NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with information relating to the proposals for (i) the general mandates to issue Shares and to buy back Shares and to extend the general mandate to allot, issue and deal with Shares by adding to it the number of Shares bought back; and (ii) the re-election of Directors.

LETTER FROM THE BOARD

GENERAL MANDATE TO ISSUE SHARES

At the AGM, ordinary resolutions will be proposed which, if passed, will give the Directors a general mandate to allot, issue and deal with new Shares representing up to (i) 20% of the total number of Shares in issue as at the date of passing of the resolution plus (ii) the number of the Shares that can be bought back by the Company (under the authority granted pursuant to the Buy-back Resolution) subsequent to the passing of such resolution.

On the basis of a total of 20,385,253,835 Shares in issue as at the Latest Practicable Date and assuming that no other Shares will be issued or bought back whatsoever between the Latest Practicable Date and the AGM, the Issue Mandate (if granted by the Shareholders at the AGM) will empower the Directors to allot, issue and deal with up to a maximum of 4,077,050,767 new Shares, being 20% of the total number of Shares in issue as at the Latest Practicable Date.

GENERAL MANDATE TO BUY BACK SHARES

The ordinary resolution in relation to the Buy-back Mandate, if passed, will give the Directors a general and unconditional mandate to exercise the powers of the Company to buy back Shares of not exceeding 10% of the total number of Shares in issue as at the date of passing of the resolution.

An explanatory statement as required under the Listing Rules to provide the requisite information regarding the Buy-back Mandate is set out in Appendix I to this circular.

Yours faithfully,
By Order of the Board
CSC Holdings Limited
Dr. Or Ching Fai
Chairman

This appendix serves as an explanatory statement, as required by Rule 10.06 of the Listing Rules, to provide requisite information for the Shareholders to consider the Buy-back Mandate.

1. TOTAL NUMBER OF SHARES IN ISSUE

As at the Latest Practicable Date, the total number of Shares in issue was 20,385,253,835 Shares.

Subject to the passing of the Buy-back Resolution and on the basis that no further Shares are issued or bought back prior to the AGM, the Company would be allowed under the Buy-back Mandate to buy back a maximum of 2,038,525,383 Shares (i.e. not exceeding 10% of the total number of Shares in issue as at the date of passing the Buy-back Resolution).

2. REASONS FOR BUY-BACKS

The Directors believe that the Buy-back Mandate is in the best interests of the Company and its Shareholders. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and its Shareholders.

3. FUNDING OF BUY-BACKS

In buying back Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles and the Companies Ordinance. The Companies Ordinance provides that the amount of capital repaid in connection with a share buy-back may only be paid from the distributable profits of the Company and/or the proceeds of a new issue of Shares made for the purpose of the buy-back to such extent allowable under the Companies Ordinance.

4. EFFECT OF EXERCISE OF THE BUY-BACK MANDATE

In the event that the proposed share buy-back were to be carried out in full, it might have a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the Company's audited consolidated financial statements for the year ended 31 December 2022 (being the date to which the latest published audited consolidated financial statements of the Company have been made up). However, the Directors do not propose to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARE PRICES

The highest and lowest prices of the Shares as traded on the Hong Kong Stock Exchange during each of the previous twelve months before the Latest Practicable Date and the current month up to the Latest Practicable Date are as follows:

As at the Latest Practicable Date, no core connected person of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Buy-back Mandate is approved by the Shareholders.

7. TAKEOVERS CODE

As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the following Shareholders had interests representing 5% or more of the issued Shares:

Name of Shareholders	Capacity/nature of interest	Number of Shares held/interested	Approximate % of interest

On the basis of the aforesaid increase of shareholding held by the Shareholders set out above, none of the Shareholders above is obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

Save as aforesaid, the Directors are not aware of any other consequences which will arise under the Takeovers Code as a result of any buy-backs to be made under the Buy-back Mandate.
