For details of the Proposed Amendments, please refer to Appendix III to this circular. The Shareholders are advised that the Proposed Amendments are available only in English and the Chinese translation of the Proposed Amendments provided in Appendix III to this circular in Chinese is for reference only. ### ACTIONS TO BE TAKEN

### RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

### RECOMMENDATION

The Directors believe that the proposed grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate, the re-election of Directors, and the adoption of the Second Amended and Restated Memorandum and Articles of Association are beneficial to the Company and the Shareholders as a whole.

The Directors believe that an exercise of the Issue Mandate will enable the Company to take advantage of market conditions to raise additional capital for the Company. The Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be exercised when the Directors believe that such repurchase of Shares will benefit the Company and the Shareholders.

---

## LETTER FROM THE BOARD

---

An exercise of the Repurchase Mandate in full may have a material adverse impact on the working capital and/or gearing position of the Company compared with that as at 31 December 2022, being the date of its latest audited consolidated financial statements were made up. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing of the Company.

Accordingly, the Directors recommend the Shareholders to vote in favour of (i) ordinary resolutions on the proposed grant of each of the Issue Mandate, the Repurchase Mandate and the Extension Mandate; (ii) ordinary resolutions relating to the proposed re-election of the Director; and (iii) special resolutions relating to the proposed adoption of the Second Amended and Restated Memorandum and Articles of Association.

Yours faithfully

*This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information as to the proposed Repurchase Mandate.*

## **1. LISTING RULES RELATING TO THE REPURCHASE OF SHARES**

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange and any other stock exchange on which the securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general repurchase mandate or by specific approval of a particular transaction.

## **2. SHARE CAPITAL**

As at the Latest Practicable Date, there were a total of 1,678,000,000 Shares in issue.

Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the Company will be allowed under Repurchase Mandate to repurchase a maximum of 167,800,000 Shares.

## **3. REASONS FOR THE REPURCHASE**

The Directors believe that the ability to repurchase Shares is in the interests of the Company and the Shareholders. Repurchases may, depending on the circumstances, result in an increase in the net assets and/or earnings per Share. The Directors have sought the grant of a general mandate to repurchase Shares to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

## **4. FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles, the Listing Rules and the applicable laws of the Cayman Islands.

There could be a material adverse impact on the working capital or gearing position of the Company (as compared with the position as at 31 December 2022, being the date of its latest audited consolidated financial statements were made up) in the event that the Repurchase Mandate were to be carried out in full at any time during the share repurchase period.

The Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

## 5. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the twelve calendar months immediately preceding (and including) the Latest Practicable Date were as follows:

	<b>Highest</b> <i>HK\$</i>	<b>Lowest</b> <i>HK\$</i>
<b>2022</b>

June	0.207	0.180

March	0.170	0.120
April	0.128	0.110
May (up to and including the Latest Practicable Date)	0.124	0.099

## 6. TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of any such increase. The Directors are not aware of any consequence that would arise under the Takeovers Code as a result of a repurchase pursuant to the Repurchase Mandate.

The Directors may further authorise any person to enter into on behalf of all shareholders having an interest in any agreement with the Company or other(s) providing for such dividend and matters in connection therewith and any such agreement made under such authority shall be effective. The Directors may resolve that no such assets shall be made available or made to shareholders with registered addresses in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Directors, be unlawful or impracticable or the legality or practicality of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of shares of the shareholder concerned and in any such event the only entitlement of the shareholders aforesaid shall be to receive cash payments as aforesaid. dividend

either

- (i) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid on the basis that the shares so allotted shall be of the same class or classes as the class or classes already held by the allottee, provided that the shareholders entitled thereto will be entitled to elect to receive such dividend (or part thereof) in cash in lieu of such allotment. In such case, the following provisions shall apply:

  - (b) the Directors, after determining the basis of allotment, shall give not less than fourteen (14) clear days' notice in writing to the shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
  - (c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and

or

- (ii) that shareholders entitled to such dividend will be entitled to elect to receive an allotment of shares credited as fully paid in lieu of the whole or such part of the dividend as the Directors may think fit on the basis that the shares so allotted shall be of the same class or classes as the class or classes of shares already held by the allottee. In such case, the following provisions shall apply:
  - (a) the basis of any such allotment shall be determined by the Directors;
  - (b) the Directors, after determining the basis of allotment, shall give not less than fourteen (14) clear days' notice in writing to the shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
  - (c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
  - (d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on shares in respect whereof the share election has been duly exercised ("the elected shares") and in lieu thereof shares shall be allotted credited as fully paid to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Directors shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, contributed surplus account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Directors may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the elected shares on such basis.

- (B) The shares allotted pursuant to the provisions of paragraph (A) of this Article shall rank *pari passu* in all respects with the shares then in issue and held by the allottee in respect of which they were allotted, save only as regards participation:

  - (ii) in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Directors of their proposal to apply the provisions of sub-paragraph (i) or (ii) of paragraph (A) of this Article in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Directors shall have specified that the shares to be allotted pursuant to the provisions of paragraph (A) of this Article shall rank for participation in such distribution, bonus or rights.
- (C) The Directors may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (A) of this Article with full power to the Directors to make such provisions as they think fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the shareholders concerned), and no shareholders who will be affected thereby shall be, and they shall be deemed not to be, a separate class of shareholders for any purposes whatsoever. The Directors may authorise any person to enter into on behalf of all shareholders interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (D) The Company may upon the recommendation of the Directors by Ordinary Resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (A) of this Article a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.

