Wanchai Hong Kong

Dear Sirs,

**Simplicity Holding Limited (the “Company”) and its subsidiaries (collectively referred to herein as the “Group”)**

## **Report on profit forecast**

The Valuation is based on the discounted future cash flows of the Target Company and are regarded by the directors of the Company (the “**Directors**”) as a profit forecast under paragraph 61 of Chapter 19 of the Rules Governing the Listing of Securities on the GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”).

## *Directors’ Responsibilities*

The Directors are solely responsible for the preparation of the discounted future cash flows in accordance with the bases and assumptions determined by the Directors and as set out in the Valuation. Wanchai, Hong Kong

For the Attention of the Directors

Dear Sirs/Madams,

### **Discloseable transaction — valuation of the entire equity interest of High Smart Engineering Limited (the “Target Company”) in relation to the acquisition of 100% equity interest in the Target Company**

Reference is made to the announcements of the Company dated 13 January 2023, 19 January 2023 and 8 February 2023 (collectively, the “**Announcements**”) in respect of the acquisition of High Smart Engineering Limited. Unless defined otherwise, capitalized term used in this letter shall have the same meaning as ascribed to them in the Announcements.

We refer to the projection of the future cash flows of the Target Company, which are prepared preliminary on a discounted cash flow basis provided by the management of the Company, underlying the valuation prepared by B.I. The Valuation is regarded as a profit forecast under Rule 19.61 of the GEM Listing Rules.

The Valuation, for which the directors of the Company (the “**Directors**”) are solely responsible, has been prepared based on, among other things, the projection of the future cash flows of the Target Company provided by the management of the Group (the “**Profit Forecast**”).

We have reviewed the Profit Forecast upon which the Valuation has been made and discussed with you on the basis and assumptions upon which the Profit Forecast has been made. We have also considered the letter dated 8 February 2023 addressed to you from Fan, Chan & Co. Limited regarding its opinion on the discounted future estimated cash flows of the Valuation is based which, so far as the calculations and compilations are concerned, have been properly compiled in accordance with the basis and assumptions determined by the Directors in the Valuation.

On the basis of the foregoing and on the basis and assumptions made by you and the calculations adopted by you and reviewed by Fan, Chan & Co. Limited, we have formed the opinion that the Profit Forecast, for which you as the Directors are solely responsible, has been made after due and careful enquiry.

However, we express no opinion on whether the actual cash flows would eventually be achieved in correspondence with the Profit Forecast. We have not independently verified the computations leading to the Valuer's determination of the fair value and market value of the Target Company. We have had no role or involvement and have not provided and will not provide any assessment of the fair value and market value of the Target Company. Accordingly, save as expressly stated in this letter, we take no responsibility for and express no views, whether expressly or implicitly, on the fair value and market value of the Target Company as determined by the Valuer and set out in the valuation report issued by the Valuer or otherwise.

We further confirm that the assessment, review and discussion carried out by us as described above are primarily based on financial, economic, market and other conditions in effect, and the information made available to us as of the date of this letter and that it has, in arriving at its views, relied on information and materials supplied to it by the Valuer, the Group and the Target Company and opinions expressed by, and representations of, the employees and/or management of the Valuer, the Group and the Target Company. We have assumed that all information, materials and representations so supplied, including all information, materials and representations referred to or contained in the Announcements, for which the Directors are wholly responsible, were true, accurate, complete and not misleading at the time they were supplied or made, and remained so up to the date of the Announcements and that no material fact or information has been omitted from the information and materials supplied. No representation or warranty, expressed or implied, is made by us on the accuracy, truth or completeness of such information, materials, opinions and/or representations. Circumstances could have developed or could develop in the future that, if known to us at the time of this letter, would have altered our respective assessment and review. Further, while the qualifications, basis and assumptions adopted by the Valuer are considered by us to be reasonable, they are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are beyond the control of the Company and the Valuer.

Nothing in this letter should be construed as an opinion or view as to the fair value, market value or any other value of the Target Company or as an opinion or recommendation to any person as to whether they should acquire Shares. Shareholders are recommended to read the Announcements with care.

Our work in connection with the Profit Forecast has been undertaken solely for the strict compliance with Rule 19.61 of the GEM Listing Rules and for no other purposes. We accept no responsibility to any other person in respect of, arising out of or in connection with our work.
