To the Holders of Share Stapled Units

Dear Sir or Madam,

GENERAL MANDATE TO ISSUE SHARE STAPLED UNITS, RE-ELECTION OF RETIRING DIRECTORS AND NOTICE OF 2023 ANNUAL GENERAL MEETING

1. INTRODUCTION

The purpose of this circular is to provide Holders of Share Stapled Units with information regarding the proposed general mandate to issue Share Stapled Units, the re-election of retiring Directors of the Trustee-Manager and the Company, and to seek your approval at the 2023 AGM in connection with, inter alia, such matters.

LETTER FROM THE TRUSTEE-MANAGER BOARD AND THE COMPANY BOARD

2. PROPOSED GENERAL MANDATE TO ISSUE SHARE STAPLED UNITS

An ordinary resolution will be proposed at the 2023 AGM to grant a general mandate to the Directors to allot, issue and otherwise deal with additional Share Stapled Units (and securities or Convertible Instruments convertible into Share Stapled Units) not exceeding 20% of the Share Stapled Units in issue as at the date of passing of the relevant ordinary resolution. Any exercise of the general mandate would be subject to any applicable provisions of the Listing Rules, the Trust Deed and the Company's Articles. The mandate shall only remain in effect until the conclusion of the next AGM of the Holders of Share Stapled Units, or the expiration of the period within which such AGM is required to be held, or until revoked, renewed or varied by an ordinary resolution of Holders of Share Stapled Units, whichever occurs first. Although the general mandate proposed to be granted may not be utilized before the valid period as mentioned above, this gives the Trust and the Company the flexibility when needed without proposing second and subsequent refreshments of a general mandate in any one year. The Trust and the Company will use the mandate sparingly and in the interest of the Holders of Share Stapled Units as a whole.

The maximum number of Share Stapled Units which may be issued pursuant to the mandate granted at the last AGM held on 12 May 2022 was 651,164,057, among which an aggregate of 33,509,726 Share Stapled Units were issued in August 2022 and March 2023, representing 1.03% of the issued Share Stapled Units as at 12 May 2022.

Pursuant to Clause 5.4 of the Trust Deed, any other issue of, or any agreement (whether conditional or unconditional) to issue new Share Stapled Units and/or Convertible Instruments shall require specific prior approval by an ordinary resolution of Holders of Share Stapled Units, except that agreements to issue new Share Stapled Units which are conditional upon specific prior approval by an ordinary resolution of Holders of Share Stapled Units may be entered into without first obtaining such prior approval. For avoidance of doubt, Ordinary Resolution numbered 8 as set out in the Notice of 2023 AGM would, upon passing by the Holders of Share Stapled Units, constitutes a specific prior approval for this purpose.

As at the Latest Practicable Date, the Trust and the Company have issued 3,289,330,011 Share Stapled Units. On the assumption that there is no variation to the Share Stapled Units issued by the Trust and the Company during the period from the Latest Practicable Date to the date of passing of the resolution approving the mandate to issue new Share Stapled Units as referred to above, the maximum number of Share Stapled Units which may be issued pursuant to the mandate would be 657,866,002.

3. PROPOSED RE-ELECTION OF RETIRING DIRECTORS

Under the Trust Deed, the directors of the Trustee-Manager must be the same individuals who serve as the directors of the Company at the relevant time; no person shall serve as a director of the Trustee-Manager unless he also serves as a director of the Company at the same time; and the office of a director of the Trustee-Manager shall be vacated if the relevant person ceases to be a director of the Company. Those provisions are also contained in the articles of association of the Trustee-Manager. Accordingly, the retirement by rotation provisions are also applicable, indirectly, in relation to the Trustee-Manager Board.

LETTER FROM THE TRUSTEE-MANAGER BOARD AND THE COMPANY BOARD

In accordance with the Trust Deed and the Company's Articles, Mr. Brett Stephen Butcher (“**Mr. Butcher**”), being the Chief Executive Officer and Executive Director of the Trustee-Manager and the Company, Mr. Lo Chun Lai, Andrew (“**Mr. Lo**”), being a Non-executive Director of the Trustee-Manager and the Company, and Professor Lin Syaru, Shirley (“**Professor Lin**”), being an Independent Non-executive Director of the Trustee-Manager and the Company, shall retire from office of both the Trustee-Manager and the Company at the 2023 AGM and, being eligible, offer themselves for re-election.

Biographical details of the retiring Directors proposed to be re-elected at the 2023 AGM are set out in the Appendix to this circular. The re-election of these retiring Directors will be individually voted on by the Holders of Share Stapled Units.

The Nomination Committee has adopted a nomination policy which sets out, inter alia, the selection criteria and the evaluation procedures in nominating candidates to be appointed or re-appointed as Directors of the Trustee-Manager and the Company. In accordance with the terms of reference of the Nomination Committee, the Nomination Committee should make recommendation to the Company Board on the appointment or re-appointment of directors.

The Board considers that Mr. Butcher's extensive hotel business experience in both hotel operations and sales and marketing in Asia, the Pacific and North America and Mr. Lo's expertise in business planning, financial stewardship and asset management are beneficial to the Board in providing a diversity of perspectives appropriate to Langham's business.

Professor Lin, an Independent Non-executive Director of the Trustee-Manager and the Company has served the Board for more than nine years.

