GRANT OF SHARE AWARDS

On June 15, 2023, the Company granted an aggregate of 1,335,646 share awards in the form of RSUs (the “**Share Awards**”) (representing the same number of Class A Ordinary Shares) to two independent non-executive Directors (the “**Director Grants**”) and 27 employees pursuant to the Post-IPO Share Scheme (the “**Employee Grants**”, together with the Director Grants, the “**Grants**”).

The Grants are subject to the terms and conditions of the Post-IPO Share Scheme and the award agreements entered into between the Company and each of the Grantees. The principal terms of the Post-IPO Share Scheme were set out in the section headed “Statutory and General Information – D. Share Incentive Plans – 2. Post-IPO Share Scheme” in Appendix IV to the listing document of the Company dated December 16, 2022.

The Share Awards will be satisfied through utilizing the Class A Ordinary Shares held by the depositary of the ADSs for bulk issuance of ADSs reserved for future issuances upon the exercise or vesting of awards granted under the Post-IPO Share Scheme.

Details of the Grants are as follows:

Date of the Grants	June 15, 2023
Number of Grantees	29, including (i) two independent non-executive Directors, namely Mr. Charles Zhaoxuan Yang (“ Mr. Yang ”) and Mr. Yonggang Sun (“ Mr. Sun ”); and (ii) 27 employees
Number of Share Awards granted	1,335,646 Class A Ordinary Shares
Issue price of Share Awards granted	Nil per Share Award
Closing price of the Class A Ordinary Shares on the Date of the Grants	HK\$62.45 per Share

Vesting Periods of the Share Awards

For the Director Grants, the Share Awards shall vest in equal portions on the date of the Director Grants and the first anniversary of the date of the Director Grants, respectively, subject to Mr. Sun's and Mr. Yang's continued directorship with the Company on such vesting dates. The vesting periods for part of the Share Awards to be granted to Mr. Sun and Mr. Yang are shorter than 12 months because the Share Awards granted under the Director Grants have a mixed vesting schedule, such that the relevant Share Awards vest evenly over a period of one year, which is pursuant to the terms of the Post-IPO Share Scheme and Rule 17.03F of the Listing Rules.

A portion of the Share Awards representing approximately 0.03% of the Share Awards under the Employee Grants shall vest immediately on the date of the Grants because they are "make-whole" share awards to new employees of the Group to replace the share awards they forfeited when leaving the previous employers, pursuant to the terms of the Post-IPO Share Scheme and Rule 17.03F of the Listing Rules. The remaining portion of the Share Awards under the Employee Grants shall vest in equal portions on each of the first, second, third and fourth anniversary of the date of the Grants, respectively, subject to the Grantee's continued employment relationship with the Company on such vesting dates.

Performance Target

The vesting of the Share Award under the Grants is not subject to any performance target.

In respect of the Director Grants, as the relevant Share Awards (i) form part of the compensation stipulated in the respective director agreements of Mr. Sun and Mr. Yang entered with the Company, and (ii) are subject to clawback mechanism as detailed below, the Compensation Committee is of the view that it is not necessary to set any performance target for the Director Grants. This arrangement aligns with the purpose of the Post-IPO Share Scheme to incentivize, retain, reward, compensate and/or providing benefits to the services of valuable employees or directors and encourage such persons to contribute to the long-term growth and profitability of the Group, and is consistent with the grants of Share Award to other Directors, which will also not be subject to any performance target.

Clawback mechanism

The Share Awards are subject to clawback in the event that:

- the Grantee ceases to be a selected participant by reason of the termination of employment or contractual engagement with the Group or Related Entity for cause or without notice or with payment in lieu of notice;
- the Grantee has been convicted of a criminal offence involving his/her integrity or honesty; or
- in the reasonable opinion of the scheme administrator, the Grantee has engaged in serious misconduct or breaches the terms of the Post-IPO Share Scheme in any material respect.

Listing Rules Implications

Under the Director Grants, all the Share Awards were granted to the following independent non-executive Directors, each being a connected person of the Company, details of which are as follows:

Name of Grantee	Position	Number of Share Awards granted
Mr. Yang	independent non-executive Director	8,424 Share Awards
Mr. Sun	independent non-executive Director	8,424 Share Awards

Pursuant to Rule 17.04(1) of the Listing Rules, the grant of Share Awards to Mr. Yang and Mr. Sun had been approved by the independent non-executive Directors (other than Mr. Yang and Mr. Sun on their respective Director Grants to themselves). The Director Grants would not result in the shares issued and to be issued in respect of all options and awards granted to either Mr. Yang or Mr. Sun under the Director Grants in the 12-month period up to and including the date of such grant representing in aggregate to exceed 0.1% limit for the purpose of Rule 17.04(3) of the Listing Rules.

The grantees under the Employee Grants are employees of the Group and do not fall under any of the following categories: (a) a Director, chief executive, or substantial shareholder of the Company, or an associate of any of them; (b) a participant with share options and awards granted and to be granted in the 12-month period up to and including the date of such grant in aggregate to exceed 1% individual limit for the purpose of Rule 17.03D of the Listing Rules; or (c) a related entity participant or service provider with options and awards granted and to be granted in any 12-month period exceeding 0.1% of the issued Shares.

Reason for and benefits of the Grants

The reasons for the grants of Share Awards are to reward continued efforts for the success of the Company and provide incentives for the Grantees to exert maximum efforts, and to provide a means by which more employees may be given an opportunity to benefit from increases in value of the Shares through the granting of the Share Awards. Such grants will encourage them to work towards enhancing the value of the Company and the Shares for the benefits of the Company and the Shareholders as a whole. In addition, the Director Grants form part of the compensation stipulated in the respective director agreements of Mr. Sun and Mr. Yang entered with the Company.

As at the date of this announcement and following the Grants, the number of Class A Ordinary Shares available for future grant under the scheme mandate limit of the Post-IPO Share Scheme is 69,795,824.