(E) The Directors may on any occasion determine that rights of election and the allotment of shares under paragraph (A) of this Article shall not be made available or made to any shareholders with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of shares would or might be unlawful or impracticable or the legality or practicability of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of shares of the shareholder concerned, and in such event the provisions aforesaid shall be read and construed subject to such determination and no shareholder who may be affected by any such determination shall be, and they shall be deemed not to be, a separate class of shareholders for any purposes whatsoever.

The Directors may, before recommending any dividend, set aside out of the profits of the Company such sums as they think fit as a reserve or reserves which shall, at the discretion of the Directors, be applicable for meeting claims on or liabilities of the Company or contingencies or for paying off any loan capital or for equalising dividends or for any other purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (including in the repurchase by the Company of its own securities or the giving of any financial assistance for the acquisition of its own securities) as the Directors may from time to time think fit, and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Directors may also without placing the same to reserve carry forward any profits which they may think prudent not to distribute by way of dividend.

159. Unless and to the extent that the rights attached to any shares or the terms of issue thereof otherwise provide, all dividends shall (as regards any shares not fully paid throughout the period in respect of which the dividend is paid) be apportioned and paid pro rata according to the amounts paid or credited as paid on the shares during any portion or portions of the period in respect of which the dividend is paid. #### DESTRUCTION OF DOCUMENTS

191. The Company may destroy:

Destruction of  
Documents

- (a) any share certificate which has been cancelled at any time after the expiry of one year from the date of such cancellation;
- (b) any dividend mandate or any variation or cancellation thereof or any notification of change of name or address at any time after the expiry of two years from the date on which such mandate, variation, cancellation or notification was recorded by the Company;
- (c) any instrument of transfer of shares which has been registered at any time after the expiry of six years from the date of registration; and
- (d) any other document, on the basis of which any entry in the register of members of the Company is made, at any time after the expiry of six years from the date on which an entry in the register was first made in respect of it;

and it shall conclusively be presumed in favour of the Company that every share certificate so destroyed was a valid certificate duly and properly cancelled and that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document destroyed hereunder was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company. Provided always that:

- (i) the foregoing provisions of this Article shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to a claim;
- (ii) nothing contained in this Article shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (i) above are not fulfilled; and
- (iii) references in this Article to the destruction of any document include reference to its disposal in any manner.

#### SUBSCRIPTION RIGHT RESERVE

192. The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the Statutes: Subscription right reserve

- (A) If, so long as any of the rights attaching to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions applicable under the terms and conditions of the warrants, would reduce the subscription price to below the par value of a share, then the following provisions shall apply:
  - (i) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the "Subscription Right Reserve") the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub- paragraph (iii) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Right Reserve in paying up in full the amount of the shortfall referred to in sub-paragraph (iii) in respect of such additional shares as and when the same are allotted;

- (ii) the Subscription Right Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than the share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;
  
- (iii) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the shortfall between:
  - (aa) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
  
  - (bb) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par; and
  
  - (cc) immediately upon such exercise so much of the sum standing to the credit of the Subscription Right Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holder; and

- (iv) if upon the exercise of the subscription rights represented by any warrant the amount standing to the credit of the Subscription Right Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such shortfall as aforesaid to which the exercising warrant holder is entitled, the Directors shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted or not prohibited by law, share premium account) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment up and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Directors may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.
- (B) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other shares allotted or which ought to be allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (A) of this Article, no fraction of any share shall be allotted on exercise of the subscription rights.
- (C) The provisions of this Article as to the establishment and maintenance of the Subscription Right Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating, the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a Special Resolution of such warrant holder(s) or class of warrant holders.

- (D) A certificate or report by the Auditors as to whether or not the Subscription Right Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Right Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Right Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.

### STOCK

193. The following provisions shall have effect at any time and from time to time that they are not prohibited by or inconsistent with the Statutes:

- (i) The Company may by Ordinary Resolution convert any fully paid shares into stock, and may from time to time by like resolution reconvert any stock into fully paid shares of any denomination.
- (ii) The holders of stock may transfer the same or any part thereof in the same manner, and subject to the same regulations as and subject to which the shares from which the stock arose might prior to conversion have been transferred or as near thereto as circumstances admit, but the Directors may from time to time, if they think fit, fix the minimum amount of stock transferable and restrict or prohibit the transfer of fractions of that minimum, but so that such minimum shall not exceed the nominal amount of the shares from which the stock arose. No warrants to bearer shall be issued in respect of any stock.
- (iii) The holders of stock shall, according to the amount of the stock held by them, have the same rights, privileges and advantages as regards dividends, participation in assets on a winding up, voting at meetings, and other matters, as if they held the shares from which the stock arose, but no such rights, privileges or advantages (except participation in the dividends and profits and in the assets on winding up of the Company) shall be conferred by an amount of stock which would not, if existing in shares, have conferred such rights, privileges or advantages.
- (iv) Such of the provisions of these Articles as are applicable to fully paid shares shall apply to stock, and the words “share” and “shareholder” herein shall include “stock” and “stockholder” and “member”.
