LETTER FROM THE BOARD

PROPOSED AMENDMENTS TO THE EXISTING ARTICLES AND ADOPTION OF THE NEW ARTICLES

Pursuant to the Consultation Conclusions on Listing Regime for Overseas Issuers published by the Exchange in November 2021, the Listing Rules have been amended with effect from 1 January 2022 which require, among others, listed issuers to adopt a uniform set of Core Shareholder Protection Standards as set out in Appendix 3 to the Listing Rules. Furthermore, the Company proposes to modernize and provide flexibility to the Company in relation to the conduct of general meetings. As such, the Board proposes to amend the Existing Articles in order to (i) provide flexibility to the Company in relation to the conduct of general meetings (e.g. to convene and hold physical meetings, hybrid meetings and/or electronic meetings); (ii) conform to the current revised requirements of the Listing Rules (in particular the Core Shareholder Protection Standards as set out in Appendix 3 to the Listing Rules) and the applicable laws of the Cayman Islands; and (iii) incorporate other house-keeping amendments.

In view of the number of the Proposed Amendments, the Board proposes to adopt a New Articles in substitution for, and to the exclusion of, the Existing Articles. For the avoidance of doubt, the Memorandum will remain unchanged and will continue to be fully effective. Details of the Proposed Amendments are set out in Appendix III to this circular.

The Company has been advised by its legal advisers as to the laws of Hong Kong and the Cayman Islands that the Proposed Amendments conform with the requirements of the Listing Rules, where applicable, and do not contravene the laws of the Cayman Islands, respectively. The Company also confirms that there is nothing unusual about the Proposed Amendments to the Existing Articles for a company listed on the Exchange.

The Board proposes to put forward to the Shareholders for approval at the Annual General Meeting a special resolution to effect the Proposed Amendments and to adopt the New Articles.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

GENERAL

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on the resolutions to be proposed at the Annual General Meeting.

Yours faithfully,
By order of the Board
PanAsialum Holdings Company Limited
Pan Zhaolong
Chairman and Executive Director

This is an explanatory statement given to all Shareholders relating to a resolution to be proposed at the Annual General Meeting for approving the Buy Back Mandate. This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules which is set out as follows:

1. SHARE CAPITAL

As at the Latest Practicable Date, the number of issued Shares is 1,200,000,000 Shares.

Subject to the passing of the ordinary resolution granting the Buy Back Mandate and on the basis that no further Shares are issued or bought back prior to the Annual General Meeting, the Company would be allowed under the Buy Back Mandate to buy back a maximum of 120,000,000 Shares, being 10% of the aggregate number of Shares in issue as at the Latest Practicable Date.

2. REASONS FOR SHARE BUY BACK

The Directors believe that the Buy Back Mandate is in the best interests of the Company and its Shareholders as a whole. Whilst it is not possible to anticipate in advance any specific circumstances in which the Directors might think it appropriate to buy back Shares, they believe that an ability to do so would give the Company additional flexibility that would be beneficial to the Company and its Shareholders as a whole as such buy backs may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value per Share and/or earnings per Share. Shareholders can be assured that the Directors would only make such purchases in circumstances where they consider them to be in the best interests of the Company and the Shareholders as a whole.

3. FUNDING OF BUY BACKS

In buying back Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association of the Company and the Articles of Association and the laws of the Cayman Islands. Any buy back of Shares will be made out of the profits of the Company, out of the Company's share premium account or the proceeds of a fresh issue of Shares made for the purpose of the purchase or, if authorised by the Articles of Association and subject to the Companies Law, out of the capital and, in the case of any premium payable on the purchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorised by the Articles of Association and subject to the Companies Law, out of the capital. In accordance with the laws of the Cayman Islands, the Shares so bought back would be treated as cancelled unless, subject to the memorandum of association of the Company and the Articles of Association, the Directors resolve to hold such Shares in the name of the Company as treasury shares prior to the buy back.

The Directors consider that the exercise of the Buy Back Mandate in full will not have a material adverse impact on the working capital or the gearing level of the Company (as compared with the position disclosed in its latest published audited accounts as at 31 December 2022). The Directors do not propose to exercise the Buy Back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital or the gearing level of the Company (as compared with the position disclosed in its most recent published audited accounts as at 31 December 2022) which in the opinion of the Directors are from time to time appropriate for the Company.

4. SHARE PRICES

The highest and lowest trading price of Shares on the Exchange during each of the previous twelve months preceding the Latest Practicable Date are as follows:-

	Price Per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2022		
April	0.250	0.209
May	0.255	0.210
June	0.230	0.188
July	0.226	0.180
August	0.231	0.160
September	0.242	0.210
October	0.250	0.193
November	0.234	0.195
December	0.209	0.183
2023		
January	0.191	0.156
February	0.179	0.145
March	0.186	0.148
April (up to and including the Latest Practicable Date)	0.185	0.160

5. UNDERTAKING

The Directors have undertaken to the Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make buy backs pursuant to the Buy Back Mandate and in accordance with the Listing Rules, the memorandum of association of the Company and the Articles of Association and the laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, their close associates have any present intention to sell any Shares to the Company in the event that the Buy Back Mandate is approved by the Shareholders at the Annual General Meeting.

As at the Latest Practicable Date, no core connected person (as defined in the Listing Rules) have notified the Company that he/she/it have a present intention to sell any securities to the Company or its subsidiaries, nor have undertaken not to do so, in the event that the Buy Back Mandate is granted by the Shareholders at the Annual General Meeting.

6. HONG KONG CODE ON TAKEOVERS AND MERGERS AND THE PUBLIC FLOAT REQUIREMENT

If a Shareholder's proportionate interest in the voting capital of the Company increases as a result of a Share buy back, such increase will be treated as an acquisition for the purposes of the Takeovers Code and, if such increase results in a change of control, may in certain circumstances give rise to an obligation to make a general offer for Shares under Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, Easy Star was beneficially interested in approximately 75% of the number of issued Shares. In the event that the Directors exercise in full the power to buy back the Shares which is proposed to be granted pursuant to the Buy Back Mandate, the shareholding of Easy Star would be increased to approximately 83.3% of the then number of the issued Shares and such increase would not give rise to an obligation to make a mandatory general offer under Rule 26 of the Takeovers Code.

The Company has no intention to exercise the Buy Back Mandate to such an extent which would result in the number of Shares held by the public being reduced to less than 25% of the total number of Shares in issue.

7. SHARE BUY BACK MADE BY THE COMPANY

The Company had not bought back any Shares (whether on the Exchange or otherwise) in the six months preceding the Latest Practicable Date.
