### 1. INTRODUCTION

The purpose of this circular is, among other things, to provide you with information in relation to the resolutions to be proposed at the AGM, the H Shareholders' Class Meeting and/or the Domestic Shareholders' Class Meeting to enable you to make an informed decision on whether to vote for or against the resolutions proposed at the AGM, the H Shareholders' Class Meeting and/or the Domestic Shareholders' Class Meeting.

### 2. GENERAL MANDATE TO ISSUE SHARES

At the 2021 annual general meeting of the Company held on 30 May 2022, a general mandate was granted to the Board to issue shares. The general mandate will lapse at the conclusion of the AGM unless renewed.

Accordingly, in order to ensure flexibility and to give discretion to the Board in the event that it becomes desirable to issue any shares, a special resolution will be proposed at the AGM to renew the unconditional mandate to the Board that during the period as permitted under the general mandate, to separately or concurrently, allot, issue and deal with additional Domestic Shares and H Shares of the Company of not more than 20% of each of its Domestic Shares and H Shares of the Company in issue as at the date of the relevant resolution to be proposed and passed at the AGM, as well as to authorise the Board to make corresponding amendments to the Articles of Association so as to reflect the increase in registered share capital and changes to the shareholding structure of the Company upon any allotment and issuance of shares under the above general mandate.

As at the Latest Practicable Date, 8,434,770,662 shares of the Company, of which 3,876,624,162 shares were Domestic Shares and 4,558,146,500 shares were H Shares, were in issue. On the basis of the above-mentioned issued share capital and assuming no further shares are issued before the AGM, 775,324,832 new Domestic Shares and 911,629,300 new H Shares may be issued pursuant to the exercise of the general mandate.

### 3. GENERAL MANDATE TO REPURCHASE H SHARES

The PRC Company Law (to which the Company is subject) provides that a joint stock limited company incorporated in the PRC may not repurchase its shares except under any of the following circumstances: (a) in order to reduce the registered capital of the company; (b) merger with another company holding shares in the company; (c) the shares are used for employee stock ownership plan or equity incentives; (d) a shareholder requests the company to purchase the shares held by him/her since he/she objects to a resolution of the shareholders' meeting on the combination or division of the company; (e) the shares are used for converting convertible corporate bonds issued by the listed company; or (f) when it is necessary for the listed company to preserve its value and shareholders' rights and interests. The Mandatory Provisions (which the Company has incorporated in its Articles

---

## LETTER FROM THE BOARD

---

of Association) provides that the Company may, subject to procedures of its articles of association and approval of the relevant competent authorities of the PRC, repurchase its issued shares under the following circumstances: (a) cancellation of shares in order to reduce its capital; (b) merger with another company holding shares in the Company; or (c) other circumstances permitted by the laws and regulations.

The Listing Rules permits shareholders of a PRC joint stock limited company to grant a general mandate to its directors to repurchase H shares of such company that are listed on the Stock Exchange. Such mandate is required to be given by way of a special resolution passed by shareholders at general meeting and special resolutions passed by holders of domestic shares and overseas listed foreign shares at separate class meetings.

As H Shares are traded on the Stock Exchange in Hong Kong dollars and the price payable by the Company upon any repurchase of H Shares shall, therefore, be paid in Hong Kong dollars, the payment of the repurchase price is subject to the approval of SAFE or entities authorised by it or filing in accordance with the requirements of regulatory authorities. Besides, the Company shall file with the CSRC (if required), seek approval of the Ministry of Commerce of the PRC (if required) and register the changes with company registration authorities after the Company has repurchased its H Shares.

In accordance with the requirements of Article 4.2 of the Articles of Association, the Company will have to notify its creditors within 10 days after the date of passing the resolution to reduce registered capital of the Company and also make at least three announcements in newspapers within 30 days after the passing of such resolution. A creditor shall have the right to demand the Company to settle its debts or provide a corresponding guarantee within 30 days of receiving such notice from the Company or, in the case of a creditor who has not received any notice, within 90 days of the date of the announcement.

In order to provide more flexibility to the Directors to repurchase H Shares, a special resolution will be proposed at the AGM and the Class Meetings to grant to the Board the H Share Repurchase General Mandate.

Pursuant to the H Share Repurchase General Mandate, the H Shares which may be repurchased shall not exceed 10% of the total number of H Shares in issue as at the date of passing of the H Share Repurchase General Mandate resolution.

---

## LETTER FROM THE BOARD

---

The H Share Repurchase General Mandate will be conditional upon the special resolution for approving the granting of the H Share Repurchase General Mandate being passed at the AGM and the Class Meetings. The H Share Repurchase General Mandate, if approved, will lapse at the earliest of:

- (i) the conclusion of the next annual general meeting of the Company following the passing of the H Share Repurchase General Mandate resolution at the AGM and the Class Meetings;
- (ii) the expiration of the 12-month period following the passing of the H Share Repurchase General Mandate resolution at the AGM and the Class Meetings; or
- (iii) the date on which the authority conferred to the Board by the H Share Repurchase General Mandate resolution is revoked or varied by a special resolution of Shareholders at a general meeting, or a special resolution of Shareholders at their respective class meeting.

The obtaining of the H Share Repurchase General Mandate is in accordance with the Listing Rules, the Articles of Association and the applicable laws, rules and regulations of government and regulatory authorities of the PRC. The H Share Repurchase General Mandate resolution is set out as resolution No.9 in the notice of AGM and resolution No.1 in the notice of the H Shareholder's Class Meeting and the notice of the Domestic Shareholder's Class Meeting, respectively.

An explanatory statement containing information regarding the H Share Repurchase General Mandate is set out in Appendix I to this circular.

*Chairman of the Board*

6 April 2023

*In accordance with the Listing Rules, this appendix serves as the explanatory statement to provide you with requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against the special resolutions to be proposed at the AGM and the Class Meetings for the granting of the H Share Repurchase General Mandate to the Board.*

## **SECURITIES REPURCHASE GENERAL MANDATE**

### **Reasons for Repurchasing H Shares**

The Board considered that the repurchase of the H Shares would be beneficial to and in the best interests of the Company and its Shareholders as a whole. It can strengthen the investors' confidence in the Company and promote a positive effect on maintaining the Company's reputation in the capital market. Such repurchases will only be made when the Board believes that such repurchases will benefit the Company and its Shareholder as a whole.

### **Registered Capital**

As at the Latest Practicable Date, the registered capital of the Company was RMB8,434,770,662, comprising 4,558,146,500 H Shares with a nominal value of RMB1.00 each and 3,876,624,162 Domestic Shares with a nominal value of RMB1.00 each.

### **Exercise of the H Share Repurchase General Mandate**

Subject to the passing of the special resolution No. 9 as set out in the notice of AGM and the special resolution No.1 as set out in the notice of the H Shareholders' Class Meeting and the notice of the Domestic Shareholders' Class Meeting, respectively, the Board will be granted the H Share Repurchase General Mandate until the earliest of:

- (i) the conclusion of the next annual general meeting of the Company following the passing of the H Share Repurchase General Mandate resolution at the AGM and the Class Meetings;
- (ii) the expiration of the 12-month period following the passing of the H Share Repurchase General Mandate resolution at the AGM and the Class Meetings; or
- (iii) the date on which the authority conferred to the Board by the H Share Repurchase General Mandate resolution is revoked or varied by a special resolution of Shareholders at a general meeting, or a special resolution of Shareholders at their respective class meeting.

(hereinafter referred to as the "**Relevant Period**").

The exercise of the H Share Repurchase General Mandate is subject to relevant approval of and/or filings with the relevant regulatory authorities as required by the laws, rules and regulations of the PRC being obtained and/or carried out.

The exercise in full of the H Share Repurchase General Mandate (on the basis of 4,558,146,500 H Shares in issue as at the Latest Practicable Date and no H Shares will be allotted and issued or repurchased by the Company on or prior to the date of the AGM and the Class Meetings) would result in a maximum of 455,814,650 H Shares being repurchased by the Company during the Relevant Period, being the maximum of 10% of the total H Shares in issue as at the date of passing the relevant resolutions.

### **Funding of Repurchases**

In repurchasing its H Shares, the Company intends to apply funds from the Company's internal resources (which may include surplus funds and retained profits) legally available for such purpose in accordance with the Articles of Association and the applicable laws, rules and regulations of the PRC.

The Company is empowered by its Articles of Association to repurchase its H Shares. Any repurchases by the Company may only be made out of either the funds of the Company that would otherwise be available for dividend or distribution or out of the proceeds of a new issue of shares made for such purpose. Under PRC laws, H Shares so repurchased should be cancelled and the Company's registered capital should be reduced by amount equivalent to the aggregate nominal value of the H Shares so cancelled. The Company may not purchase securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

### **IMPACT ON WORKING CAPITAL**

The Directors consider that there would not be a material adverse impact on the working capital or on the gearing position of the Company in the event that the H Share Repurchase General Mandate is exercised in full at any time during the proposed repurchase period (as compared with the position disclosed in the latest published audited accounts of the Company for the year ended 31 December 2022). However, the Directors do not propose to exercise the H Share Repurchase General Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels of the Company. The number of H Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Board at the relevant time having regarded to the circumstances then prevailing, in the best interests of the Company.

### **EXERCISE OF POWER**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases under the H Share Repurchase General Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws, rules and regulations of the PRC.

**H SHARES PRICES**

The highest and lowest prices at which the H Shares have been traded on the Stock Exchange during each of the 12 months preceding the Latest Practicable Date were as follows:

<b>2022</b>

**H SHARES REPURCHASED BY THE COMPANY**

No repurchase of H Shares has been made (whether on the Stock Exchange or otherwise) by the Company within six months preceding the date of this circular.

**EFFECT OF THE TAKEOVERS CODE**

If as a result of a share repurchase by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purpose of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the interest in the voting rights of the Company, could obtain or consolidate control of the Company or further become obligated to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the Parent, whose interest in the Company are notifiable under Part XV of the Securities and Futures Ordinance, had a direct and indirect equity interest of approximately 44.60% in aggregate in the Company's total registered capital. In the event that the H Share Repurchase General Mandate is exercised in full and on the basis that no further Shares are issued or repurchased prior to such full exercise, the total interests of the Parent in the total voting rights of the Company would be increased to approximately 47.15%. In the opinion of the Directors, such increase would give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code if no waiver is obtained. Save as aforesaid, the Board is not aware of any consequences which will arise under the Takeovers Code and/or any similar applicable law, as a result of any purchases to be made under the H Share Repurchase General Mandate. The Directors have no present intention to exercise the H Share Repurchase General Mandate to an extent which may result in any possible mandatory offer being made under the Takeovers Code. In addition, the Directors do not have any intention to exercise the proposed H Share Repurchase General Mandate to the effect that it will result in the public float to fall below the percentage as required under the Listing Rules or such other minimum percentage agreed by the Stock Exchange from time to time.

**INTENTIONS TO SELL H SHARES TO THE COMPANY**

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules) presently intends to sell H Shares to the Company under the H Share Repurchase General Mandate in the event that the H Share Repurchase General Mandate is approved by the Shareholders and the conditions (if any) to which the H Share Repurchase General Mandate are fulfilled.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any H Shares to the Company, or that they have undertaken not to sell any H Shares held by them to the Company in the event that the H Share Repurchase General Mandate is approved by its Shareholders and the conditions (if any) to which the H Share Repurchase General Mandate are fulfilled.
