THE ANNUAL AGGREGATE TRANSACTION AMOUNT

The contract price payable under the New Repair Services Contracts has been arrived at after arm's length negotiation with reference to the market price and on terms no less favourable than those prevailing in the Russian market for repair services of the same type and quality and those offered by the associate of En+ to independent third parties.

Based on the terms of the New Repair Services Contracts and the Previously Disclosed Repair Services Contracts, the annual aggregate transaction amount that is payable by the Group to the associates of En+ for the financial year ending 31 December 2023 is estimated to be approximately USD29.525 million.

In accordance with the Company's procurement policies and using tools such as the Company's procurement portal, the Company invited several organizations to take part in the tender in relation to the required repair services. The Company's procurement managers, in line with the best-in-class experience and know-how of the Company's procurement policies, chose the contractor offering the best terms and conditions (as for contracts number 1 and 2 in the table above, the contractor offered the lowest price and can perform a full range of services: maintenance, repair and testing of high-voltage equipment of electrical installations; and as for contract number 3 in the table above, the contractor offered the lowest price, availability of qualified personnel and equipment, and has a positive work experience) and then entered into the contract with the chosen contractor.

The annual aggregate transaction amount payable by the Group is estimated by the Directors based on the amount of repair services to be received and the contract price.

THE AGGREGATION APPROACH

Pursuant to Rule 14A.81 of the Listing Rules, the continuing connected transactions contemplated under the New Repair Services Contracts and the Previously Disclosed Repair Services Contracts should be aggregated, as they were entered into by the Group with the associates of the same group of connected persons who are parties connected or otherwise associated with one another, and the subject matter of each of the contracts relates to the receipt of repair and maintenance services by members of the Group.

REASONS FOR AND BENEFITS OF THE TRANSACTION

The Directors consider that the New Repair Services Contracts are for the benefit of the Company, as the contractor offered a competitive price. The Directors (including the independent non-executive Directors) consider that the New Repair Services

Contracts have been negotiated on an arm's length basis and on normal commercial terms which are fair and reasonable and the transactions contemplated under the New Repair Services Contracts are in the ordinary and usual course of business of the Group and in the interests of the Company and its shareholders as a whole.

None of the Directors has a material interest in the transactions contemplated under the New Repair Services Contracts, save for Mr. Mikhail Khardikov, who is general director of JSC EuroSibEnergo, a company which is owned by En+, and deputy general director — financial director of En+ and deputy general director — operating director of En+; and Mr. Vladimir Kolmogorov, who is the first deputy chief executive officer for technical policy and executive officer of International limited liability company En+ Holding, and deputy CEO — executive officer of En+, being the holding company of each of LLC «EuroSibEnergo Engineering Company» and “BEC-repair” LLC. Mr. Vladimir Kolmogorov is also the head of technical supervision of JSC EuroSibEnergo, a company which is owned by En+. Accordingly, Mr. Mikhail Khardikov and Mr. Vladimir Kolmogorov did not vote on the Board resolution approving the New Repair Services Contracts.

LISTING RULES IMPLICATIONS

The ultimate beneficial owner of LLC «EuroSibEnergo Engineering Company» is En+, which holds more than 90% of the issued share capital of such entity. The ultimate beneficial owner of “BEC-repair” LLC is En+, which holds more than 90% of the issued share capital of such entity.

Each of LLC «EuroSibEnergo Engineering Company» and “BEC-repair” LLC is an indirect subsidiary of En+, and is therefore an associate of En+, which in turn is a Substantial Shareholder of the Company. Accordingly, each of LLC «EuroSibEnergo Engineering Company» and “BEC-repair” LLC is a connected person of the Company under the Listing Rules.

The estimated annual aggregate transaction amount of the continuing connected transactions under the New Repair Services Contracts and the Previously Disclosed Repair Services Contracts for the financial year ending 31 December 2023 is more than 0.1% but less than 5% under the applicable percentage ratios. Accordingly, pursuant to Rule 14A.76 of the Listing Rules, the transactions contemplated under these contracts are only subject to the announcement requirements set out in Rules 14A.35 and 14A.68, the annual review requirements set out in Rules 14A.49, 14A.55 to 14A.59, 14A.71 and 14A.72 and the requirements set out in Rules 14A.34 and 14A.50 to 14A.54 of the Listing Rules. These transactions are exempt from the circular and the independent shareholders' approval requirements under Chapter 14A of the Listing Rules. Details of the New Repair Services Contracts and the Previously Disclosed Repair Services Contracts will be included in the relevant annual report and accounts of the Company in accordance with Rule 14A.71 of the Listing Rules where appropriate.
