CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE

GEM has been positioned as a market designed to accommodate small and mid-size companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

LETTER FROM THE BOARD

PROPOSED RE-ELECTION OF RETIRING DIRECTORS

This appendix contains the particulars that are required by the GEM Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed view on whether to vote for or against the resolution to be proposed at the AGM in relation to the Proposed Repurchase Mandate.

(1) SHARE CAPITAL

As at the Latest Practicable Date, the number of Shares in issue was 3,666,936,000 Shares. Subject to the passing of the resolution granting the Proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the AGM, the Company will be allowed to repurchase a maximum of 366,693,600 Shares (being 10% of the total number of issued Shares as at the Latest Practicable Date) during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or any applicable law to be held or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting, whichever occurs first. As at the Latest Practicable Date, the Directors have no intention to exercise the Repurchase Mandate.

(2) SOURCE OF FUNDS

Repurchases must be funded out of funds of the Company which are legally available for such purpose and in accordance with the Memorandum, the Articles of Association and the laws of the jurisdiction in which the Company is incorporated or otherwise established.

(3) REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions, and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or earnings per share of the Company and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders and pursuant to the Proposed Repurchase Mandate to be renewed at the forthcoming AGM in accordance with the GEM Listing Rules and the laws of the jurisdiction in which the Company is incorporated or otherwise established. The Directors consider that if the general mandate to repurchase Shares were to be exercised in full at the currently prevailing market value, it would have a material adverse impact on the working capital position and gearing position of the Company, as compared with the positions disclosed in the audited consolidated accounts of the Company for year ended 31 December 2022, being the date to which the latest published accounts of the Company were made up. The Directors do not propose to exercise the mandate to repurchase Shares to such extent as would, in the circumstances,

have a material adverse effect on the working capital requirements of the Company or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

(4) SHARE PRICES

The following table shows the highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the 12 months immediately preceding the Latest Practicable Date:

Month	Price for Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2022		
May	0.199	0.142
June	0.200	0.130

August	0.200	0.185
September	0.199	0.181
October	0.199	0.093
November	0.199	0.160
December	0.195	0.150
2023		
January	0.200	0.180
February	0.199	0.161
March	0.187	0.141
April	0.156	0.112
May (up to and including the Latest Practicable Date)	0.146	0.116

(5) GENERAL

To the best of their knowledge, having made all reasonable enquiries, none of the Directors nor any of their close associates (as defined in the GEM Listing Rules) currently intend to sell any Shares to the Company or its subsidiaries in the event that the Proposed Repurchase Mandate is approved by the Shareholders. The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Proposed Repurchase Mandate pursuant to the relevant proposed resolution herein and in accordance with the GEM Listing Rules, the applicable laws of the Cayman Islands and the Memorandum and the Articles of Association. No core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he has a present intention to sell any Shares to the Company, or has undertaken not to do so, in the event that the Proposed Repurchase Mandate is approved by the Shareholders.

(6) EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

In the event that the Directors shall exercise the Proposed Repurchase Mandate in full and assuming that there is no change in the issued share capital of the Company as at the date of passing of the relevant resolution granting the Proposed Repurchase Mandate, there is no Shareholder whose shareholding will be increased to such an extent as will give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no present intention to exercise in full the power to repurchase Shares proposed to be granted pursuant to the Proposed Repurchase Mandate.

As at the Latest Practicable Date, the existing public float of the Company is approximately 54.17% of the issued share capital of the Company. If the Proposed Repurchase Mandate is exercised by the Company in full, the public float of the Company would be approximately 49.08% of the issued share capital of the Company. The GEM Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

(7) SHARE REPURCHASED BY THE COMPANY

The Company had not repurchased any Shares (whether on the Stock Exchange or otherwise) in the six months preceding the date of this circular.
