### SHARE INCENTIVE PLANS

See “Directors and Senior Management – Compensation – Share Incentive Plans” for details about our Share Incentive Plans.

### DEFENSE MECHANISM AGAINST HOSTILE TAKEOVERS

We have implemented a defense mechanism to impede hostile takeovers through a rights agreement. On June 9, 2022, our Board declared a dividend of a right purchase to one Share (or any other share resulting from successive changes or reclassifications of the Shares) (a “**Right**”) for each of our ordinary shares outstanding at the close of business on June 17, 2022, pursuant to a rights agreement.

Under the rights agreement, all outstanding ordinary shares of our Company at the close of business on June 17, 2022 have attached Rights. As long as the Rights are attached to the ordinary shares, we will issue one Right (subject to adjustment) with each new ordinary share so that all ordinary shares, including any new shares to be issued in this Global Offering, will have attached Rights. The Right will become exercisable if a person or a group of affiliated or associated persons (i) acquires or obtains the right to acquire (subject to certain exceptions) beneficial ownership of 10% of the outstanding ordinary shares of the Company (such person or group, an “**Acquiring Person**”) or (ii) commences a tender offer or exchange offer that would result in such person or group becoming an Acquiring Person. When exercisable, each Right will entitle the registered holder, except the Acquiring Person, to purchase from us a number of Shares (or any other share resulting from successive changes or reclassifications of the Shares), for the price of US\$36.00 (the “**Purchase Price**”), having a then-current market value of twice the Purchase Price, subject to adjustment. Rights issued to, or held by, any person or group who is, was, or becomes an Acquiring Person, whether currently held by or on behalf of such person or group or by any subsequent holder, will become null and void. As a result, the Acquiring Person (and the shareholders who choose not to exercise the Rights) will be greatly diluted if most of other existing shareholders choose to exercise the Rights, and

other existing shareholders who exercise the Rights will not be diluted, thereby effectively reducing the risk of a potential hostile takeover. In the event that a person or a group of affiliated or associated persons becomes an Acquiring Person and (i) the Company engages in a merger or other business combination transaction in which the Company is not the surviving corporation, (ii) the Company engages in a merger or other business combination transaction in which the Company is the surviving corporation and the ordinary shares of the Company are changed or exchanged, or (iii) 50% or more of the Company's assets, cash flows or earning power is sold or transferred, each Right (other than Rights held by the Acquiring Person) may thereafter entitle the holder of such Right to receive, upon exercise of the Right at the Purchase Price, ordinary shares (or capital stock, as applicable) of the acquiring company having a value equal to two times the Purchase Price of the Right.

We believe that this mechanism is beneficial to our Company as it encourages anyone seeking to acquire our Company to negotiate with our Board prior to attempting a takeover, thereby ensuring the continuity of our visionary management and strategies, minimizing potential business disruption, and enabling our Board to make more informed decisions for the benefit of our shareholders.

Under the rights agreement, certain person, group of affiliated or associated persons are exempted from becoming an Acquiring Person if they acquire or obtain the rights to acquire beneficial ownership of more than 10% of the total outstanding ordinary shares of the Company (the "**Exempt Person**"). Such Exempt Person include (i) the Company and any subsidiary of the Company, (ii) any employee benefit plan of the Company or of any subsidiary of the Company or any person organized, appointed or established by the Company and holding ordinary shares for or pursuant to the terms of any such employee benefit or compensation plan, and (iii) Mr. Zhou, his family members as defined under the Nasdaq rules, the entities controlled by Mr. Zhou or any of his family members and any of their Affiliates.

Our rights agreement has a term of five years from its effective date and is subject to early termination or extension by our Board.