Professor Lin is Research Professor at the Miller Center of Public Affairs at the University of Virginia and a Nonresident Senior Fellow in the Foreign Policy Program at the Brookings Institution. She is also a faculty member at the Chinese University of Hong Kong and chairs the Center for Asia-Pacific Resilience and Innovation. Her research and teaching focus on cross-Strait relations, international and comparative political economy, as well as the challenges facing high-income societies in East Asia. She has also served on the boards of numerous private and public companies and was specialised in the privatisation of state-owned enterprises in Mainland China, Singapore and Taiwan. The Board considered that Professor Lin has the requisite perspectives, skills and wealth of experience in international affairs and global investment that would provide global perspectives and insight to the Trust and the Company and enhance the diversity of the Board.

Professor Lin has attended all Board Meetings, Board Committees Meetings and Unitholders' Meetings held during the year 2022 and provided written confirmation to the Trustee-Manager and the Company on the sufficiency of her time spent and attention to the affairs of the Trust and the Company.

LETTER FROM THE TRUSTEE-MANAGER BOARD AND THE COMPANY BOARD

Professor Lin does not have any relationships with any other Directors, senior management or substantial or controlling Holders of Share Stapled Units. She has submitted annual confirmation to the Trustee-Manager and the Company on her fulfillment of the independence guidelines set out in Rule 3.13 of the Listing Rules which assesses the independence of Independent Non-executive Directors. In addition, Professor Lin has confirmed that she does not have any interest in a business apart from the Trust Group's business, which competes or is likely to compete either directly or indirectly, with the Trust Group's business to ensure that the objectivity and integrity of Board for decision making will not be weakened. As of the latest practicable date, the Trustee-Manager and Company did not receive any notification from her that there has been a subsequent change of circumstances which affected her independence.

Professor Lin has demonstrated complete independence in character and has contributed objectively in giving impartial advice to the Board and exercising independent judgement in her capacity as the Chairman of the Nomination Committee of the Company, a Member of the Company's Remuneration Committee and a Member of the Audit Committees of the Trustee-Manager and the Company, but has never engaged in any executive management.

There is no evidence showing that Independent Non-executive Directors who have served on a board for nine years or more would lose their independence nor be at an increased risk of complacency given their familiarity with management. The Board considered that independence of mind is far more important than the appearance of independence. In consideration of the background, specific knowledge and experience of Professor Lin as mentioned above, the Board believed that her in-depth knowledge of the business of the Trust and the Company and her extensive experience and expertise continue to provide invaluable contribution to the Board and foster gender diversity of the Board. Taking into account of the above, the Board considered that Professor Lin is still independent and should be re-elected at the 2023 AGM.

4. 2023 AGM AND PROXY ARRANGEMENT

At the 2023 AGM, ordinary resolutions will be proposed to approve, inter alia, the general mandate to issue Share Stapled Units and the re-election of retiring Directors.

The Notice is set out on pages N1 to N7 of this circular. Holders of Share Stapled Units are advised to read the Notice and complete and return the accompanying form of proxy for use at the 2023 AGM in accordance with the instructions printed thereon.

Each resolution proposed to approve a matter to be considered by the Holders of Share Stapled Units at the 2023 AGM shall serve as both a resolution of unitholders of the Trust and a resolution of shareholders of the Company.

LETTER FROM THE TRUSTEE-MANAGER BOARD AND THE COMPANY BOARD

The form of proxy provided to Holders of Share Stapled Units for use at the 2023 AGM, and the form of voting paper to be used at the 2023 AGM, are, in each case, a single composite form. The effect of completing a form of proxy or voting paper (as the case may be) indicating a vote either for or against a resolution of Holders of Share Stapled Units to be proposed at the 2023 AGM shall be the vote cast in respect of the relevant Share Stapled Units and shall constitute:

- (a) a vote of the Units of the Trust (as component of the relevant Share Stapled Units) in respect of the resolution of unitholders of the Trust under the Trust Deed;
- (b) a vote of the Preference Shares of the Company (as component of the relevant Share Stapled Units) in respect of the resolution of shareholders of the Company under the Company's Articles; and
- (c) an instruction to the Trustee-Manager to vote the number of Ordinary Shares held by the Trustee-Manager (as component of the relevant Share Stapled Units) in the same way of the resolution of shareholders of the Company under the Company's Articles.

In respect of each individual Share Stapled Unit, the voting rights conferred by the Unit, the Preference Share and the interest in an Ordinary Share which are components of the relevant Share Stapled Unit can only be exercised in the same way (either for or against) in respect of a resolution of Holders of Share Stapled Units to be proposed at the 2023 AGM; and completion of a form of proxy or voting paper in respect of a Share Stapled Unit will have that effect, as described in the paragraph immediately above.

The Trustee-Manager will not exercise any voting rights in respect of a resolution proposed at the 2023 AGM conferred by those Ordinary Shares held by the Trustee-Manager which are components of Share Stapled Units in respect of which no voting rights are exercised by the Holders of those Share Stapled Units in respect of the relevant resolution at the 2023 AGM.

Pursuant to Rule 13.39(4) of the Listing Rules, Article 13.6 of the Company's Articles and paragraph 3.4 of Schedule 1 of the Trust Deed, the Chairman will put each of the proposed resolutions set out in the Notice to be voted by way of a poll. On a poll, votes may be given either personally, by corporate representative or by proxy. An announcement on the poll results will be published on Langham's website at www.langhamhospitality.com and the HKEXnews website at www.hkexnews.hk on the same day after the 2023 AGM.
