**CONTINUING CONNECTED TRANSACTION
ENTERING INTO 2023 SALES AND PROCUREMENT FRAMEWORK AGREEMENT**

ENTERING INTO 2023 SALES AND PROCUREMENT FRAMEWORK AGREEMENT

We refer to the announcement of the Company dated 29 August 2022 in relation to the 2022 Sales and Procurement Framework Agreement between the Company and Yunnan Baiyao.

As the 2022 Sales and Procurement Framework Agreement expired on 31 December 2022, and the Company and Yunnan Baiyao expect to continue to carry out the continuing connected transactions thereunder, on 30 March 2023, the Company and Yunnan Baiyao renewed the 2022 Sales and Procurement Framework Agreement by entering into the 2023 Sales and Procurement Framework Agreement with a term from the Effective Date to 31 December 2023, pursuant to which, (i) the Group agrees to sell to Yunnan Baiyao Group the medicines, medical devices, health care products and food products that the Group produces or is the main distributor; and (ii) the Group agrees to procure from Yunnan Baiyao Group the medicines, medical devices, health care products and food products that it produces or is the main distributor.

IMPLICATIONS UNDER THE LISTING RULES

As of the date of this announcement, Yunnan Baiyao holds 18.00% of the shares of the Company and is a substantial shareholder of the Company, and is a connected person of the Company as defined under Rule 14A.07 of the Listing Rules. As such, the transactions contemplated under the 2023 Sales and Procurement Framework Agreement constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

As the highest applicable percentage ratio (as defined under Rule 14.07 of the Listing Rules) of each of the proposed annual cap for the selling or procurement transactions contemplated under the 2023 Sales and Procurement Framework Agreement is more than 0.1% but less than 5%, respectively, such continuing connected transactions are subject to the reporting, annual review and announcement requirements but are exempt from the circular and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

We refer to the announcement of the Company dated 29 August 2022 in relation to the 2022 Sales and Procurement Framework Agreement between the Company and Yunnan Baiyao.

As the 2022 Sales and Procurement Framework Agreement expired on 31 December 2022, and the Company and Yunnan Baiyao expect to continue to carry out the continuing connected transactions thereunder, on 30 March 2023, the Company and Yunnan Baiyao renewed the 2022 Sales and Procurement Framework Agreement by entering into the 2023 Sales and Procurement Framework Agreement commencing from the Effective Date and ending on 31 December 2023, pursuant to which, (i) the Group agrees to sell to Yunnan Baiyao Group the medicines, medical devices, health care products and food products that the Group produces or is the main distributor; and (ii) the Group agrees to procure from Yunnan Baiyao Group the medicines, medical devices, health care products and food products that it produces or is the main distributor.

PRINCIPLE TERMS OF THE 2023 SALES AND PROCUREMENT FRAMEWORK AGREEMENT

Parties	(a) the Company (b) Yunnan Baiyao
Term	From the Effective Date to 31 December 2023
Subject Matter	Pursuant to the 2023 Sales and Procurement Framework Agreement: (i) any members of the Group may enter into Individual Executive Agreements with any members of Yunnan Baiyao Group to sell to Yunnan Baiyao Group the medicines, medical devices, health care products and food products the Group produces or is the main distributor, subject to the relevant annual cap of the sales amount. (ii) any members of the Group may enter into Individual Executive Agreements with any members of Yunnan Baiyao Group to procure from Yunnan Baiyao Group the medicines, medical devices, health care products and food products it produces or is the main distributor, subject to the annual cap of the procurement amount. Terms and conditions of the Individual Executive Agreements shall be determined in accordance with the 2023 Sales and Procurement Framework Agreement.
Pricing Principles	The sales or procurement price of the products under each of the Individual Executive Agreements between the Group and Yunnan Baiyao Group shall be determined after arm's length negotiations between the parties with reference to various factors, including but not limited to, current market conditions, order size, technical conditions, related costs and other purchases made to independent third-party customers or conducted with third-party suppliers, provided that such sales and procurement price shall be in line with the market price.
Settlement and Payment Method	The settlement and payment method will be agreed and elaborated in the specific Individual Executive Agreements after arm's length negotiation and on a normal commercial basis between the Group and Yunnan Baiyao Group, provided that, in each case, the relevant settlement and payment

methods shall be essentially the same with those provided by the Group and Yunnan Baiyao Group to independent third-party customers and suppliers.

