### **PROFIT WARNING**

This announcement is made by SH Group (Holdings) Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment on the unaudited consolidated management accounts of the Group and the information currently available to the Board, the Group is expected to record a net loss of not less than HK\$8.0 million for the six months ended 30 September 2022 as compared with the net profit of approximately HK\$13.5 million for the six months ended 30 September 2021.

The Group’s expected net loss for the six months ended 30 September 2022 was mainly attributable to:

- i) the adoption of a more competitive pricing strategy when securing the existing projects on hand due to the intensified market competition in recent years;
- ii) the increase in costs of subcontractors, transportation, equipment and materials after successful tender; and
- iii) the decrease in the value of financial assets at fair value through profit or loss, which is non-cash in nature.

The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the information currently available, including the unaudited consolidated management accounts of the Group, and is not based on any figure or information which has been audited or reviewed by the Company's auditors or reviewed by the audit committee of the Company, and may be subject to adjustments and changes. As the Company is still in the process of finalising its financial results for the six months ended 30 September 2022 (the "**Interim Results**"), the actual results may be different from the information set out in this announcement. Further details of the Interim Results will be disclosed in the Company's Interim Results announcement, which is expected to be published in late November 2022.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
