The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

### MISCELLANEOUS

Yours faithfully,  
By order of the Board  
**Royal Group Holdings International Company Limited**  
**Wong Man Wai**  
*Chairman, Chief Executive Officer and Executive Director*

*This appendix serves as an explanatory statement as required under Rule 13.08 of the GEM Listing Rules, to provide the requisite information to the Shareholders to make an informed decision on whether to vote for or against the ordinary resolution to approve the grant of the Repurchase Mandate to the Directors.*

## **GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES**

The GEM Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

## **SHARE CAPITAL**

As at the Latest Practicable Date, the total number of Shares in issue was 2,643,360,000, and 60,000,000 Share Options granted under the Share Option Scheme remained outstanding entitling the holders of the Share Options to subscribe for an aggregate of 60,000,000 Shares. If such outstanding Share Options were exercised in full on or prior to the date of the AGM, a further 60,000,000 Shares would be in issue.

Subject to the passing of the proposed ordinary resolution approving the proposed Repurchase Mandate and on the basis that no further Shares are issued, allotted or repurchased by the Company prior to the AGM, the exercise of the proposed Repurchase Mandate in full would result in up to a maximum of 264,336,000 Shares, representing 10% of the aggregate nominal value of the share capital of the Company in issue, being repurchased by the Company during the period from the passing of the ordinary resolution approving the Repurchase Mandate and ending at the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or the Cayman Islands Companies Act or any other applicable laws of the Cayman Islands to be held; or (iii) the time when such mandate is revoked or varied by an ordinary resolution of the Shareholders in general meeting.

Assuming that (i) all outstanding Share Options are exercised in full on or before the date of the AGM; and (ii) no further Shares are/will be issued and/or repurchased by the Company between the Latest Practicable Date and the date of the AGM, the exercise of the proposed Repurchase Mandate in full would result in up to a maximum of 270,336,000 Shares being repurchased by the Company during the above said period.

**REASONS FOR SHARES REPURCHASE**

The Directors have no present intention to repurchase any Shares but believe that the flexibility afforded by the proposed Repurchase Mandate would be beneficial to the Company and the Shareholders. At any time in the future when the Shares are trading at a discount to their underlying value, the ability of the Company to repurchase the Shares may be beneficial to the Shareholders who retain their investment in the Company as their percentage interest in the assets of the Company would increase in proportion to the number of Shares repurchased by the Company from time to time. This may, depending on market conditions and funding arrangements at the time, result in an increase in the net asset value and/or earnings per Share. Such repurchases will only be made when the Directors believe that such exercises will benefit the Company and the Shareholders as a whole.

**FUNDING OF REPURCHASE**

The Directors propose that the repurchase of Shares under the proposed Repurchase Mandate would be financed from the Company's internal resources.

Pursuant to the Repurchase Mandate, repurchases would be funded entirely from the Company's available cash flow or working capital facilities which will be funds legally available under the Cayman Islands law and the Memorandum and the Articles for such purpose.

Any repurchases by the Company may only be made out of profits of the Company, share premium or out of the proceeds of a fresh issue of Shares made for the purpose or, if authorised by the Articles and subject to the Cayman Islands Companies Act and/or other applicable laws, rules and regulations, out of capital. The premium, if any, payable on repurchase must be provided for out of the profits of the Company or out of the Company's share premium account before or at the time the Shares are repurchased or, if authorised by the Articles and subject to Cayman Islands Companies Act and/or other applicable laws, rules and regulations, out of capital. The Shares so repurchased will be treated as cancelled but the aggregate amount of authorised share capital will not be reduced.

The exercise of the proposed Repurchase Mandate in full may have a material adverse impact on the working capital or the gearing level of the Company (as compared with the position disclosed in the audited consolidated financial statements of the Company for the year ended 31 March 2023 contained in the annual report of the Company for the year ended 31 March 2023). The Directors do not propose to exercise the Repurchase Mandate in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

The number of the Shares to be repurchased on any occasion and the price and other terms upon which the same are purchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

**DIRECTORS' UNDERTAKING**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules, the Cayman Islands Companies Act and the Articles.

**INTENTION TO SELL SHARES**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the GEM Listing Rules) has any present intention, in the event that the Repurchase Mandate is approved by Shareholders, to sell any of their Shares to the Company pursuant to the Repurchase Mandate.

No core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any of his/her/its Shares to the Company or has undertaken not to sell any of the Shares held by him/her/it to the Company, in the event that the Company is authorised to make repurchases of the Shares.

**TAKEOVERS CODE**

If, as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register of interests kept by the Company pursuant to section 336 of the SFO and so far as is known to, or can be ascertained after reasonable enquiry by the Directors, the Controlling Shareholders, namely Mr. Wong Man Wai and Fortune Round Limited, controlled the exercise of approximately 62.9% of the voting rights in the Company's general meeting. Assuming that (i) no further Shares are issued, allotted or repurchased by the Company prior to the AGM; and (ii) the Directors fully exercise the proposed Repurchase Mandate, the percentage of voting rights in the Company's general meeting held by the Controlling Shareholders would increase to approximately 69.9% of the Company's issued share capital. To the best knowledge and belief of the Directors, such increase will not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors also have no intention to exercise the Repurchase Mandate to such an extent that will result in the number of Shares in hands of public falling below the prescribed minimum percentage of 25%.

**SHARE PRICES**

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months preceding the Latest Practicable Date were as follows:
