8.2 Any person becoming entitled to a share in consequence of the death or bankruptcy or winding-up of a member may, upon such evidence as to his title being produced as may from time to time be required by the Board and subject as hereinafter provided, either be registered himself as holder of the share or elect to have some other person nominated by him registered as the transferee thereof.

If he shall elect to have his nominee registered he shall testify his election by executing in favour of his nominee a transfer of such share. All the limitations, restrictions and provisions of these Articles relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or bankruptcy or winding-up of the member had not occurred and the notice or transfer were a transfer executed by such member.

Retention of dividends, etc., until transfer or transmission of shares of a deceased or bankrupt member

- 8.4 A person becoming entitled to a share by reason of the death or bankruptcy or winding-up of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Article 14.3 being met, such a person may vote at meetings.

9 Forfeiture of Shares

If call or instalment not paid notice may be given

- 9.1 If a member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Board may, at any time during such time as any part thereof remains unpaid, without prejudice to the provisions of Article 6.10, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued and which may still accrue up to the date of actual payment.

Form of notice

- 9.2 The notice shall name a further day (not earlier than the expiration of 14 days from the date of service of the notice) on or before which, and the place where, the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is unpaid will be liable to be forfeited. The Board may accept a surrender of any share liable to be forfeited hereunder and in such case, references in these Articles to forfeiture shall include surrender.

If notice not complied with shares may be forfeited

- 9.3 If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends and bonuses declared in respect of the forfeited share, and not actually paid before the forfeiture.

Forfeited shares to be deemed property of Company

- 9.4 Any share so forfeited shall be deemed to be the property of the Company, and may be re-allotted, sold or otherwise disposed of on such terms and in such manner as the Board thinks fit and at any time before a re-allotment, sale or disposition the forfeiture may be cancelled by the Board on such terms as it thinks fit.

Arrears to be paid notwithstanding forfeiture

- 9.5 A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares but shall, notwithstanding this, remain liable to pay to the Company all monies which, at the date of forfeiture, were payable by him to the Company in respect of the shares, together with (if the Board shall in its discretion so require) interest thereon from the date of forfeiture until payment at such rate not exceeding 15% per annum as the Board may prescribe, and the Board may enforce the payment thereof if it thinks fit, and without any deduction or allowance for the value of the shares forfeited, at the date of forfeiture. For the purposes of this Article any sum which, by the terms of issue of a share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether

on account of the nominal value of the share or by way of premium, shall notwithstanding that time has not yet arrived, be deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.

**Evidence of
forfeiture**

9.6 A statutory declaration in writing that the declarant is a Director or Secretary, and that a share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. The Company may receive the consideration, if any, given for the share on any re-allotment, sale or disposition thereof and the Board may authorise any person to execute a letter of re-allotment or transfer the share in favour of the person to whom the share is re-allotted, sold or disposed of and he shall thereupon be registered as the holder of the share, and shall not be bound to see to the application of the subscription or purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, re-allotment, sale or other disposal of the share.

**Notice after
forfeiture**

9.7 When any share shall have been forfeited, notice of the forfeiture shall be given to the member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register. Notwithstanding the above, no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice as aforesaid.

**Power to redeem
forfeited shares**

9.8 Notwithstanding any such forfeiture as aforesaid, the Board may at any time, before any share so forfeited shall have been re-allotted, sold, or otherwise disposed of, permit the share forfeited to be redeemed upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as it thinks fit.

**Forfeiture not
to prejudice
Company's right
to call or
instalment**

9.9 The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.

**Forfeiture for
non-payment of
any sum due on
shares**

9.10 The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

Any person so elected shall hold office during such time only as the Director in whose place he is elected would have held the same if he had not been removed. Nothing in this Article should be taken as depriving a Director removed under any provision of this Article of compensation or damages payable to him in respect of the termination of his appointment as Director or of any other appointment or office as a result of the termination of his appointment as Director or as derogatory from any power to remove a Director which may exist apart from the provision of this Article.

