Save as disclosed above, Mr Muhseen has not held any other directorships in the last three years in any public companies the securities of which are listed on any securities market in Hong Kong or overseas.

Other than the positions disclosed above and any information set out in the Company's 2022 Annual Report, Mr Muhseen is not related to any Directors, senior management or substantial or controlling shareholders of the Company. As at the Latest Practicable Date, Mr Muhseen did not have any interest in the Shares or underlying Shares within the meaning of Part XV of the SFO.

There is no service contract entered into between Mr Muhseen and the Company but he has entered into a letter of appointment as an Independent Non-Executive Director of the Company for a term of three years, pursuant to which he is entitled to an annual Director's fee of HK\$248,800. Such fee is determined with reference to his responsibilities with the Company and the Company's remuneration policy. Mr Muhseen is subject to retirement by rotation at least once every three years and re-election at the annual general meetings of the Company pursuant to the Articles.

The following is the Explanatory Statement required to be sent to Shareholders under the Listing Rules in connection with the proposed general mandate for the buy-back of securities and also constitutes the memorandum required under Section 239 of the Companies Ordinance:

1. LISTING RULES REQUIREMENT FOR BUY-BACK OF SECURITIES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to buy back their securities (which shall include, where the context permits, shares of all classes and securities which carry a right to subscribe or purchase shares, of a company, and shall include warrants) on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

(a) Shareholders' approval

All on-market securities buy-backs on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution of shareholders, either by way of general mandate or by specific approval in relation to specific transactions.

(b) Source of funds

Buy-backs must be funded out of funds which are legally available for the purpose in accordance with the company's constitutional documents and the laws of Hong Kong.

2. ISSUED SHARES

As at the Latest Practicable Date, the issued Shares comprised 7,739,638,249 Shares.

Subject to the passing of Ordinary Resolution No. 6 set out in the Notice (the "**Buy-back Mandate**"), the Company would be allowed to buy back a maximum of 773,963,824 Shares on the assumption that there is no variation to the issued Shares during the period from the Latest Practicable Date to the date of passing of the resolution approving the Buy-back Mandate. Such number of Shares referred to above shall, where applicable, be adjusted in the event that the Shares in issue as at the date of passing the resolution are, at any time thereafter, converted into a larger or smaller number of Shares.

3. REASONS FOR BUY-BACK

The Directors believe that it is in the best interests of the Company and its Shareholders as a whole to seek a general authority from Shareholders to enable the Company to buy back Shares in the market. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the Company's net assets and/or its earnings per Share and will only be made when the Directors believe that such buy-backs will benefit the Company and its Shareholders as a whole.

4. FUNDING OF AND IMPACT OF BUY-BACK

Buy-backs pursuant to the Buy-back Mandate would be financed entirely from the Company's available cash flow or working capital facilities. Any buy-backs will only be funded out of funds of the Company legally available for the purpose in accordance with the Articles and the laws of Hong Kong.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited financial statements) in the event that the Buy-back Mandate was to be carried out in full at any time during the proposed buy-back period. However, the Directors do not propose to exercise the Buy-back Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous 12 months up to the Latest Practicable Date were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2022		
March	4.47	4.10
April	4.53	4.38
May	4.54	4.18
June	4.32	4.09
July	4.30	4.11
August	4.21	3.92
September	3.95	3.50
October	3.64	2.96
November	3.45	3.00
December	3.63	3.37
2023		
January	3.94	3.49
February	3.99	3.84
March (up to the Latest Practicable Date)	4.08	3.87

6. DISCLOSURE OF INTERESTS

The Directors have undertaken to the Stock Exchange that they will exercise the Buy-back Mandate in accordance with the Listing Rules, the laws of Hong Kong and the provisions set out in the Articles.

If as a result of a buy-back of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. The Directors do not intend to exercise the Buy-back Mandate to such an extent as would result in a Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory general offer under Rule 26 of the Takeovers Code and, accordingly, it is not anticipated that purchases of Shares under the Buy-back Mandate will give rise to any consequences under the Takeovers Code.

As at the Latest Practicable Date, Mr Li Tzar Kai, Richard, companies controlled by him and his related trusts are deemed under the SFO to be interested in an aggregate of 2,391,129,358 Shares, representing approximately 30.89% of the total number of Shares then in issue. If the Directors were to exercise the Buy-back Mandate in full, then (assuming the number of Shares in which Mr Li Tzar Kai, Richard, companies controlled by him and his related trusts are interested as at the Latest Practicable Date remains the same) the aggregate percentage shareholding in the Company of Mr Li Tzar Kai, Richard, companies controlled by him and his related trusts would be increased to approximately 34.33% of the total number of Shares in issue. In the opinion of the Directors, such increase may give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code. However, the Directors have no present intention to exercise the Buy-back Mandate to such an extent as would result in a mandatory offer obligation arising.

Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of an exercise of the Buy-back Mandate.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules), presently intend to sell any Shares to the Company or its Subsidiaries under the Buy-back Mandate in the event that the Buy-back Mandate is approved by Shareholders.

No core connected persons (as defined in the Listing Rules) of the Company have notified the Company that they have any present intention to sell any Shares, or that they have undertaken not to sell any Shares held by them, to the Company in the event that the Buy-back Mandate is approved by Shareholders.

7. SHARE BUY-BACKS MADE BY THE COMPANY

The Company has not bought back any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
