the meeting or ejected (physically or electronically) from the meeting.

64E. If, after the sending of Notice of a general meeting but before the meeting is held, or after the adjournment of a meeting but before the adjourned meeting is held (whether or not Notice of the adjourned meeting is required), the Directors, in their absolute discretion, consider that it is inappropriate, impracticable, unreasonable or undesirable for any reason to hold the general meeting on the date or at the time or place or by means of electronic facilities specified in the Notice calling the meeting, they may change or postpone the meeting to another date, time and/or place and/or change the electronic facilities and/or change the form of the meeting (a physical meeting, an electronic meeting or a hybrid meeting) without approval from the Members. Without prejudice to the generality of the foregoing, the Directors shall have the power to provide in every Notice calling a general meeting the circumstances in which a postponement of the relevant general meeting may occur automatically without further notice, including without limitation where a number 8 or higher typhoon signal, black rainstorm warning or other similar event is in force at any time on the day of the meeting. This Article shall be subject to the following:

- (a) when a meeting is so postponed, the Company shall endeavour to post a Notice of such postponement on the Company's website as soon as practicable (provided that failure to post such a Notice shall not affect the automatic postponement of a meeting);
- (b) when only the form of the meeting or electronic facilities specified in the Notice are changed, the Board shall notify the Members of details of such change in such manner as the Board may determine;
- (c) when a meeting is postponed or changed in accordance with this Article, subject to and without prejudice to Article 64, unless already specified in the original Notice of the meeting, the Board shall fix the date, time, place (if applicable) and electronic facilities (if applicable) for the postponed or changed meeting and shall notify the Members of such details in such manner as the Board may determine; further all proxy forms shall be valid (unless revoked or replaced by a new proxy) if they are received as required by these Articles not less than 48 hours before the time of the postponed meeting; and

- (d) Notice of the business to be transacted at the postponed or changed meeting shall not be required, nor shall any accompanying documents be required to be recirculated, provided that the business to be transacted at the postponed or changed meeting is the same as that set out in the original Notice of general meeting circulated to the Members.
- 64F. All persons seeking to attend and participate in an electronic meeting or a hybrid meeting shall be responsible for maintaining adequate facilities to enable them to do so. Subject to Article 64C, any inability of a person or persons to attend or participate in a general meeting by way of electronic facilities shall not invalidate the proceedings of and/or resolutions passed at that meeting.
- 64G. Without prejudice to other provisions in Article 64, a physical meeting may also be held by means of such telephone, electronic or other communication facilities as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting.
65. If an amendment is proposed to any resolution under consideration but is in good faith ruled out of order by the chairman of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a special resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

VOTING

66. (1) Subject to any special rights or restrictions as to voting for the time being attached to any shares by or in accordance with these Articles, at any general meeting on a poll every Member present in person or by proxy shall have one vote for every fully paid share of which he is the holder but so that no amount paid up or credited as paid up on a share in advance of calls or instalments is treated for the foregoing purposes as paid up on the share. A resolution put to the vote of a meeting shall be decided by way of a poll save that in the case of a physical meeting, the chairman of the meeting may in good faith, allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands in which case every Member present in person or by proxy(ies) shall have one vote provided that where more than one proxy is appointed by a Member which is a clearing house (or its nominee(s)), each such proxy shall have one vote on a show of hands. For purposes of this Article, procedural and administrative matters are those that (i) are not on the agenda of the general meeting or in any supplementary circular that may be issued by the Company to its Members; and (ii) relate to the chairman's duties to maintain the orderly conduct of the meeting and/or allow the business of the meeting to be properly and effectively dealt with, whilst allowing all Members a reasonable opportunity to express their views. Votes (whether on a show of hands or by way of poll) may be cast by such means, electronic or otherwise, as the Directors or the chairman of the meeting may determine.

- (2) In the case of a physical meeting where a show of hands is allowed, before or on the declaration of the result of the show of hands, a poll may be demanded:
- (a) by at least three Members present in person or by proxy for the time being entitled to vote at the meeting; or
 - (b) by a Member or Members present in person or by proxy and representing not less than one-tenth of the total voting rights of all Members having the right to vote at the meeting; or
 - (c) by a Member or Members present in person or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all shares conferring that right.

A demand by a person as proxy for a Member shall be deemed to be the same as a demand by the Member.

67. Where a resolution is voted on by a show of hands, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company, shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded for or against the resolution. The result of the poll shall be deemed to be the resolution of the meeting. The Company shall only be required to disclose the voting figures on a poll if such disclosure is required by the Listing Rules.
68. On a poll votes may be given either personally or by proxy.
69. A person entitled to more than one vote on a poll need not use all his votes or cast all the votes he uses in the same way.
70. All questions submitted to a meeting shall be decided by a simple majority of votes except where a greater majority is required by these Articles or by the Act. In the case of an equality of votes, the chairman of such meeting shall be entitled to a second or casting vote in addition to any other vote he may have.
71. Where there are joint holders of any share any one of such joint holders may vote, either in person or by proxy, in respect of such share as if he were solely entitled thereto, but if more than one of such joint holders be present at any meeting the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purposes of this Article be deemed joint holders thereof.

72. (1) A Member who is a patient for any purpose relating to mental health or in respect of whom an order has been made by any court having jurisdiction for the protection or management of the affairs of persons incapable of managing their own affairs may vote, by his receiver, committee, *curator bonis* or other person in the nature of a receiver, committee or *curator bonis* appointed by such court, and such receiver, committee, *curator bonis* or other person may vote by proxy, and may otherwise act and be treated as if he were the registered holder of such shares for the purposes of general meetings, provided that such evidence as the Board may require of the authority of the person claiming to vote shall have been deposited at the Office, head office or Registration Office, as appropriate, not less than forty-eight (48) hours before the time appointed for holding the meeting, or adjourned meeting, or postponed meeting, as the case may be.
- (2) Any person entitled under Article 53 to be registered as the holder of any shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that forty-eight (48) hours at least before the time of the holding of the meeting or adjourned meeting or postponed meeting, as the case may be, at which he proposes to vote, he shall satisfy the Board of his entitlement to such shares, or the Board shall have previously admitted his right to vote at such meeting in respect thereof.
73. (1) No Member shall, unless the Board otherwise determines, be entitled to attend and vote and to be reckoned in a quorum at any general meeting unless he is duly registered and all calls or other sums presently payable by him in respect of shares in the Company have been paid.
- (2) All members shall have the right to (a) speak at a general meeting; and (b) vote at a general meeting except where a Member is required, by the Listing Rules, to abstain from voting to approve the matter under consideration.
- (3) Where the Company has knowledge that any Member is, under the Listing Rules, required to abstain from voting on any particular resolution of the Company or restricted to voting only for or only against any particular resolution of the Company, any votes cast by or on behalf of such Member in contravention of such requirement or restriction shall not be counted.
74. If:
- (a) any objection shall be raised to the qualification of any voter; or
- (b) any votes have been counted which ought not to have been counted or which might have been rejected; or
- (c) any votes are not counted which ought to have been counted;

the objection or error shall not vitiate the decision of the meeting or adjourned meeting or postponed meeting on any resolution unless the same is raised or pointed out at the meeting or, as the case may be, the adjourned meeting or postponed meeting at which the

vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the chairman decides that the same may have affected the decision of the meeting. The decision of the chairman on such matters shall be final and conclusive.

PROXIES

75. Any Member entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person as his proxy to attend and vote instead of him. A Member who is the holder of two or more shares may appoint more than one proxy to represent him and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy need not be a Member. In addition, a proxy or proxies representing either a Member who is an individual or a Member which is a corporation shall be entitled to exercise the same powers on behalf of the Member which he or they represent as such Member could exercise.
76. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing or, if the appointor is a corporation, either under its seal or under the hand of an officer, attorney or other person authorised to sign the same. In the case of an instrument of proxy purporting to be signed on behalf of a corporation by an officer thereof it shall be assumed, unless the contrary appears, that such officer was duly authorised to sign such instrument of proxy on behalf of the corporation without further evidence of the facts.
77. (1) The Company may, at its absolute discretion, provide an electronic address for the receipt of any document or information relating to proxies for a general meeting (including any instrument of proxy or invitation to appoint a proxy, any document necessary to show the validity of, or otherwise relating to, an appointment of proxy (whether or not required under these Articles) and notice of termination of the authority of a proxy). If such an electronic address is provided, the Company shall be deemed to have agreed that any such document or information (relating to proxies as aforesaid) may be sent by electronic means to that address, subject as hereafter provided and subject to any other limitations or conditions specified by the Company when providing the address. Without limitation, the Company may from time to time determine that any such electronic address may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses for different purposes. The Company may also impose any conditions on the transmission of and its receipt of such electronic communications including, for the avoidance of doubt, imposing any security or encryption arrangements as may be specified by the Company. If any document or information required to be sent to the Company under this Article is sent to the Company by electronic means, such document or information is not treated as validly delivered to or deposited with the Company if the same is not received by the Company at its designated electronic address provided in accordance with this Article or if no electronic address is so designated by the Company for the receipt of such document or information.