ANNUAL CAPS AND BASIS OF DETERMINATION

The historical transaction amount for the sales to and procurement from Yunnan Baiyao Group by the Group for the period from 1 April 2022 to 31 December 2022 amounted to approximately RMB448 million and RMB243 million, respectively.

The annual cap for each of (i) the total sales amounts receivable by the Group, and (ii) the total procurement amounts payable by the Group for the transactions contemplated under the 2023 Sales and Procurement Framework Agreement for the year ending 31 December 2023 is RMB1,031 million and RMB460 million, respectively.

The annual caps set out above have been determined after taking into account: (i) the estimated amount of the medicines, medical devices, health care products and food products that Yunnan Baiyao Group produces or is the main distributor that the Group requires for the year ending 31 December 2023; (ii) the amount of the medicines, medical devices, health care products and food products that the Group produces or is the main distributor that Yunnan Baiyao Group requires that the Group estimated for the year ending 31 December 2023; (iii) the historical transaction amount of sales and procurement of the medicines, medical devices, health care products and food products by the Group to Yunnan Baiyao Group under the 2022 Sales and Procurement Framework Agreement; and (iv) an expected increase in the transaction amount in the future due to business expansion of the Group.

REASONS FOR AND BENEFITS OF THE 2023 SALES AND PROCUREMENT FRAMEWORK AGREEMENT

The Company is of the view that entering into the 2023 Sales and Procurement Framework Agreement is able to ensure the stableness of the Group's business and to satisfy future demand of the Group from time to time, which is in the overall interests of the Group. In addition, Yunnan Baiyao Group has several well-known brands in the fields of medicines, health products, traditional Chinese medicine resources and pharmaceutical logistics. It has strong strength and development advantages in the big health industry, and has strong strategic resources in the medical and health industry, which will help the Group to fulfill its relevant business needs.

The Board (including the independent non-executive Directors) are of the view that the continuing connected transactions contemplated under the 2023 Sales and Procurement Framework Agreement are entered into in the ordinary and usual course of business of the Company, on normal commercial terms, the terms are fair and reasonable and are in the interests of the Company and its shareholders as a whole.

To the best of Directors' knowledge, information and belief, and after making all reasonable enquiries, no Director had a material interest in the 2023 Sales and Procurement Framework Agreement or shall abstain from voting on board resolutions approving the 2023 Sales and Procurement Framework Agreement and the transactions contemplated thereunder.

INTERNAL CONTROL MEASURES

In order to effectively implement the 2023 Sales and Procurement Framework Agreement, the Company has adopted the following internal control measures:

(a) the financial department and other relevant departments of the Company will continuously monitor and regularly collect and evaluate the pricing principles, transaction terms and actual transaction amounts under the 2023

Sales and Procurement Framework Agreement to ensure that the transactions thereunder are conducted on normal commercial terms or on terms no less favorable than those available from independent third parties and that the total transaction amount will not exceed the proposed annual cap before the relevant approval procedures; and

(b) the Company's auditor and the independent non-executive Directors will conduct annual review on the pricing principles, transaction terms and the proposed annual cap under the 2023 Sales and Procurement Framework Agreement.

IMPLICATIONS UNDER THE LISTING RULES

As of the date of this announcement, Yunnan Baiyao holds 18.00% of the shares of the Company and is a substantial shareholder of the Company, and is a connected person of the Company as defined under Rule 14A.07 of the Listing Rules. As such, the transactions contemplated under the 2023 Sales and Procurement Framework Agreement constitute continuing connected transactions of the Company under the Chapter 14A of the Listing Rules.

As the highest applicable percentage ratio (as defined under Rule 14.07 of the Listing Rules) of each of the proposed annual cap for the selling or procurement transactions contemplated under the 2023 Sales and Procurement Framework Agreement is more than 0.1% but less than 5%, respectively, such continuing connected transactions are subject to the reporting, annual review and announcement requirements but are exempt from the circular and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.
