In accordance with the nomination policy of the Company and the objective criteria (including without limitation, gender, age, ethnicity, cultural and educational background, professional experiences and knowledge) with due regard for the benefits of diversity, as set out under the board diversity policy of the Company, the Nomination Committee has reviewed the re-election of the Directors through:

- (b) assessing the independence of the independent non-executive Directors, being Mr. Lee Kwun Kwan, Mr. Kwok Chi Shing and Mr. Yan Sherman Chuek-ning, and considered whether they remained independent and suitable to continue to act in such roles.

After due evaluation and assessment, the Nomination Committee is of the opinion that:

- (a) the performance of the retiring Directors was satisfactory and contributed effectively to the operation of the Board; and
- (b) based on the information available to the Nomination Committee and the annual written independence confirmation received from the independent non-executive Directors, the Nomination Committee was satisfied that Mr. Lee Kwun Kwan, Mr. Kwok Chi Shing and Mr. Yan Sherman Chuek-ning:

7. LISTING RULES REQUIREMENT

According to Rule 13.39(4) of the Listing Rules, any vote of shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hand. 8. RECOMMENDATION

The Directors believe that the granting of the Repurchase Mandate and the Issue Mandate, the extension of the Issue Mandate to the Directors and the re-election of the retiring Directors are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of all the resolutions set out in the notice of the AGM.

Yours faithfully,
For and on behalf of the Board
Bonjour Holdings Limited
Chen Jianwen
Chairman and Executive Director

The following explanatory statement contains all the information required pursuant to Rule 10.06 of the Listing Rules to be given to all Shareholders relating to the resolution to be proposed at the AGM authorising the Repurchase Mandate.

1. EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, the issued ordinary share capital of the Company comprised 3,512,565,999 Shares. Subject to the passing of the ordinary resolution approving the Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of passing of such resolution, the Directors would be authorised to repurchase up to 351,256,599 Shares (being 10% of the Shares in issue) during the period up to (i) the next annual general meeting of the Company in 2023; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by the Articles of Association or any applicable laws of the Cayman Islands; or (iii) the revocation or variation of the Repurchase Mandate by an ordinary resolution of the Shareholders in a general meeting of the Company, whichever occurs first.

2. REASONS FOR REPURCHASE

The Directors have no present intention to repurchase any Shares but consider that the mandate will provide the Company the flexibility to make such repurchases when appropriate and beneficial to the Company. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the value of the net assets and/or earnings per Share.

3. FUNDING OF REPURCHASES

Repurchasing Shares must be made of the funds legally available for such purpose in accordance with the Articles of Association and the applicable laws of the Cayman Islands and Hong Kong. The Companies Laws provide that a share repurchase by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of shares made for the purpose or, if so authorised by the Articles of Association and subject to the provisions of the Companies Law, out of capital. Any premium payable on a repurchase over the par value of the Shares repurchased or conditionally or unconditionally to be purchased must be provided for out of profits of the Company or out of the Company's share premium account or, if so authorised by the Articles of Association and subject to the provisions of the Companies Laws, out of capital.

4. IMPACT ON WORKING CAPITAL OR GEARING LEVEL

As compared with the financial position of the Company as disclosed in its most recent published audited consolidated accounts as at 31 December 2021, the Directors consider that there might be a material adverse impact on the working capital or gearing position of the Company in the event that the proposed Share repurchases were to be carried out in full during the proposed purchase period. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company.

5. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules), has any present intention, in the event that the repurchase proposal is approved by the Shareholders, to sell Shares to the Company or its subsidiaries.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she has a present intention to sell Shares to the Company or its subsidiaries, or has undertaken not to do so in the event that the Repurchase Mandate is approved by the Shareholders.

6. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make repurchases of Shares pursuant to the Repurchase Mandate and in accordance with the Listing Rules and all applicable laws of the Cayman Islands, and in accordance with the regulations set out in the Articles of Association.

7. EFFECT OF TAKEOVERS CODE

If on exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such an increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. The Directors are not aware of any Shareholders, or a group of Shareholders acting in concert, who may become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code in the event that the Directors exercise the power to repurchase Shares pursuant to the Repurchase Mandate.

As at the Latest Practicable Date, 2,244,195,868 Shares are held by Mr. Chen Jianwen, which is approximately 63.89% of the issued Shares.

In the event that the Directors exercised in full the power to repurchase Shares in accordance with the Repurchase Mandate, the interests of Mr. Chen Jianwen in the Company would be increased to approximately 70.99% of the issued Shares. Such an increase would not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code.

In any event, the Directors have no intention to exercise the Repurchase Mandate to such an extent that would result in takeover obligation or the public holding of Shares would be reduced below 25% of the issued shares of the Company.

8. SHARE PURCHASE MADE BY THE COMPANY

The Company has not repurchased any of its Shares during the six months preceding the Latest Practicable Date.

9. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months prior to the Latest Practicable Date were as follows:
