國泰君安證券股份有限公司
Guotai Junan Securities Co., Ltd.

(A joint stock company incorporated in the People's Republic of China with limited liability)

(Stock Code: 02611)

**ANNOUNCEMENT IN RELATION TO THE ADJUSTMENT OF
THE CONVERSION PRICE OF
A SHARE CONVERTIBLE CORPORATE BONDS**

1. BASIS OF THE ADJUSTMENT OF THE CONVERSION PRICE

Guotai Junan Securities Co., Ltd. (the “**Company**”) considered and approved the 2022 profit distribution plan at the 2022 annual general meeting of the Company held on 29 May 2023, and approved to distribute to the holders of A shares and holders of H shares whose names appear on the register of members of the Company on the record date for the dividend distribution a cash dividend of RMB5.3 (tax inclusive) for every 10 shares based on the total share capital of the Company on the record date for dividend distribution. Cash dividend is denominated and declared in RMB and payable in RMB to the holders of A shares of the Company and in Hong Kong dollars to the holders of H shares of the Company. This distribution will not involve capitalization of capital reserve fund.

Pursuant to relevant regulations and the terms of issuance set out in the Offering Circular in Relation to the Public Issuance of the A Share Convertible Corporate Bonds by Guotai Junan Securities Co., Ltd. (the “**Offering Circular**”) published on the website of the Shanghai Stock Exchange (www.sse.com.cn) and the Company's website (www.gtja.com) on 5 July 2017, after the Company's A share convertible corporate bonds (the “**Guojun Convertible Bonds**”) are issued, the current conversion price of Guojun Convertible Bonds should be adjusted according to the formula as set below when the Company's cash dividends are paid.

2. FORMULA OF THE ADJUSTMENT ON THE CONVERSION PRICE

Pursuant to the terms of issuance set out in the Offering Circular, the Company will adjust the conversion price of Guojun Convertible Bonds according to the following formula:

Distribution of cash dividend: $P1=P0-D$;

Among which: P0 is the initial conversion price, D is the cash dividend per share and P1 is the adjusted conversion price.

As the Company will implement the 2022 profit distribution plan (for A shares) on 28 June 2023 (the record date for the dividend distribution of A shares), the conversion price of Guojun Convertible Bonds will be adjusted from RMB17.77 per share to RMB17.24 per share from 29 June 2023 (the elimination date for the dividend distribution for holders of A shares). The calculation process is as follows:

$$P1=P0-D=17.77-0.53=RMB17.24 \text{ per share}$$

The adjustment on conversion price of Guojun Convertible Bonds complies with the terms under the Offering Circular.

The shares conversion of Guojun Convertible Bonds will be suspended on 19 June 2023 and will be resumed on 29 June 2023. The adjusted conversion price of Guojun Convertible Bonds will become effective from 29 June 2023.

By order of the Board