- (b) to exclude the right of participation or entitlement of any member with a registered address in any territory where:
 - (i) the circulation of an offer of such right or entitlement would or might be unlawful in the absence of a registration statement or other special formalities;

- (c) to authorise any person to enter on behalf of all members entitled thereto into an agreement with the Company providing for the allotment to them respectively, credited as fully paid up, of any further shares, debentures or other securities to which they may be entitled upon such capitalisation, or, as the case may require, for the payment up by the Company on their behalf, by the application thereto of their respective proportions of the profits resolved to be capitalised, of the amounts or any part of the amounts remaining unpaid on their existing shares, and any agreement made under such authority shall be effective and binding on all such members.
- 23.3 The Board may, in relation to any capitalisation sanctioned under Article 23.2 in its absolute discretion specify that, and in such circumstances and if directed so to do by a member or members entitled to an allotment and distribution credited as fully paid up of unissued shares or debentures in the Company pursuant to such capitalisation, the unissued shares, debentures or other securities to which that member is entitled shall be allotted and distributed credited as fully paid up to such person or persons as that member may nominate by notice in writing to the Company, such notice to be received not later than the day for which the general meeting of the Company to sanction the capitalisation is convened.

Board's power to
pay interim
dividends

- 24.3 The Board may from time to time pay to the members such interim dividends as appear to the Board to be justified by the profits of the Company and, in particular (but without prejudice to the generality of the foregoing), if at any time the share capital of the Company is divided into different classes, the Board may pay such interim dividends in respect of those shares in the capital of the Company which confer on the holders thereof deferred or non-preferential rights as well as in respect of those shares which confer on the holders thereof preferential rights with regard to dividend and provided that the Board acts bona fide, the Board shall not incur any responsibility to the holders of shares conferring any preferential rights.

24.4 The Board may also pay half-yearly or at other intervals to be selected by it any dividend which may be payable at a fixed rate if the Board is of the opinion that the profits available for distribution justify the payment.

Powers of
Directors to
declare and pay
special dividends

24.5 The Board may in addition from time to time declare and pay special dividends on shares of any class of such amounts and on such dates as they think fit, and the provisions of Article 24.3 as regards the powers and the exemption from liability of the Board as relate to declaration and payment of interim dividends shall apply, mutatis mutandis, to the declaration and payment of any such special dividends.

Dividends not to
be paid out of
capital

24.6 No dividend shall be declared or payable except out of the profits and reserves of the Company lawfully available for distribution including share premium. No dividend shall carry interest against the Company.

Scrip dividends

24.7 Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared on the share capital of the Company, the Board may further resolve:

EITHER

As to cash
election

(a) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up, provided that the members entitled thereto will be entitled to elect to receive such dividend (or part thereof) in cash in lieu of such allotment. In such case, the following provisions shall apply:

- (i) the basis of any such allotment shall be determined by the Board;
- (ii) the Board, after determining the basis of allotment, shall give not less than two weeks' notice in writing to the members of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
- (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded;
- (iv) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised (the "**non-elected shares**") and in satisfaction thereof shares shall be allotted credited as fully paid to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the

Company's reserve accounts (including any special account, share premium account and capital redemption reserve (if there be any such reserve)) or profit and loss account or amounts otherwise available for distribution as the Board may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the non-elected shares on such basis;

OR

As to scrip
election

- (b) that members entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit. In such case, the following provisions shall apply:
- (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than two weeks' notice in writing to members of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded;
 - (iv) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on shares in respect whereof the share election has been duly exercised (the "**elected shares**") and in lieu thereof shares shall be allotted credited as fully paid to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company's reserve accounts (including any special account, share premium account and capital redemption reserve (if there be any such reserve)) or profit and loss account or amounts otherwise available for distribution as the Board may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the elected shares on such basis.

