Upon receipt of such dividends, a non-resident enterprise Shareholder may apply to the competent tax authorities for relevant treatment under the tax treaties (arrangements) in person or through a proxy or a withholding agent and provide evidence in support of its status as a beneficial owner as defined in the tax treaties (arrangements). Upon verification by the competent tax authorities, the difference between the tax levied and the amount of tax payable as calculated at the tax rate under the tax treaties (arrangements) will be refunded.

- for individual H Shareholders who are domiciled in a country (region) which has entered into a tax treaty with the PRC stipulating a tax rate of more than 10% but less than 20% on dividends, the Company will withhold and pay individual income tax at the effective tax rate stipulated in the relevant tax treaty in the distribution of final dividend;
- for individual H Shareholders who are domiciled in a country (region) which has entered into a tax treaty with the PRC stipulating a tax rate of 20% on dividends, or a country (region) which has not entered into any tax treaties with the PRC, or under any other circumstances, the Company will withhold and pay individual income tax at the rate of 20% on behalf of the individual H Shareholders in the distribution of final dividend.

If individual H Shareholders consider that the tax rate adopted by the Company for the withholding and payment of individual income tax on their behalf is not the same as the tax rate stipulated in any tax treaty between the PRC and the country (region) in which they are domiciled, please submit promptly to the H Share registrar of the Company, Computershare Hong Kong Investor Services Limited, a letter of entrustment and all application materials showing that they are residents of a country (region) which has entered into a tax treaty with the PRC.
