**POSITIVE PROFIT ALERT**

This announcement is made by REM Group (Holdings) Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 December 2022 and other information currently available, it is anticipated that the Group is expected to record a net profit of approximately HK\$8 million for the year ended 31 December 2022 as compared to a net loss of approximately HK\$20.2 million for the year ended 31 December 2021.

The Board considers that the aforesaid turnaround from loss to profit position is primarily attributable to (i) the significant increase in revenue of the Group for the year ended 31 December 2022 as compared to the year ended 31 December 2021; and (ii) production cost control enhancement and cost saving in selling and distribution cost.

As the Company is still in the process of finalising the annual results for year ended 31 December 2022, the information contained in this announcement is only a preliminary assessment made by the Board and the Company’s management based on the unaudited consolidated management accounts of the Group for the year ended 31 December 2022 and the information currently available, which has not been audited by the auditors or reviewed by the audit committee of the Company, and is subject to finalisation and adjustments. The annual results announcement for the year ended 31 December 2022 of the Company is expected to be published in March 2023.

**Shareholders and potential investors of the Company should exercise caution when dealing in the securities of the Company.**