- (2) The instrument appointing a proxy and (if required by the Board) the power of attorney or other authority (if any) under which it is signed, or a certified copy of such power or authority, shall be delivered to such place or one of such places (if any) as may be specified for that purpose in or by way of note to or in any document accompanying the Notice convening the meeting (or, if no place is so specified at the Registration Office or the Office, as may be appropriate), or if the Company has provided an electronic address in accordance with the preceding paragraph, shall be received at the electronic address specified, not less than forty-eight (48) hours before the time appointed for holding the meeting or adjourned meeting or postponed meeting at which the person named in the instrument proposes to vote. No instrument appointing a proxy shall be valid after the expiration of twelve (12) months from the date named in it as the date of its execution, except at an adjourned meeting or postponed meeting in cases where the meeting was originally held within twelve (12) months from such date. Delivery of an instrument appointing a proxy shall not preclude a Member from attending and voting at the meeting convened and in such event, the instrument appointing a proxy shall be deemed to be revoked.
78. Instruments of proxy shall be in any common form or in such other form as the Board may approve (provided that this shall not preclude the use of the two-way form) and the Board may, if it thinks fit, send out with the Notice of any meeting forms of instrument of proxy for use at the meeting. The instrument of proxy shall be deemed to confer authority to vote on any amendment of a resolution put to the meeting for which it is given as the proxy thinks fit. The instrument of proxy shall, unless the contrary is stated therein, be valid as well for any adjournment or postponement of the meeting as for the meeting to which it relates. The Board may decide, either generally or in any particular case, to treat a proxy appointment as valid notwithstanding that the appointment or any of the information required under these Articles has not been received in accordance with the requirements of these Articles. Subject to aforesaid, if the proxy appointment and any of the information required under these Articles is not received in the manner set out in these Articles, the appointee shall not be entitled to vote in respect of the shares in question.
79. A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal, or revocation of the instrument of proxy or of the authority under which it was executed, provided that no intimation in writing of such death, insanity or revocation shall have been received by the Company at the Office or the Registration Office (or such other place as may be specified for the delivery of instruments of proxy in the Notice convening the meeting or other document sent therewith) two (2) hours at least before the commencement of the meeting or adjourned meeting or postponed meeting, at which the instrument of proxy is used.
80. Anything which under these Articles a Member may do by proxy he may likewise do by his duly appointed attorney and the provisions of these Articles relating to proxies and instruments appointing proxies shall apply *mutatis mutandis* in relation to any such attorney and the instrument under which such attorney is appointed.

CORPORATIONS ACTING BY REPRESENTATIVES

81. (1) Any corporation which is a Member may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Company or at any meeting of any class of Members. The person so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise if it were an individual Member and such corporation shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present thereat.
- (2) If a clearing house (or its nominee(s)), being a corporation, is a Member, it may authorise such persons as it thinks fit to act as its representatives at any meeting of the Company or at any meeting of any class of Members provided that, if more than one person is so authorised, the authorisation shall specify the number and class of shares in respect of which each such representative is so authorised. Each person so authorised under the provisions of this Article shall be deemed to have been duly authorised without further evidence of the facts and be entitled to exercise the same rights and powers on behalf of the clearing house (or its nominee(s)) as if such person was the registered holder of the shares of the Company held by the clearing house (or its nominee(s)) including the right to speak and to vote and, where a show of hands is allowed, the right to vote individually on a show of hands.
- (3) Any reference in these Articles to a duly authorised representative of a Member being a corporation shall mean a representative authorised under the provisions of this Article.

WRITTEN RESOLUTIONS OF MEMBERS

82. A resolution in writing signed (in such manner as to indicate, expressly or impliedly, unconditional approval) by or on behalf of all persons for the time being entitled to receive Notice of and to attend and vote at general meetings of the Company shall, for the purposes of these Articles, be treated as a resolution duly passed at a general meeting of the Company and, where relevant, as a special resolution so passed. Any such resolution shall be deemed to have been passed at a meeting held on the date on which it was signed by the last Member to sign, and where the resolution states a date as being the date of his signature thereof by any Member the statement shall be prima facie evidence that it was signed by him on that date. Such a resolution may consist of several documents in the like form, each signed by one or more relevant Members.

BOARD OF DIRECTORS

83. (1) Unless otherwise determined by the Company in general meeting, the number of Directors shall not be less than two (2). There shall be no maximum number of Directors unless otherwise determined from time to time by the Members in general meeting. The Directors shall be elected or appointed in the first place by the subscribers to the Memorandum of Association or by a majority of them and thereafter in accordance with Article 84 called for such purpose and who shall hold

office for such term as the Members may determine or, in the absence of such determination, in accordance with Article 84 or until their successors are elected or appointed or their office is otherwise vacated.

- (2) Subject to the Articles and the Act, the Company may by ordinary resolution elect any person to be a Director either to fill a casual vacancy on the Board, or as an addition to the existing Board.
- (3) The Directors shall have the power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy on the Board or as an addition to the existing Board. Any Director so appointed shall hold office only until the first annual general meeting of the Company after his appointment and shall then be eligible for re-election.
- (4) Neither a Director nor an alternate Director shall be required to hold any shares of the Company by way of qualification and a Director or alternate Director (as the case may be) who is not a Member shall be entitled to receive Notice of and to attend and speak at any general meeting of the Company and of all classes of shares of the Company.
- (5) The Members may, at any general meeting convened and held in accordance with these Articles, by ordinary resolution remove a Director (including a managing or other executive Director) at any time before the expiration of his term of office notwithstanding anything to the contrary in these Articles or in any agreement between the Company and such Director (but without prejudice to any claim for damages under any such agreement).
- (6) A vacancy on the Board created by the removal of a Director under the provisions of subparagraph (5) above may be filled by the election or appointment by ordinary resolution of the Members at the meeting at which such Director is removed.
- (7) The Company may from time to time in general meeting by ordinary resolution increase or reduce the number of Directors but so that the number of Directors shall never be less than two (2).

RETIREMENT OF DIRECTORS

84. (1) Notwithstanding any other provisions in the Articles, at each annual general meeting one-third of the Directors for the time being (or, if their number is not a multiple of three (3), the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at an annual general meeting at least once every three years.
- (2) A retiring Director shall be eligible for re-election and shall continue to act as a Director throughout the meeting at which he retires. The Directors to retire by rotation shall include (so far as necessary to ascertain the number of directors to retire by rotation) any Director who wishes to retire and not to offer himself for re-election. Any further Directors so to retire shall be those of the other Directors

subject to retirement by rotation who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot. Any Director appointed by the Board pursuant to Article 83(3) shall not be taken into account in determining which particular Directors or the number of Directors who are to retire by rotation.

85. No person other than a Director retiring at the meeting shall, unless recommended by the Directors for election, be eligible for election as a Director at any general meeting unless a Notice signed by a Member (other than the person to be proposed) duly qualified to attend and vote at the meeting for which such notice is given of his intention to propose such person for election and also a Notice signed by the person to be proposed of his willingness to be elected shall have been lodged at the head office or at the Registration Office provided that such Notices must be lodged with the Company at least fourteen (14) days prior to the date of the general meeting appointed for such election but no earlier than the day after despatch of the Notice of the general meeting appointed for such election.

DISQUALIFICATION OF DIRECTORS

86. The office of a Director shall be vacated if the Director:
- (1) resigns his office by notice in writing delivered to the Company at the Office or tendered at a meeting of the Board;
 - (2) becomes of unsound mind or dies;
 - (3) without special leave of absence from the Board, is absent from meetings of the Board for six consecutive months, and his alternate Director, if any, shall not during such period have attended in his stead and the Board resolves that his office be vacated;
 - (4) becomes bankrupt or has a receiving order made against him or suspends payment or compounds with his creditors;
 - (5) is prohibited by law from being a Director; or
 - (6) ceases to be a Director by virtue of any provision of the Statutes or is removed from office pursuant to these Articles.

EXECUTIVE DIRECTORS

87. The Board may from time to time appoint any one or more of its body to be a managing director, joint managing director or deputy managing director or to hold any other employment or executive office with the Company for such period (subject to their continuance as Directors) and upon such terms as the Board may determine and the Board may revoke or terminate any of such appointments. Any such revocation or termination as aforesaid shall be without prejudice to any claim for damages that such Director may have

against the Company or the Company may have against such Director. A Director appointed to an office under this Article shall be subject to the same provisions as to removal as the other Directors of the Company, and he shall (subject to the provisions of any contract between him and the Company) ipso facto and immediately cease to hold such office if he shall cease to hold the office of Director for any cause.

88. Notwithstanding Articles 93, 94, 95 and 96, an executive director appointed to an office under Article 87 hereof shall receive such remuneration (whether by way of salary, commission, participation in profits or otherwise or by all or any of those modes) and such other benefits (including pension and/or gratuity and/or other benefits on retirement) and allowances as the Board may from time to time determine, and either in addition to or in lieu of his remuneration as a Director.

ALTERNATE DIRECTORS

89. Any Director may at any time by Notice delivered to the Office or head office or at a meeting of the Directors appoint any person (including another Director) to be his alternate Director. Any person so appointed shall have all the rights and powers of the Director or Directors for whom such person is appointed in the alternative provided that such person shall not be counted more than once in determining whether or not a quorum is present. An alternate Director may be removed at any time by the body which appointed him and, subject thereto, the office of alternate Director shall continue until the happening of any event which, if he were a Director, would cause him to vacate such office or if his appointor ceases for any reason to be a Director. Any appointment or removal of an alternate Director shall be effected by Notice signed by the appointor and delivered to the Office or head office or tendered at a meeting of the Board. An alternate Director may also be a Director in his own right and may act as alternate to more than one Director. An alternate Director shall, if his appointor so requests, be entitled to receive notices of meetings of the Board or of committees of the Board to the same extent as, but in lieu of, the Director appointing him and shall be entitled to such extent to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to exercise and discharge all the functions, powers and duties of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of these Articles shall apply as if he were a Director save that as an alternate for more than one Director his voting rights shall be cumulative.
90. An alternate Director shall only be a Director for the purposes of the Act and shall only be subject to the provisions of the Act insofar as they relate to the duties and obligations of a Director when performing the functions of the Director for whom he is appointed in the alternative and shall alone be responsible to the Company for his acts and defaults and shall not be deemed to be the agent of or for the Director appointing him. An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified by the Company to the same extent *mutatis mutandis* as if he were a Director but he shall not be

entitled to receive from the Company any fee in his capacity as an alternate Director except only such part, if any, of the remuneration otherwise payable to his appointor as such appointor may by Notice to the Company from time to time direct.

91. Every person acting as an alternate Director shall have one vote for each Director for whom he acts as alternate (in addition to his own vote if he is also a Director). 139. Any dividend, interest or other sum payable in cash to the holder of shares may be paid by cheque or warrant sent through the post addressed to the holder at his registered address or, in the case of joint holders, addressed to the holder whose name stands first in the Register in respect of the shares at his address as appearing in the Register or addressed to such person and at such address as the holder or joint holders may in writing direct. Every such cheque or warrant shall, unless the holder or joint holders otherwise direct, be made payable to the order of the holder or, in the case of joint holders, to the order of the holder whose name stands first on the Register in respect of such shares, and shall be sent at his or their risk and payment of the cheque or warrant by the bank on which it is drawn shall constitute a good discharge to the Company notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Any one of two or more joint holders may give effectual receipts for any dividends or other moneys payable or property distributable in respect of the shares held by such joint holders.
140. All dividends or bonuses unclaimed for one (1) year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed. Any dividend or bonuses unclaimed after a period of six (6) years from the date of declaration shall be forfeited and shall revert to the Company. The payment by the Board of any unclaimed dividend or other sums payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.
141. Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared, the Board may further resolve that such dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of the Company or any other company, or in any one or more of such ways, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may issue certificates in respect of fractions of shares, disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend, and such appointment shall be effective and binding on the Members. The Board may resolve that no such assets shall be made available to Members with registered addresses in any particular territory or territories where, in the absence of a registration statement or other special formalities, such distribution of assets would or might, in the opinion of the Board, be unlawful or impracticable and in such event the only entitlement of the Members aforesaid shall be to

receive cash payments as aforesaid. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

142. (1) Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared on any class of the share capital of the Company, the Board may further resolve either:
- (a) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up, provided that the Members entitled thereto will be entitled to elect to receive such dividend (or part thereof if the Board so determines) in cash in lieu of such allotment. In such case, the following provisions shall apply:
 - (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (iv) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised ("the non-elected shares") and in satisfaction thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve (as defined below)) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the non-elected shares on such basis; or

- (b) that the Members entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit. In such case, the following provisions shall apply:
- (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (iv) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on shares in respect whereof the share election has been duly exercised ("the elected shares") and in lieu thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve (as defined below)) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the elected shares on such basis.
- (2) (a) The shares allotted pursuant to the provisions of paragraph (1) of this Article shall rank *pari passu* in all respects with shares of the same class (if any) then in issue save only as regards participation in the relevant dividend or in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Board of their proposal to apply the provisions of sub-paragraph (a) or (b) of paragraph (1) of this Article in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (1) of this Article shall rank for participation in such distribution, bonus or rights.
- (b) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (1) of this Article, with full power to the Board to make such provisions as it thinks fit in

the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Members concerned). The Board may authorise any person to enter into on behalf of all Members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.

- (3) The Company may upon the recommendation of the Board by ordinary resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (1) of this Article a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.
- (4) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (1) of this Article shall not be made available or made to any shareholders with registered addresses in any territory where, in the absence of a registration statement or other special formalities, the circulation of an offer of such rights of election or the allotment of shares would or might, in the opinion of the Board, be unlawful or impracticable, and in such event the provisions aforesaid shall be read and construed subject to such determination. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.
- (5) Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or distributable to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable or distributable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares. The provisions of this Article shall *mutatis mutandis* apply to bonuses, capitalisation issues, distributions of realised capital profits or offers or grants made by the Company to the Members.

