PROFIT WARNING

This announcement is made by Get Nice Financial Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance, Chapter 571, Laws of Hong Kong.

The board of directors of the Company wishes to inform the shareholders of the Company and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2022, the Group is expected to record a decrease in profit of approximately 80% as compared to that of approximately HK\$433 million for the six months ended 30 September 2021. The decrease is primarily due to (i) the absence of the gain of approximately HK\$339 million arising from the disposal of subsidiaries which was recorded in last reporting period; (ii) decrease in revenue; and (iii) increase in net impairment loss on accounts receivable. Excluded the effect of above-mentioned gain on disposal of subsidiaries, the profit from ordinary businesses of the Group for the six months ended 30 September 2022 is expected to record a decrease of approximately 20% to 30% as compared to the same period in 2021.

The information contained in this announcement is only based on the Company’s preliminary assessment of the consolidated management accounts of the Group, which have not been reviewed or audited by the Company’s auditors. The Company is still in the process of finalizing the Group’s interim results for the six months ended 30 September 2022 which will be published on 24 November 2022.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