24.8 The shares allotted pursuant to the provisions of Article 24.7 shall be of the same class as the class of, and shall rank *pari passu* in all respects with, the shares then held by the respective allottees save only as regards participation:

- (a) in the relevant dividend (or share or cash election in lieu thereof as aforesaid); or
- (b) in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend, unless contemporaneously with the announcement by the Board of its proposal to apply the provisions of Article 24.7(a) or 24.7(b) in relation to the relevant dividend or contemporaneously with its announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of Article 24.7 shall rank for participation in such distributions, bonuses or rights.

24.9 The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of Article 24.8 with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the members concerned). The Board may authorise any person to enter into on behalf of all members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.

24.10 The Company may upon the recommendation of the Board by ordinary resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of Article 24.7 a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid without offering any right to members to elect to receive such dividend in cash in lieu of such allotment.

24.11 The Board may on any occasion determine that rights of election and the allotment of shares under Article 24.7 shall not be made available or made to any members with registered addresses in any territory where:

- (a) the circulation of an offer of such rights of election or the allotment of shares would or might be unlawful in the absence of a registration statement or other special formalities; or
- (b) the costs, expenses or possible delays in ascertaining the existence or extent of the legal and other requirements applicable to such offer or the acceptance of such offer are, in the Board's opinion, out of proportion to the benefits of the Company,

and in any such case the provisions aforesaid shall be read and construed subject to such determination.

- Share premium and reserves** 24.12 The Board shall establish an account to be called the share premium account and shall carry to the credit of such account from time to time a sum equal to the amount or value of the premium paid on the issue of any share in the Company. The Company may apply the share premium account in any manner permitted by the Companies Act. The Company shall at all times comply with the provisions of the Companies Act in relation to the share premium account.
- 24.13 The Board may, before recommending any dividend, set aside out of the profits of the Company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for meeting claims on or liabilities of the Company or contingencies or for paying off any loan capital or for equalising dividends or for any other purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (including shares, warrants and other securities of the Company) as the Board may from time to time think fit, and so that it shall not be necessary to keep any reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute by way of dividend.
- Dividends to be paid in proportion to paid up capital** 24.14 Unless and to the extent that the rights attached to any shares or the terms of issue thereof otherwise provide, all dividends shall (as regards any shares not fully paid throughout the period in respect of which the dividend is paid) be apportioned and paid pro rata according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid. For the purpose of this Article no amount paid up on a share in advance of calls shall be treated as paid up on the share.
- Retention of dividends, etc.** 24.15 The Board may retain any dividends or other monies payable on or in respect of a share upon which the Company has a lien, and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists.
- 24.16 The Board may retain any dividends or other monies payable upon shares in respect of which any person is, under the provisions as to the transmission of shares hereinbefore contained, entitled to become a member, or in respect of which any person is under those provisions entitled to transfer, until such person shall become a member in respect of such shares or shall transfer the same.
- Deduction of debts** 24.17 The Board may deduct from any dividend or other monies payable to any member all sums of money (if any) presently payable by him to the Company on account of calls, instalments or otherwise.

**Dividend and
call together**

24.18 Any general meeting sanctioning a dividend may make a call on the members of such amount as the meeting resolves, but so that the call on each member shall not exceed the dividend payable to him, and so that the call be made payable at the same time as the dividend, and the dividend may, if so arranged between the Company and the member, be set off against the call.

**Dividend in
specie**

24.19 The Board, with the sanction of the members in general meeting, may direct that any dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of any other company, or in any one or more of such ways, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may disregard fractional entitlements, round the same up or down or provide that the same shall accrue to the benefit of the Company, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any members upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend and such appointment shall be effective. Where required, a contract shall be filed in accordance with the provisions of the Companies Act and the Board may appoint any person to sign such contract on behalf of the persons entitled to the dividend and such appointment shall be effective.

**Effect of
transfer**

24.20 A transfer of shares shall not pass therewith the right to any dividend or bonus declared thereon before the registration of the transfer.