RESERVES

143. (1) The Board shall establish an account to be called the share premium account and shall carry to the credit of such account from time to time a sum equal to the amount or value of the premium paid on the issue of any share in the Company. Unless otherwise provided by the provisions of these Articles, the Board may apply the share premium account in any manner permitted by the Act. The Company shall at all times comply with the provisions of the Act in relation to the share premium account.

- (2) Before recommending any dividend, the Board may set aside out of the profits of the Company such sums as it determines as reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may, also at such discretion, either be employed in the business of the Company or be invested in such investments as the Board may from time to time think fit and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute.

CAPITALISATION

144. (1) The Company may, upon the recommendation of the Board, at any time and from time to time pass an ordinary resolution to the effect that it is desirable to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and capital redemption reserve and the profit and loss account) whether or not the same is available for distribution and accordingly that such amount be set free for distribution among the Members or any class of Members who would be entitled thereto if it were distributed by way of dividend and in the same proportions, on the footing that the same is not paid in cash but is applied either in or towards paying up the amounts for the time being unpaid on any shares in the Company held by such Members respectively or in paying up in full unissued shares, debentures or other obligations of the Company, to be allotted and distributed credited as fully paid up among such Members, or partly in one way and partly in the other, and the Board shall give effect to such resolution provided that, for the purposes of this Article, a share premium account and any capital redemption reserve or fund representing unrealised profits, may be applied only in paying up in full unissued shares of the Company to be allotted to such Members credited as fully paid.
- (2) Notwithstanding any provisions in these Articles, the Board may resolve to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and the profit and loss account) whether or not the same is available for distribution by applying such sum in paying up unissued shares to be allotted to (i) employees (including directors) of the Company and/or its affiliates (meaning any individual, corporation, partnership, association, joint-stock company, trust, unincorporated association or other entity (other than the Company) that directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with, the Company) upon exercise or vesting of any options or awards granted under any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting, or (ii) any trustee of any trust to whom shares are to be allotted and issued by the Company in connection with the operation of any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting.

145. The Board may settle, as it considers appropriate, any difficulty arising in regard to any distribution under the last preceding Article and in particular may issue certificates in respect of fractions of shares or authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether, and may determine that cash payments shall be made to any Members in order to adjust the rights of all parties, as may seem expedient to the Board. The Board may appoint any person to sign on behalf of the persons entitled to participate in the distribution any contract necessary or desirable for giving effect thereto and such appointment shall be effective and binding upon the Members.

SUBSCRIPTION RIGHTS RESERVE

146. The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the Act:

- (1) If, so long as any of the rights attached to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions of the conditions of the warrants, would reduce the subscription price to below the par value of a share, then the following provisions shall apply:
 - (a) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the "Subscription Rights Reserve") the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub- paragraph (c) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Rights Reserve in paying up such additional shares in full as and when the same are allotted;
 - (b) the Subscription Rights Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;
 - (c) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be

allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:

- (i) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
 - (ii) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Rights Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holders; and
- (d) if, upon the exercise of the subscription rights represented by any warrant, the amount standing to the credit of the Subscription Rights Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, share premium account) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.
- (2) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (1) of this Article, no fraction of any share shall be allotted on exercise of the subscription rights.

- (3) The provision of this Article as to the establishment and maintenance of the Subscription Rights Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a special resolution of such warrant holders or class of warrant holders.
- (4) A certificate or report by the auditors for the time being of the Company as to whether or not the Subscription Rights Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Rights Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Rights Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.

ACCOUNTING RECORDS

147. The Board shall cause true accounts to be kept of the sums of money received and expended by the Company, and the matters in respect of which such receipt and expenditure take place, and of the property, assets, credits and liabilities of the Company and of all other matters required by the Act or necessary to give a true and fair view of the Company's affairs and to explain its transactions.
148. The accounting records shall be kept at the Office or, at such other place or places as the Board decides and shall always be open to inspection by the Directors. No Member (other than a Director) shall have any right of inspecting any accounting record or book or document of the Company except as conferred by law or authorised by the Board or the Company in general meeting.
149. Subject to Article 150, a printed copy of the Directors' report, accompanied by the balance sheet and profit and loss account, including every document required by law to be annexed thereto, made up to the end of the applicable financial year and containing a summary of the assets and liabilities of the Company under convenient heads and a statement of income and expenditure, together with a copy of the Auditors' report, shall be sent to each person entitled thereto at least twenty-one (21) days before the date of the annual general meeting and laid before the Company at the annual general meeting held in accordance with Article 56 provided that this Article shall not require a copy of those documents to be sent to any person whose address the Company is not aware or to more than one of the joint holders of any shares or debentures.
150. Subject to due compliance with all applicable Statutes, rules and regulations, including, without limitation, the Listing Rules, and to obtaining all necessary consents, if any, required thereunder, the requirements of Article 149 shall be deemed satisfied in relation to any person by sending to the person in any manner not prohibited by the Statutes, summarised financial statements derived from the Company's annual accounts and the directors' report which shall be in the form and containing the information required by

applicable laws and regulations, provided that any person who is otherwise entitled to the annual financial statements of the Company and the directors' report thereon may, if he so requires by notice in writing served on the Company, demand that the Company sends to him, in addition to summarised financial statements, a complete printed copy of the Company's annual financial statement and the directors' report thereon.

