The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment on the unaudited consolidated management accounts of the Group for the year ended 31 March 2023, the Group is expected to record a loss of not less than approximately HK\$31.3 million for the year ended 31 March 2023 before taking into account of further impairment or provisions, if any, that may be required to be made, as compared to a loss of approximately HK\$25.1 million for the year ended 31 March 2022.

Based on the information currently available, the expected increase in loss was mainly attributable to (i) the increase in administrative expenses of the Group for the year ended 31 March 2023 as compared with last year; (ii) the increase in impairment loss recognised in respect of property, plant and equipment; and (iii) the increase in share of losses of associates.
