CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a high investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Lau Hon Kwong Vincent
Chairman

This is an explanatory statement given to Shareholders of the Company relating to the Resolution 4B to be proposed at the AGM authorising the Repurchase Mandate. This explanatory statement contains all the information required pursuant to Rule 13.08 of the GEM Listing Rules which is set out as follows:

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 925,508,000 Shares.

Subject to the passing of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase Shares up to a maximum of 92,550,800 Shares representing not more than 10% of the aggregate number of issued shares of the Company as at the Latest Practicable Date, during the period from the date of passing of the resolution for the approval of the Repurchase Mandate up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any other applicable laws of the Cayman Islands to be held; or (iii) the revocation or variation or renewal of the Repurchase Mandate by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

2. REASONS FOR REPURCHASE

Although the Directors have no present intention of repurchasing the Shares, they believe that it is in the best interest of the Company and its Shareholders for the Directors to have general authority from the Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders.

3. FUNDING OF REPURCHASE

The Company is empowered by its memorandum and articles of association to repurchase its Shares. The Cayman Islands law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the profits that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on redemption may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or out of the share premium of the Company. Under the Cayman Islands law, the repurchased Shares will remain part of the authorised but unissued share capital.

In repurchasing any Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and articles of association and the applicable laws and regulations of the Cayman Islands. The Company may not purchase securities on the GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Exchange from time to time.

There might be an adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report for the year ended 31 March 2023) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Exchange in each of the previous twelve months before the Latest Practicable Date are as follows:

	Price Per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2022		
June	0.0410	0.0270
July	0.0390	0.0330
August	0.0370	0.0270
September	0.0290	0.0220
October	0.0260	0.0210
November	0.0260	0.0220
December	0.0280	0.0240
2023		
January	0.0290	0.0260
February	0.0350	0.0290
March	0.0300	0.0260
April	0.0290	0.0240
May	0.0250	0.0240
June (up to the Latest Practicable Date)	0.0270	0.0250

5. UNDERTAKING

The Directors have undertaken to the Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make purchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules, the memorandum and articles of association of the Company and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, their associates (as defined in the GEM Listing Rules), have any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate if such resolution is approved by the Shareholders.

No connected persons (as defined in the GEM Listing Rules) of the Company has notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, or have undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

6. THE CODE ON TAKEOVERS AND MERGERS

If, as a result of a shares repurchase, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code and, if such increase results in a change of control, may in certain circumstances give rise to an obligation to make a mandatory offer for Shares pursuant to Rule 26 and Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, the following Shareholders are interested in 10% or more of the Company's issued shares:

Name of Shareholders	Number of Shares held	Approximate percentage of existing shareholding	Approximate percentage of shareholding if the Repurchase Mandate is exercised in full
Rax-Comm (BVI) Limited	241,102,348 <i>(Note)</i>	26.05%	28.95%
Lau Hon Kwong, Vincent	248,210,348 <i>(Note)</i>	26.82%	29.80%
Cheng Kwok Hung	113,988,000	12.32%	13.68%

Note: Mr. Lau Hon Kwong, Vincent held 76.39% of the entire issued share capital of Rax-Comm (BVI) Limited and therefore is deemed to be interested in the Shares owned by Rax-Comm (BVI) Limited under SFO.

In the event that the Directors shall exercise in full the Repurchase Mandate, the total interests of the above Shareholders would be increased to approximately the respective percentages shown in the last column above.

Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate to repurchase shares. If the Directors exercise the Repurchase Mandate (whether in whole or in part), they will not exercise it to the extent which would result in the number of Shares being held by the public falling below the relevant minimum prescribed percentage of the Company as required by the GEM Listing Rules, which is 25% of the entire issued share capital of the Company.

7. SHARE REPURCHASES MADE BY THE COMPANY

The Company had not purchased any Shares (whether on the Exchange or otherwise) during the previous six months immediately preceding the Latest Practicable Date.
