ISSUE OF NEW SHARES UNDER GENERAL MANDATE PURSUANT TO SHARE PURCHASE SCHEME

The Board hereby announces that it has resolved to allot and issue 180,000 new Shares to the Trustee under the General Mandate granted by the shareholders of the Company at the 2022 AGM in order to grant the Awards to the selected employees pursuant to the Share Purchase Scheme.

The Company shall cause to pay the Trustee an aggregate amount of USD9,000 from the Company's internal resources to fund the Trustee to subscribe for the Awarded Shares.

The number of the Awarded Shares to be allotted and issued by the Company to the Trustee represents: (i) approximately 0.1% of the issued share capital of the Company as at the date of this announcement; and (ii) approximately 0.1% of the issued share capital of the Company as enlarged by the allotment of the Awarded Shares.

Reference is made to the Share Purchase Scheme established by the Company for the purpose of incentivising officers and employees and attracting suitable personnel for the continuous development of the Group. Details of the Share Purchase Scheme were set out in the announcements of the Company dated 31 March 2011 and 19 May 2015. Unless otherwise defined, capitalized terms defined in the said announcements shall have the same meanings when used herein.

The Board hereby announces that it has resolved to allot and issue 180,000 new Shares (subject to the Stock Exchange granting its approval for the listing of and permission to deal in such new Shares on the Stock Exchange) to the Trustee under the General Mandate granted by the shareholders of the Company at the 2022 AGM in order to grant the Awards to the selected employees (excluding the Directors and connected persons as defined under the Listing Rules) pursuant to the Share Purchase Scheme. Pursuant to the General Mandate, the maximum number of Shares that can be allotted and issued by the Directors is 25,257,913 Shares.

The new Shares shall be allotted and issued at par value and the Company shall cause to pay the Trustee an aggregate amount of USD9,000 from the Company's internal resources to fund the Trustee to subscribe for the Awarded Shares, and the Trustee shall hold the Awarded Shares on trust for the relevant selected employees, which shall be transferred to the relevant selected employees at no cost, upon satisfaction of all vesting conditions specified by the Board at the time of making the Awards. The number of the selected employees to whom the Awards will be granted is approximately 230. The Trustee is not a connected person of the Company (as defined under the Listing Rules) and is a third party independent of the Company.

The number of the Awarded Shares to be allotted and issued by the Company to the Trustee represents: (i) approximately 0.1% of the issued share capital of the Company as at the date of this announcement, and (ii) approximately 0.1% of the issued share capital of the Company as enlarged by the allotment of the Awarded Shares.

The Awarded Shares, when allotted and issued, shall rank pari passu among themselves and with the other Shares currently in issue, with the right to receive all dividends and other distributions which are on or after the date of allotment of the new Shares. While the Trustee holds the new Shares on trust for the selected employees, it may exercise at its discretion the voting rights attached to such Shares (and the Company has no power to influence whether and how the Trustee should exercise such discretion).

Application will be made by the Company to the Stock Exchange for approval of the listing of and permission to deal in the Awarded Shares. Other than such approval to be granted by the Stock Exchange, the allotment of the Awarded Shares is not subject to any condition or approval by the shareholders of the Company.
