CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

By Order of the Board
China Hongguang Holdings Limited
LIN Weishan
Chairwoman and Executive Director

This appendix serves as an explanatory statement as required under the GEM Listing Rules to provide the requisite information to Shareholders for consideration of the Repurchase Mandate pursuant to Rule 13.08 of the GEM Listing Rules.

1. SHARE CAPITAL

Subject to the passing of the relevant resolution to approve the Repurchase Mandate and on the basis of 399,000,000 Shares in issue as at the Latest Practicable Date and that no further Shares are allotted and issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company will be allowed to repurchase a maximum of 39,900,000 Shares during the Relevant Period.

2. SOURCE OF FUNDS

The Directors propose that the repurchase of Shares under the Repurchase Mandate would be financed from the Company's internal resources.

In repurchasing the Shares, the Company may only apply funds which are legally available for such purposes in accordance with the constitutive documents of the Company, the GEM Listing Rules and the applicable laws and regulations of the Cayman Islands. The Company will not purchase the Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

3. REASONS FOR SHARE REPURCHASE

Although the Directors have no present intention of exercising the proposed Repurchase Mandate, the Directors believe that the flexibility afforded by the proposed Repurchase Mandate would be beneficial to the Company and the Shareholders. An exercise of the Repurchase Mandate may, depending on market conditions at the time, lead to an enhancement of the net assets value and/or earnings per Share and will only be made when the Directors believe that repurchase of Shares will benefit the Company and the Shareholders as a whole.

4. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months and up to the Latest Practicable Date were as follows:

Month	Share Prices	
	Highest HK\$	Lowest HK\$
2022		
May	0.810	0.400
June	0.800	0.610
July	0.780	0.600
August	0.710	0.550
September	0.660	0.495
October	0.610	0.460
November	0.520	0.415
December	0.520	0.435
2023		
January	0.640	0.470
February	0.500	0.380
March	0.450	0.320
April	0.400	0.260
May (<i>up to the Latest Practicable Date</i>)	0.325	0.153

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

6. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase of the shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date and in so far the Directors are aware of, the Controlling Shareholders owned 249,750,000 Shares, representing 62.59% of the issued share capital of the Company. In the event that the Repurchase Mandate was exercised in full, the interest of the Controlling Shareholders in the Company will be increased to approximately 69.55%. On the basis of the aforesaid increase of shareholding, the Directors are not presently aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

The Directors have no intention to exercise the Repurchase Mandate to such extent that will result in the number of Shares in hands of public falling below the prescribed minimum percentage of 25%.

7. DISCLOSURE OF INTERESTS OF DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

As at the Latest Practicable Date, none of the Directors nor, to the best of their respective knowledge and belief and having made all reasonable enquiries, their close associates, have any present intention, if the Repurchase Mandate is approved by the Shareholders and is exercised, to sell any Shares to the Company or any of its subsidiaries under the Repurchase Mandate.

As at the Latest Practicable Date, no core connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares in the event of the Repurchase Mandate is approved by the Shareholders.

8. MATERIAL ADVERSE CHANGE

There might be a material adverse impact on the working capital or gearing position of the Company as compared the financial position of the Company as at 31 December 2022 (being the date on which the latest audited accounts of the Company have been made up) in the event that the Repurchase Mandate was to be exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which, in the opinion of the Directors, are from time to time appropriate to the Company.

9. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not purchased any of the Shares (whether on GEM or otherwise) in the six months preceding the date of this circular.

The following are particulars of the Directors proposed to be re-elected at the AGM:
