INTRODUCTION

The purpose of this circular is to provide the Shareholders with information reasonably necessary to enable the Shareholders to consider, and if thought fit, approve, among other things, the following resolutions to be proposed at the AGM:

- (a) the granting of the Repurchase Mandate to the Directors for repurchase of the Shares of the Company;
- (b) the granting of the Issue Mandate (and the extension thereof) to the Directors to allot, issue and otherwise deal with additional Shares;
- (c) the re-election of the retiring Directors;

REPURCHASE MANDATE

Pursuant to the written resolutions passed by the then Shareholders on 22 October 2022, a general mandate was granted to the Directors to exercise the powers of the Company to repurchase the Shares. Such mandate will lapse at the conclusion of the AGM. Therefore, an ordinary resolution will be proposed at the AGM for the Shareholders to consider and, if thought fit, grant the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase the Shares not exceeding 10% of the issued share capital of the Company as at the date of passing of such resolution at the AGM. Details of the Repurchase Mandate are set out in the ordinary resolution no. 5(B) in the AGM Notice.

As at the Latest Practicable Date, the issued share capital of the Company comprised 440,000,000 Shares. Assuming that there is no change in the issued share capital of the Company during the period between the Latest Practicable Date and the date of passing of the resolution approving the Repurchase Mandate at the AGM, the maximum number of Shares which may be repurchased pursuant to the Repurchase Mandate will be 44,000,000 Shares.

An explanatory statement, as required under the Listing Rules to provide the requisite information in connection with the Repurchase Mandate, is set out in Appendix I to this circular. The Repurchase Mandate will continue in force until the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required to be convened under the Articles of Association or any applicable law(s); or (iii) the date on which the authority given under the ordinary resolution approving the Repurchase Mandate is revoked or varied by an ordinary resolution of the Shareholders.

LETTER FROM THE BOARD

ISSUE MANDATE

Pursuant to the written resolutions passed by the then Shareholders on 22 October 2022, a general mandate was granted to the Directors to allot, issue and deal with additional Shares. Such mandate will lapse at the conclusion of the AGM. Therefore, two ordinary resolutions will be proposed at the AGM for the Shareholders to consider and, if thought fit, grant the Issue Mandate to the Directors to exercise the powers of the Company to allot, issue and deal with additional Shares not exceeding 20% of the issued share capital of the Company as at the date of passing of such resolution at the AGM, and an extension of the Issue Mandate by adding to it the number of Shares repurchased under the Repurchase Mandate. Details of the Issue Mandate and its extension are set out in the ordinary resolution nos. 5(A) and 5(C), respectively, in the AGM Notice.

As at the Latest Practicable Date, the issued share capital of the Company comprised 440,000,000 Shares. Assuming that there is no change in the issued share capital of the Company during the period between the Latest Practicable Date and the date of passing of the resolution approving the Issue Mandate at the AGM, the maximum number of Shares which may be issued pursuant to the Issue Mandate as at the date of passing of the resolution approving the Issue Mandate will be 88,000,000 Shares. The Issue Mandate and its extension will continue in force until the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required to be convened under the Articles of Association or any applicable law(s); or (iii) the date on which the authority given under the ordinary resolution approving the Issue Mandate and its extension is revoked or varied by an ordinary resolution of the Shareholders.

FINAL DIVIDEND OUT OF THE SHARE PREMIUM ACCOUNT

As stated in the Company's annual results announcement for the year ended 31 December 2022 dated 30 March 2023, the Board has recommended the declaration and payment of a final dividend of RMB3.9 cents (equivalent to HK\$4.4 cents) per Share out of the Company's share premium account for the year ended 31 December 2022, subject to the Shareholders' approval at the AGM. As at the Latest Practicable Date, the Company has 440,000,000 Shares in issue. Based on the number of issued Shares as at the Latest Practicable Date, the Final Dividend, if declared and paid, will amount to an aggregate amount of approximately RMB17.2 million (equivalent to approximately HK\$19.36 million). Subject to the fulfilment of the conditions set out in the paragraph headed "Conditions of the Payment of Final Dividend out of Share Premium Account" below, the Final Dividend is intended to be paid out of the Company's share premium account pursuant to Article 134 of the Articles of Association and in accordance with section 34(2) of the Companies Act.

According to the audited consolidated financial statements of the Company for the year ended 31 December 2022, the amount standing to the credit of the share premium account of the Company as at 31 December 2022 was approximately RMB256.6 million. Upon the payment of such final dividend, the remaining balance of the amount standing to the credit of the share premium account of the Company will be approximately RMB239.4 million.

LETTER FROM THE BOARD

(a) Conditions of the Payment of Final Dividend out of Share Premium Account

The payment of the Final Dividend out of the Company's share premium account is conditional upon the satisfaction of the following conditions:

- (i) the passing of an ordinary resolution by the Shareholders approving the declaration and payment of the Final Dividend out of the Company's share premium account pursuant to Article 134 of the Articles of Association; and
- (ii) the Directors being satisfied that there are no reasonable grounds for believing that the Company is, and immediately following the date on which the Final Dividend is paid, will be unable to pay its debts as they fall due in the ordinary course of business.