151. The requirement to send to a person referred to in Article 149 the documents referred to in that article or a summary financial report in accordance with Article 150 shall be deemed satisfied where, in accordance with all applicable Statutes, rules and regulations, including, without limitation, the Listing Rules, the Company publishes copies of the documents referred to in Article 149 and, if applicable, a summary financial report complying with Article 150, on the Company's computer network or in any other permitted manner (including by sending any form of electronic communication), and that person has agreed or is deemed to have agreed to treat the publication or receipt of such documents in such manner as discharging the Company's obligation to send to him a copy of such documents.

152. (1) At the annual general meeting or at a subsequent extraordinary general meeting in each year, the Members shall by ordinary resolution appoint an auditor to audit the accounts of the Company and such auditor shall hold office until the next annual general meeting. Such auditor may be a Member but no Director or officer or employee of the Company shall, during his continuance in office, be eligible to act as an auditor of the Company.
- (2) The Members may, at any general meeting convened and held in accordance with these Articles, by ordinary resolution remove the Auditor at any time before the expiration of his term of office and shall by ordinary resolution at that meeting appoint another Auditor in his stead for the remainder of his term.
153. Subject to the Act the accounts of the Company shall be audited at least once in every year.
154. The remuneration of the Auditor shall be fixed by an ordinary resolution passed at a general meeting or in such manner as the Members may by ordinary resolution determine.

The remuneration of any Auditor appointed by the Directors under this Article may be fixed by the Board. Subject to Article 152(2), an Auditor appointed under this Article shall hold office until the next following annual general meeting of the Company and shall then be subject to appointment by the Members under Article 152(1) at such remuneration to be determined by the Members under Article 154.

156. The Auditor shall at all reasonable times have access to all books kept by the Company and to all accounts and vouchers relating thereto; and he may call on the Directors or officers of the Company for any information in their possession relating to the books or affairs of the Company.
157. The statement of income and expenditure and the balance sheet provided for by these Articles shall be examined by the Auditor and compared by him with the books, accounts and vouchers relating thereto; and he shall make a written report thereon stating whether such statement and balance sheet are drawn up so as to present fairly the financial position of the Company and the results of its operations for the period under review and, in case information shall have been called for from Directors or officers of the Company, whether the same has been furnished and has been satisfactory. The financial statements of the Company shall be audited by the Auditor in accordance with generally accepted auditing standards. The Auditor shall make a written report thereon in accordance with generally accepted auditing standards and the report of the Auditor shall be submitted to the Members in general meeting. If so, the financial statements and the report of the Auditor should disclose this fact and name such country or jurisdiction.

- (f) by publishing it on the Company's website to which the relevant person may have access, subject to the Company complying with the Statutes and any other applicable laws, rules and regulations from time to time in force with regard to any requirements for the obtaining of consent (or deemed consent) from such person and/or for giving notification to any such person stating that the notice, document or publication is available on the Company's computer network website (a "notice of availability"); or
 - (g) by sending or otherwise making it available to such person through such other means to the extent permitted by and in accordance with the Statutes and other applicable laws, rules and regulations.
- (2) The notice of availability may be given by any of the means set out above other than by posting it on a website.
 - (3) In the case of joint holders of a share all notices shall be given to that one of the joint holders whose name stands first in the Register and notice so given shall be deemed a sufficient service on or delivery to all the joint holders.
 - (4) Every person who, by operation of law, transfer, transmission, or other means whatsoever, shall become entitled to any share, shall be bound by every notice in respect of such share, which, previously to his name and address (including electronic address) being entered in the Register as the registered holder of such share, shall have been duly given to the person from whom he derives title to such share.
 - (5) Every Member or a person who is entitled to receive notice from the Company under the provisions of the Statutes or these Articles may register with the Company an electronic address to which notices can be served upon him.
 - (6) Subject to any applicable laws, rules and regulations and the terms of these Articles, any notice, document or publication, including but not limited to the documents referred to in Articles 149, 150 and 158 may be given in the English language only or in both the English language and the Chinese language or, with the consent of or election by any member, in the Chinese language only to such member.

