1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 216,000,000 Shares.

Subject to the passing of the ordinary resolution set out in item 4 of the notice of the Annual General Meeting in respect of the granting of the Share Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged on the date of the Annual General Meeting, i.e. being 216,000,000 Shares, the Directors would be authorized under the Share Repurchase Mandate to repurchase, during the period in which the Share Repurchase Mandate remains in force, a total of 21,600,000 Shares, representing 10% of the total number of Shares in issue as at the date of the Annual General Meeting.

2. REASONS FOR SHARE REPURCHASE

The Directors believe that the granting of the Share Repurchase Mandate is in the best interests of the Company and the Shareholders.

Shares repurchase may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

3. FUNDING OF SHARE REPURCHASE

The Company may only apply funds legally available for share repurchase in accordance with its Memorandum and Articles of Association, the laws of Cayman Islands and/or any other applicable laws, as the case may be.

4. IMPACT OF SHARE REPURCHASE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2022) in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange during each of the previous 12 months and up to and including the Latest Practicable Date were as follows:

	May	0.98	0.70
	June	0.91	0.80
	July	0.81	0.70
	August	0.79	0.71
	September	0.75	0.75
	October	0.80	0.50
	November	0.55	0.50
	December	0.70	0.50
2023	January	1.00	0.60
	February	0.98	0.73
	March	0.62	0.54
	April (<i>up to the Latest Practicable Date</i>)	0.55	0.50

6. GENERAL

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

7. UNDERTAKING

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to repurchase Shares pursuant to the Share Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Cayman Islands.

8. TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge of the Company, as at the Latest Practicable Date, Mr. Ji Guang controlled, through his family trust and controlled corporations, the voting rights of 162,000,000 Shares representing approximately 75% of the total issued share capital of the Company. In the event that the Directors exercise the proposed Share Repurchase Mandate in full, the interest of Mr. Ji would be increased to approximately 83.33% of the issued share capital of the Company. In the opinion of the Directors, such increase would not give rise to an obligation to make a general offer under Rule 26 of the Takeovers Code but would result in the number of Shares held by the public being reduced to less than 25%.

The Directors do not propose to exercise the Share Repurchase Mandate to such an extent as would, in the circumstances, result in the aggregate number of Shares held by the public shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

9. SHARE REPURCHASE MADE BY THE COMPANY

During the period from the Listing Date to the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise).

 - (ii) the Subscription Right Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than the share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;

- (iii) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the shortfall between:
- (aa) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
- (bb) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par; and
- (cc) immediately upon such exercise so much of the sum standing to the credit of the Subscription Right Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holder; and

- (iv) if upon the exercise of the subscription rights represented by any warrant the amount standing to the credit of the Subscription Right Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such shortfall as aforesaid to which the exercising warrant holder is entitled, the Directors shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted or not prohibited by law, share premium account) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment up and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Directors may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.
- (B) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other shares allotted or which ought to be allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (A) of this Article, no fraction of any share shall be allotted on exercise of the subscription rights.
- (C) The provisions of this Article as to the establishment and maintenance of the Subscription Right Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating, the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a Special Resolution of such warrant holder(s) or class of warrant holders.
- (D) A certificate or report by the Auditors as to whether or not the Subscription Right Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Right Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Right Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.

STOCK

193. The following provisions shall have effect at any time and from time to time that they are not prohibited by or inconsistent with the Statutes: Conversion of shares into stock

- (i) The Company may by Ordinary Resolution convert any fully paid shares into stock, and may from time to time by like resolution reconvert any stock into fully paid shares of any denomination.
- (ii) The holders of stock may transfer the same or any part thereof in the same manner, and subject to the same regulations as and subject to which the shares from which the stock arose might prior to conversion have been transferred or as near thereto as circumstances admit, but the Directors may from time to time, if they think fit, fix the minimum amount of stock transferable and restrict or prohibit the transfer of fractions of that minimum, but so that such minimum shall not exceed the nominal amount of the shares from which the stock arose. No warrants to bearer shall be issued in respect of any stock.
- (iii) The holders of stock shall, according to the amount of the stock held by them, have the same rights, privileges and advantages as regards dividends, participation in assets on a winding up, voting at meetings, and other matters, as if they held the shares from which the stock arose, but no such rights, privileges or advantages (except participation in the dividends and profits and in the assets on winding up of the Company) shall be conferred by an amount of stock which would not, if existing in shares, have conferred such rights, privileges or advantages.
- (iv) Such of the provisions of these Articles as are applicable to fully paid shares shall apply to stock, and the words “share” and “shareholder” herein shall include “stock” and “stockholder” and “member”.