The conditions set out above cannot be waived. If the conditions set out above are not satisfied, the Final Dividend will not be paid. Subject to the fulfilment of the above conditions, it is expected that the Final Dividend will be paid in cash on Friday, 7 July 2023 to those Shareholders whose names appear on the register of members of the Company at close of business on Tuesday, 27 June 2023.

For the purposes of determining the entitlement of the Shareholders to the Final Dividend, the register of members of the Company will be closed from Friday, 23 June 2023 to Tuesday, 27 June 2023 (both days inclusive), during which no transfer of shares will be registered. All properly completed share transfer forms accompanied by the relevant share certificates must be lodged with the Company's Hong Kong branch share registrar, Computershare Hong Kong Investor Services Limited at Shops 1712—1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wan Chai, Hong Kong, no later than 4:30 p.m. on Wednesday, 21 June 2023, for registration.

(b) Reasons for and Effect of the Payment of Final Dividend out of Share Premium Account

The Board considers it appropriate to distribute the Final Dividend in recognition of the profitability of the Group and the strong liquidity position of the Group. After taking into account a number of factors including the financial and cash flow position of the Company, as well as to reward the Shareholders for their continued support during the challenging economic environment brought by the COVID-19 pandemic and enhance investors' confidence in the Company, the Board considers it appropriate and proposes that the Final Dividend be paid out of the Company's share premium account in accordance with Article 134 of the Articles of Association and section 34(2) of the Companies Act.

The Board considers such arrangement to be in the interests of the Company and its Shareholders as a whole. The Board believes that the payment of the Final Dividend will not have any material adverse effect on the underlying assets, business, operations or financial position of the Group and does not involve any reduction in the authorised or issued share capital of the Company or reduction in the nominal value of the Shares or result in any change in the trading arrangements in respect of the Shares. Ultimately, the Board considers that the proposed declaration and payment of the Final Dividend out of the Company's share premium account is in the interests of the Company and the Shareholders as a whole.

LETTER FROM THE BOARD

RE-ELECTION OF DIRECTORS

Pursuant to Article 84 of the Articles of Association, at every annual general meeting of the Company, one-third of the Directors for the time being (or, if their number is not a multiple of three, the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement by rotation at least once every three years. A retiring Director shall be eligible for re-election and shall continue to act as a Director throughout the meeting at which he retires. The Directors to retire by rotation shall include (so far as necessary to ascertain the number of directors to retire by rotation) any Director who wishes to retire and not to offer himself for re-election. Any further Directors so to retire shall be those of the other Directors subject to retirement by rotation who have been longest in office since their last re-election or appointment. In accordance with Articles 84(1) and 84(2) of the Articles of Association, Mr. Luan Linjiang and Mr. Luan Xiaolong, being executive Directors of the Company, will retire from their offices at the AGM, and being eligible, offer themselves for re-election.

The Nomination Committee has also reviewed and considered each retiring Director's respective experience, skills and knowledge, and recommended to the Board that the re-election of all retiring Directors be proposed for Shareholders' approval at the AGM.

Details of the above named Directors who are subject to the re-election at the AGM are set out in Appendix II to this circular in accordance with the relevant requirements of the Listing Rules. The biography of the retiring Directors set out in Appendix II to this circular indicates the perspectives, skills and experience each individual can bring to the Board and contribute to the diversity of the Board.

RE-APPOINTMENT OF AUDITOR

The Board proposes to re-appoint PricewaterhouseCoopers as the independent auditor of the Company for the year ending 31 December 2023 and to hold the office until the conclusion of the next annual general meeting of the Company. A resolution will also be proposed to authorize the Board to fix the auditor's remuneration for the ensuing year. PricewaterhouseCoopers have indicated their willingness to be re-appointed as auditor of the Company for the said period.

The AGM Notice is set out on pages 17 to 21 of this circular.

A form of proxy for use at the AGM is enclosed with this circular and is also published on the websites of the Company and the Stock Exchange. Whether or not you intend to attend the AGM, you are requested to complete the form of proxy in accordance with the instructions printed thereon and return the same to the Company's Hong Kong branch share registrar, Computershare Hong Kong Investor Services Limited at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong as soon as possible and in any event not later than 48 hours before the time appointed for holding the AGM or any adjournment thereof.

LETTER FROM THE BOARD

Completion and return of the form of proxy will not preclude you from attending and voting at the AGM or any adjournment thereof should you so wish.

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on any resolutions to be proposed at the AGM as at the Latest Practicable Date.

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of the Shareholders at a general meeting of the Company must be taken by way of poll. Accordingly, the resolutions to be considered and, if thought fit, approved at the AGM will be voted by way of a poll by the Shareholders.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

RECOMMENDATION

The Directors consider that the proposed resolutions for the grant of the Repurchase Mandate and the Issue Mandate (and the extension thereof), the declaration and payment of the Final Dividend out of the Company's share premium account, and the re-election of the retiring Directors, are all in the interests of the Company and the Shareholders as a whole. The Directors therefore recommend all Shareholders to vote in favour of all the relevant resolutions to be proposed at the AGM.

Yours faithfully,
By order of the Board
JY GAS LIMITED
Luan Linjiang
Chairman of the Board

This Appendix I serves as an explanatory statement, as required by Rule 10.06(1)(b) of the Listing Rules, to provide the requisite information to you to enable you to make an informed decision as to whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the proposed granting of the Repurchase Mandate.

PROVISIONS OF THE LISTING RULES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their securities on the Stock Exchange subject to certain restrictions, the most important of which are summarised below.

EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, the issued share capital of the Company was US\$44,000 comprising 440,000,000 Shares. Subject to the passing of the resolution approving the granting of the proposed Repurchase Mandate at the AGM and on the basis that no further Shares are issued and/or repurchased between the Latest Practicable Date and the date of passing of the resolution approving the Repurchase Mandate, exercise in full of the Repurchase Mandate could result in up to 44,000,000 Shares, representing 10% of the issued ordinary share capital of the Company as at the date of passing of such resolution, being repurchased by the Company during the period from the date of passing the resolution granting the Repurchase Mandate until the earlier of (i) the conclusion of the next annual general meeting of the Company unless by an ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held under any applicable Cayman Islands law or the Articles of Association; or (iii) the date on which the authority given under the ordinary resolution approving the Repurchase Mandate is revoked, varied or renewed by an ordinary resolution of the Shareholders.

REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to seek the Repurchase Mandate from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/ or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders. The timing of such repurchases, the number of Shares to be repurchased, the repurchase price and other terms upon which the Shares are repurchased will be decided by the Directors at the relevant time having regard to the prevailing circumstances.

FUNDING OF REPURCHASES

Repurchases of Shares will be financed out of funds legally available for such purpose and in accordance with the Articles of Association, the applicable laws of the Cayman Islands and the Listing Rules. The Company may not repurchase the Shares for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to

time. Subject to the foregoing, the Company may make repurchases with funds which would otherwise be available for dividend or distribution or out of an issue of new Shares for the purpose of the repurchase or, subject to compliance with the Companies Act (As Revised) of the Cayman Islands, out of capital.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that if the Repurchase Mandate were to be exercised in full at the current prevailing market value, it might have a material adverse impact on the working capital and gearing position of the Company, as compared with the position disclosed in the audited consolidated financial statements of the Company as at 31 December 2022, being the date to which the latest published audited consolidated financial statements of the Company were made up. However, the Directors do not propose to exercise the Repurchase Mandate to repurchase Shares to such an extent as would, in the circumstances, result in a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the memorandum of association of the Company, the Articles of Association and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules) currently intends to sell any Shares to the Company or its subsidiaries in the event that the Repurchase Mandate is approved by the Shareholders.

No core connected person (as defined in the Listing Rules) has notified the Company that he or she or it has a present intention to sell his or her or its Shares to the Company, nor has he or she or it undertaken not to do so, in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

EFFECTS OF THE TAKEOVERS CODE

If, as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the interest of the Shareholder(s), could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the Company had 440,000,000 Shares in issue. According to the register kept by the Company pursuant to Section 336 of the SFO, Mr. Luan Xiaolong had deemed interests in 217,800,000 Shares, representing approximately 49.50% of the issued share capital of the Company.

On the assumption that the issued share capital of the Company remains the same, in the event that the Directors exercise in full the power to repurchase Shares under the Repurchase Mandate, the shareholding of Mr. Luan Xiaolong in the Company would be increased from approximately 49.50% to approximately 55.00% of the issued share capital of the Company. As such, an obligation to make a mandatory offer to the Shareholders under the Takeovers Code may potentially arise. The Directors have no present intention to exercise the Repurchase Mandate to such extent which would otherwise result in takeover obligations or the number of Shares being held by the public falling below the minimum requirement as prescribed by the Stock Exchange, which is currently 25% of the entire issued share capital of the Company.

SHARE REPURCHASE MADE BY THE COMPANY

The Company has not repurchased any of the Shares (whether on the Stock Exchange or otherwise) during the period from the Listing Date and up to the Latest Practicable Date.

SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during the period from the Listing Date up to the Latest Practicable Date were as follows:

Month	Share Prices (per Share)	
	Highest (HK\$)	Lowest (HK\$)
2022		
November	1.60	1.15
December	1.30	0.84
2023		
January	1.09	0.86
February	0.92	0.73
March	0.77	0.65
