EQUITY FUND RAISING ACTIVITIES IN THE PAST TWELVE MONTHS

The Company has not conducted any equity fundraising activities in the past twelve months immediately preceding the date of this announcement.

REASONS FOR THE SUBSCRIPTION AND USE OF PROCEEDS

The Group is principally engaged in the provision of project management services throughout all phases of property development projects in the PRC.

The Directors are of the view that the Subscription will benefit the Group's long term development by providing a good opportunity to raise additional funds to strengthen the financial position and to broaden the Company's shareholder base and capital base to facilitate the future growth and development of its business as well as to increase the trading liquidity of the Shares.

The Directors consider the terms of the Subscription Agreements, which were negotiated on an arm's length basis and agreed on normal commercial terms between the parties thereto, are fair and reasonable, and the Subscriptions are in the interests of the Company and Shareholders as a whole.

The gross proceeds of the Subscriptions will be HK\$274,512,000. The net proceeds from the Subscriptions (after deducting all applicable costs and expenses of the Subscriptions) will be approximately HK\$274,069,150 and a net issue price of approximately HK\$0.80 per Subscription Share. The Group intends to use the net proceeds from the Subscriptions for: (i) the development of the Group's government project management business; (ii) the development of the Group's capital project management business; and (iii) general working capital.

Given that Completion is subject to conditions precedent and the Subscriptions may or may not proceed, Shareholders and potential investors of the Company are advised to exercise caution when dealing in the Shares.