159. Any Notice or other document:

 - (c) if published on the website of the Designated Stock Exchange or the Company's website, shall be deemed to have been served on the day on which the notice, document or publication first so appears on the website of the Designated Stock Exchange or the Company's website to which the relevant person may have access, or the day on which the notice of availability is deemed to have been served or delivered to such person under these Articles, whichever is later;

 - (e) if published as an advertisement in a newspaper or other publication permitted under these Articles, shall be deemed to have been served on the day on which the advertisement first so appears.
160. (1) Any Notice or other document delivered or sent by post to or left at the registered address of any Member in pursuance of these Articles shall, notwithstanding that such Member is then dead or bankrupt or that any other event has occurred, and whether or not the Company has notice of the death or bankruptcy or other event, be deemed to have been duly served or delivered in respect of any share registered in the name of such Member as sole or joint holder unless his name shall, at the time of the service or delivery of the Notice or document, have been removed from the Register as the holder of the share, and such service or delivery shall for all purposes be deemed a sufficient service or delivery of such Notice or document on all persons interested (whether jointly with or as claiming through or under him) in the share.
- (2) A Notice may be given by the Company to the person entitled to a share in consequence of the death, mental disorder or bankruptcy of a Member by sending it through the post in a prepaid letter, envelope or wrapper addressed to him by name, or by the title of representative of the deceased, or trustee of the bankrupt, or by any like description, at the address, if any, supplied for the purpose by the person claiming to be so entitled, or (until such an address has been so supplied) by giving the notice in any manner in which the same might have been given if the death, mental disorder or bankruptcy had not occurred.

SIGNATURES

161. For the purposes of these Articles, a facsimile or electronic transmission message purporting to come from a holder of shares or, as the case may be, a Director or alternate Director, or, in the case of a corporation which is a holder of shares from a director or the secretary thereof or a duly appointed attorney or duly authorised representative thereof for it and on its behalf, shall in the absence of express evidence to the contrary available to the person relying thereon at the relevant time be deemed to be a document or instrument in writing signed by such holder or Director or alternate Director in the terms in which it is received. The signature to any Notice or document to be given by the Company may be written, printed or in electronic form.

WINDING UP

162. (1) Subject to Article 162(2), the Board shall have power in the name and on behalf of the Company to present a petition to the court for the Company to be wound up.
- (2) Unless otherwise provided by the Act, a resolution that the Company be wound up by the court or be wound up voluntarily shall be a special resolution.
163. (1) Subject to any special rights, privileges or restrictions as to the distribution of available surplus assets on liquidation for the time being attached to any class or classes of shares (i) if the Company shall be wound up and the assets available for distribution amongst Members shall be more than sufficient to repay the whole of the capital paid up at the commencement of the winding up, the excess shall be distributed *pari passu* amongst such Members in proportion to the amount paid up on the shares held by them respectively and (ii) if the Company shall be wound up and the assets available for distribution amongst the Members as such shall be insufficient to repay the whole of the paid-up capital such assets shall be distributed so that, as nearly as may be, the losses shall be borne by the Members in proportion to the capital paid up, or which ought to have been paid up, at the commencement of the winding up on the shares held by them respectively.
- (2) If the Company shall be wound up (whether the liquidation is voluntary or by the court) the liquidator may, with the authority of a special resolution and any other sanction required by the Act, divide among the Members in specie or kind the whole or any part of the assets of the Company and whether or not the assets shall consist of properties of one kind or shall consist of properties to be divided as aforesaid of different kinds, and may for such purpose set such value as he deems fair upon any one or more class or classes of property and may determine how such division shall be carried out as between the Members or different classes of Members. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of the Members as the liquidator with the like authority shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no contributory shall be compelled to accept any shares or other property in respect of which there is a liability.

INDEMNITY

164. (1) The Directors, Secretary and other officers and every Auditor of the Company at any time, whether at present or in the past, and the liquidator or trustees (if any) acting or who have acted in relation to any of the affairs of the Company and every one of them, and every one of their heirs, executors and administrators, shall be indemnified and secured harmless out of the assets and profits of the Company from and against all actions, costs, charges, losses, damages and expenses which they or any of them, their or any of their heirs, executors or administrators, shall or may incur or sustain by or by reason of any act done, concurred in or omitted in or about the execution of their duty, or supposed duty, in their respective offices or trusts; and none of them shall be answerable for the acts, receipts, neglects or defaults of the other or others of them or for joining in any receipts for the sake of conformity, or for any bankers or other persons with whom any moneys or effects belonging to the Company shall or may be lodged or deposited for safe custody, or for insufficiency or deficiency of any security upon which any moneys of or belonging to the Company shall be placed out on or invested, or for any other loss, misfortune or damage which may happen in the execution of their respective offices or trusts, or in relation thereto; PROVIDED THAT this indemnity shall not extend to any matter in respect of any fraud or dishonesty which may attach to any of said persons.