24.21 Any resolution declaring or resolving upon the payment of a dividend or other distribution on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may, subject to the provisions of the Listing Rules, specify that the same shall be payable or made to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend or other distribution shall be payable or made to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares.

**Receipt for
dividends by
joint holders of
share**

24.22 If two or more persons are registered as joint holders of any shares, any one of such persons may give effectual receipts for any dividends, interim and special dividends or bonuses and other monies payable or rights or property distributable in respect of such shares.

Payment by post 24.23 Unless otherwise directed by the Board, any dividend, interest or other sum payable in cash to a holder of shares may be paid by cheque or warrant sent through the post to the registered address of the member entitled, or, in case of joint holders, to the registered address of the person whose name stands first in the register in respect of the joint holding or to such person and to such address as the holder or joint holders may in writing direct. Every cheque or warrant so sent shall be made payable to the order of the holder or, in the case of joint holders, to the order of the holder whose name stands first on the register in respect of such shares and shall be sent at his or their risk, and the payment of any such cheque or warrant by the bank on which it is drawn shall operate as a good discharge to the Company in respect of the dividend and/or bonus represented thereby, notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged.

App-3
F.13(1) 24.24 The Company may cease sending such cheques for dividend entitlements or dividend warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions. However, the Company may exercise its power to cease sending cheques for dividend entitlements or dividend warrants after the first occasion on which such a cheque or warrant is returned undelivered.

Unclaimed dividend
App-3
F.3(2) 24.25 All dividends or bonuses unclaimed for one year after having been declared may be invested or otherwise made use of by the Board for the exclusive benefit of the Company until claimed and the Company shall not be constituted a trustee in respect thereof or be required to account for any money earned thereon. All dividends or bonuses unclaimed for six years after having been declared may be forfeited by the Board and shall revert to the Company and after such forfeiture no member or other person shall have any right to or claim in respect of such dividends or bonuses.

25 Untraceable Members

The net proceeds of any such sale shall belong to the Company and upon receipt by the Company of such net proceeds it shall become indebted to the former member for an amount equal to such net proceeds.

- 25.2 To give effect to any sale contemplated by Article 25.1 the Company may appoint any person to execute as transferor an instrument of transfer of the said shares and such other documents as are necessary to effect the transfer, and such documents shall be as effective as if it had been executed by the registered holder of or person entitled by transmission to such shares and the title of the transferee shall not be affected by any irregularity or invalidity in the proceedings relating thereto. 32 Winding Up

App 3 r.21 32.1 Subject to the Companies Act, the Company may by special resolution resolve that the Company be wound up voluntarily.

Power to distribute assets in specie following liquidation 32.2 ~~32.1~~ If the Company shall be wound up (whether the liquidation is voluntary, under supervision or by the court) the liquidator may, with the authority of a special resolution of the Company and any other sanction required by the Companies Act divide among the members *in specie* or kind the whole or any part of the assets of the Company (whether the assets shall consist of property of one kind or shall consist of properties of different kinds) and may for such purpose set such value as he deems fair upon any property to be divided and may determine how such division shall be carried out as between the members or different classes of members. The liquidator may, with the like authority or sanction vest the whole or any part of such assets in trustees upon such trusts for the benefit of the members as the liquidator, with the like authority or sanction and subject to the Companies Act, shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no member shall be compelled to accept any assets, shares or other securities in respect of which there is a liability.

Distribution of assets in liquidation 32.3 ~~32.2~~ If the Company shall be wound up, and the assets available for distribution amongst the members as such shall be insufficient to repay the whole of the paid-up capital, such assets shall be distributed so that, as nearly as may be, the losses shall be borne by the members in proportion to the capital paid up, or which ought to have been paid up, at the commencement of the winding up on the shares held by them respectively. If in a winding up the assets available for distribution amongst the members shall be more than sufficient to repay the whole of the capital paid up at the commencement of the winding up, the excess shall be distributed amongst the members in proportion to the capital paid up at the commencement of the winding up on the shares held by them respectively.

This Article is to be without prejudice to the rights of the holders of shares issued upon special terms and conditions.

36 Transfer by Way of Continuation

Transfer by Way
of Continuation

The Company shall, subject to the provisions of the Companies Act and with the approval of a special resolution, have the power to register by way of continuation as a body corporate under the laws of any jurisdiction outside the Cayman Islands and to be deregistered in the Cayman Islands.

37 Mergers and Consolidations

Mergers and
Consolidations

The Company shall, with the approval of a special resolution, have the power to merge or consolidate with one or more constituent companies (as defined in the Companies Act), upon such terms as the Directors may determine.

The following is the explanatory statement required to be sent to the Shareholders under the Listing Rules to enable them to make an informed decision on whether to vote for or against the ordinary resolution in relation to the General Mandate to Buy-back Shares to be proposed at the AGM.

1. SHARE BUY-BACK PROPOSAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 727,510,437 Shares. It is proposed that up to a maximum of 10% of the Shares in issue as at the date of passing of the relevant resolution to approve the General Mandate to Buy-back Shares may be bought back by the Directors. Subject to the passing of the relevant ordinary resolution to approve the General Mandate to Buy-back Shares and on the basis that no further Shares are issued between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the General Mandate to Buy-back Shares to buy back, during the period in which the General Mandate to Buy-back Shares remains in force, up to a maximum of 72,751,043 Shares.

2. REASONS FOR BUY-BACKS

The Directors believe that it is in the best interests of the Company and its Shareholders as a whole to have a general authority from the Shareholders to enable the Company to buy back Shares in the market. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and its Shareholders as a whole.

3. FUNDING OF BUY-BACKS

In buying back Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles of Association and the applicable laws of the Cayman Islands and/or any other applicable laws, as the case may be.

The Directors propose that such buy-backs of Shares be appropriately financed by the Company's distributable profits (if any in the future) and/or the proceeds of a fresh issue of Shares made for the purpose of such buy-backs. There might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited consolidated financial statements contained in the annual report of the Company for the year ended December 31, 2022 and taking into account the financial position of the Company as at the Latest Practicable Date, in the event that the General Mandate to Buy-back Shares were to be carried out in full at any time during the proposed buy-back period. However, the Directors do not propose to exercise the General Mandate to Buy-back Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. DIRECTORS' UNDERTAKING AND CORE CONNECTED PERSONS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, the exercise of the power of the Company to buy back any Shares pursuant to the General Mandate to Buy-back Shares will be in accordance with the Listing Rules and the applicable laws of the Cayman Islands and/or any other applicable laws, as the case may be.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates have a present intention, in the event that the General Mandate to Buy-back Shares is approved by the Shareholders, to sell any Shares to the Company.

No core connected persons of the Company have notified the Company of a present intention to sell any Shares to the Company, or have undertaken not to do so, in the event that the Company is authorised to make buy-backs of its Shares.

5. EFFECT OF THE TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of a Share buy-back, any such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (depending on the level of increase of Shareholders' interests) could obtain or consolidate control of the Company and become obliged to make a mandatory general offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge of the Company, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any buy-back of Shares made pursuant to the General Mandate to Buy-back Shares. Nevertheless, the Directors have no present intention to exercise the General Mandate to Buy-back Shares and will not effect any buy-back of Shares to such an extent which would, in the circumstances, trigger an obligation to make a mandatory general offer in accordance with Rule 26 of the Takeovers Code and/or result in the aggregate number of Shares held by the public Shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

6. SHARE BUY-BACKS MADE BY THE COMPANY

There was no buy-back by the Company of the Shares during the 6 months prior to the Latest Practicable Date (whether on the Stock Exchange or otherwise).

7. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous 12 months preceding the Latest Practicable Date were as follows:
