## LETTER FROM THE BOARD

---

### GENERAL MANDATES

At the AGM, an ordinary resolution will be proposed that the Directors be given the Issue Mandate, i.e. a general and unconditional mandate to allot, issue and deal with new Shares up to 20% of the aggregate number of the issued Shares as at the date of passing the relevant resolution.

Another ordinary resolution will also be proposed to give the Directors the Repurchase Mandate, i.e. a general and unconditional mandate to exercise all powers of the Company to repurchase Shares on the Stock Exchange up to a maximum of 10% of the aggregate number of the issued Shares as at the date of passing the relevant resolution.

The Issue Mandate and the Repurchase Mandate would expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; or (b) at the end of the period within which the Company is required by Cayman Islands law or its Articles to hold its next annual general meeting; or (c) which revoked or varied by ordinary resolution of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

As at the Latest Practicable Date, the number of issued Shares was 550,000,000 Shares, assuming no further Shares are to be issued or repurchased prior to the AGM, the Issue Mandate will grant to the Directors an authority to issue up to 110,000,000 Shares.

### EXPLANATORY STATEMENT

An explanatory statement containing all relevant information relating to the proposed Repurchase Mandate is set out in the Appendix I to this circular. The explanatory statement is to provide you with information reasonably necessary to enable you to make an informed decision on whether to vote for or against the ordinary resolution to grant to the Directors the Repurchase Mandate at the AGM.

### RE-ELECTION OF DIRECTORS

The Board currently consists of seven Directors, namely Mr. She Siu Kee William, Mr. Chong Cheuk Ki, Mr. Leung Wai Ming, Mr. Poon Chun Wai, Mr. Fu Chung, Mr. Ma Siu Kit and Ms. Yu Mei Hung.

Pursuant to article 108(a) of the Articles, Mr. Fu Chung and Mr. Ma Siu Kit shall retire by rotation at the AGM, being eligible, offer themselves for re-election at the AGM.

Ms. Yu Mei Hung has been appointed as an independent non-executive Director with effect from 1 July 2023 and she is subject to re-election at the AGM pursuant to article 112 of the Articles and, being eligible, offers herself for re-election.

Details of each of the retiring Directors proposed to be re-elected at the AGM are set out in Appendix II to this circular.

---

## LETTER FROM THE BOARD

---

The nomination committee of the Company (the “Nomination Committee”) has reviewed the biographical information of the retiring Directors, and considered that the re-election of Mr. Fu Chung, Mr. Ma Siu Kit and Ms. Yu Mei Hung as independent non-executive Directors would be in the best interests of the Company and Shareholders as a whole by taking into accounts that (i) Mr. Fu Chung has over 29 years of experience in the printing industry. He was an executive committee member of the Chamber of Commerce for The Hong Kong Printers Association from 2009 to 2016, (ii) Mr. Ma Siu Kit is a member of the Hong Kong Institute of Certified Public Accountants and he had worked in accounting firms and different enterprises. He is a seasoned professional in accounting with over 20 years of relevant experience, and (iii) Ms. Yu Mei Hung has extensive experience in the administration field, particularly in dealing with business operations in China. Their working profile, other experience and factors are set out in Appendix II to this circular. Their depth of knowledge and experience can support their role and they actively participated in the Company’s Board meetings and Board committee meetings, and made valuable contributions to the Group.

The Nomination Committee is satisfied that each of Mr. Fu Chung, Mr. Ma Siu Kit and Ms. Yu Mei Hung has the required character, integrity and experience to continuously fulfil his/her role as an independent non-executive Director effectively.

The Nomination Committee has also assessed the independence of each of Mr. Fu Chung, Mr. Ma Siu Kit and Ms. Yu Mei Hung based on reviewing his/her written confirmation of independence to the Company pursuant to Rule 3.13 of the Listing Rules and confirmed that he/she remains independent.

Accordingly, with the recommendation of the Nomination Committee, the Board has proposed that all the retiring Directors stand for re-election as Directors at the AGM.

### **TERMINATION OF THE EXISTING SHARE OPTION SCHEME AND PROPOSED ADOPTION OF NEW SHARE OPTION SCHEME**

#### **Termination of the Existing Share Option Scheme**

The Existing Share Option Scheme was adopted by the Company on 13 November 2013 and is valid and effective for a period of 10 years from the date of adoption, until 12 November 2023. Following the Consultation Conclusions on Proposed Amendments to Listing Rules relating to Share Schemes of Listed Issuers and Housekeeping Rule Amendment published by the Stock Exchange in July 2022, Chapter 17 of the Listing Rules was amended and became effective from 1 January 2023. In light of the above, the Company proposes to terminate the Existing Share Option Scheme and adopt the New Share Option Scheme to replace the Existing Share Option Scheme.

---

## LETTER FROM THE BOARD

---

According to the terms of the Existing Share Option Scheme, the Company may by resolution in general meeting or the Board at any time terminate the operation of the Existing Share Option Scheme and in such event, no further options shall be offered but the provision of the Existing Share Option Scheme shall remain in force to the extent necessary to give effect to the exercise of any outstanding options granted prior thereto or otherwise as may be required in accordance with the provisions of the Existing Share Option Scheme. Outstanding options granted under the Existing Share Option Scheme prior to such termination but not yet exercised at the time of termination shall continue to be valid and exercisable in accordance with the Existing Share Option Scheme.

As at the Latest Practicable Date, there were 44,000,000 outstanding options granted but not yet exercised under the Existing Share Option Scheme and the Board has no intention of granting any further option under the Existing Share Option Scheme.

These 44,000,000 outstanding options were granted to certain eligible employees under the Existing Share Option Scheme, which are valid for two years from the date of grant on 16 December 2022 and exercisable at the exercise price of HK\$0.79 per share option. Any share option not exercised by 16 December 2024 shall lapse.

The Company did not and will not grant any share options to its service providers.

The Board proposed to terminate the operation of the Existing Share Option Scheme before it is due to expire. Subject to the approval of the Shareholders at the AGM and conditional upon the adoption of the New Share Option Scheme, the Existing Share Option Scheme shall be terminated such that no further options under the Existing Share Option Scheme could thereafter be offered but in all other respects the provisions of the Existing Share Option Scheme shall remain in full force and effect.

### **Adoption of the New Share Option Scheme**

To enable the Company to continue to grant Options to the Eligible Participants, the Board proposes to recommend to the Shareholders at the AGM to approve and adopt the New Share Option Scheme. After adoption of the New Share Option Scheme and prior to grant of any Options to the Eligible Participants, the Company will apply to the Listing Committee of the Stock Exchange for the listing of and permission to deal in the new Shares to be issued upon exercise of the Options to be granted.

A summary of the principal terms of the New Share Option Scheme is set out in Appendix III to this circular.

### **Purpose of the New Share Option Scheme**

The purpose of the New Share Option Scheme is set out in the section headed “1. Purpose and duration” in Appendix III.

---

## LETTER FROM THE BOARD

---

### **Conditions**

The conditions for the adoption of the New Share Option Scheme are set out in the section headed “2. Conditions precedent” in Appendix III.

### **Eligible Participants**

The Eligible Participants and the criteria for determination of their eligibility are set out in the section headed “4. Eligible Participants and Eligibility” in Appendix III.

Eligible Participants include any Employee Participant or Related Entity Participant who the Board or the Remuneration Committee considers, in their sole discretion, to have contributed or will contribute to the Group. In assessing the eligibility of the Eligible Participants, the Board will take into account various factors, including but not limited to, the nature and extent of contributions provided by such Eligible Participant to the Group, the special skills or technical knowledge possessed by them which is beneficial to the continuing development of the Group, the positive impacts which such Eligible Participant has brought to the Group’s business and development and whether granting Options to such Eligible Participant is an appropriate incentive to motivate such Eligible Participant to continue to contribute towards the betterment of the Group.

In assessing the eligibility of Employee Participants, the Board will consider all the relevant factors as appropriate, including, among others, (i) his/her skills, knowledge, experience, expertise and other relevant personal qualities; (ii) his/her performance, time commitment, responsibilities or employment conditions and the prevailing market practice and industry standard; (iii) his/her contribution made or expected to be made to the growth of the Group; and (iv) his/her educational and professional qualifications, and knowledge in the industry.

In assessing the eligibility of Related Entity Participants, the Board will consider all relevant factors as appropriate, including, among others, (i) the positive impacts brought by, or expected from, the Related Entity Participant on the Group’s business development in terms of an increase in turnover or profits and/or an addition of expertise to the Group; (ii) the period of engagement or employment of the Related Entity Participant by the Group; (iii) whether the Related Entity Participant has referred or introduced opportunities to the Group which have materialised into further business relationships; (iv) whether the Related Entity Participant has assisted the Group in tapping into new markets and/or increased its market share; and (v) the materiality and nature of the business relation of holding companies, fellow subsidiaries or associated companies with the Group and the Related Entity Participant’s contribution in such holding companies, fellow subsidiaries or associated companies of the Group which may benefit the core business of the Group through a collaborative relationship.

---

## LETTER FROM THE BOARD

---

While the Eligible Participants include independent non-executive Directors, the Company is of the view that the independence and impartiality of the independent non-executive Directors would not be affected by any possible grant of the Options as (a) the independent non-executive Directors must continue to comply with the independence requirement under Rule 3.13 of the Listing Rules; (b) as set out in the section headed “10. Grant of Options to a Director, chief executive or substantial shareholder of the Company or any of their associates” in Appendix III, certain grants to them will require approval by the independent Shareholders; and (c) before making any grants to any independent non-executive Director, the Board will always be mindful of the recommended best practice E.1.9 of the CG Code which recommends that issuers should generally not grant equity-based remuneration with performance-related elements to independent non-executive directors.

Aligning with the purpose of the New Share Option Scheme, remunerating the Employee Participant and Related Entity Participant with equity incentives can serve as a recognition of their contribution made and/or will be made to the development of the Group. The Directors (including the independent non-executive Directors) consider that granting Options to the Employee Participant and Related Entity Participant will align their long-term interests with those of the Group and the Shareholders, whilst maintaining the necessary flexibility for the Board or the Remuneration Committee to exercise their discretion in determining which individuals or entities have provided or will provide significant value to, or have or will have an important role in the Group’s long-term growth.

### **Scheme Mandate Limit**

The total number of Shares which may be issued in respect of all Options which may be granted under the New Share Option Scheme is set out in the section headed “9. Maximum number of Shares available for issue” in Appendix III.

As at the Latest Practicable Date, the number of issued Shares was 550,000,000 Shares. Assuming that there will be no change in the number of issued Shares between the Latest Practicable Date and the Adoption Date, the total number of Shares which may be issued upon exercise of all Options to be granted under the New Share Option Scheme together with all options and awards which may be granted under any other share schemes for the time being of the Company (the “Scheme Mandate Limit”) would be 55,000,000 Shares, representing 10% of the Shares in issue as at the Adoption Date.

The Scheme Mandate Limit is subject to approval by the Shareholders at the AGM.

### **Vesting Period**

The vesting period of the Options is set out in the section headed “6. Vesting period” in Appendix III. The same section also sets out circumstances in which the Board may grant Options with a vesting period shorter than 12 months.

---

## LETTER FROM THE BOARD

---

It is considered that by having the flexibility of having a shorter vesting period in accordance with the circumstances provided under the section headed “6. Vesting period” in Appendix III, the Group will be in a better position to attract and retain such Eligible Participants to continue serving the Group whilst at the same time providing them with further incentive in achieving the goals of the Group, and thereby, to achieve the purpose of the New Share Option Scheme. Hence, the Board and the Remuneration Committee are of the view that the shorter vesting period prescribed in the section headed “6. Vesting period” in Appendix III is in line with the market practice and is appropriate and aligns with the purpose of the New Share Option Scheme.

### **Performance targets and clawback mechanism**

Unless otherwise determined by the Directors and stated in the Offer to an Eligible Participant who accepts an Offer, there is not prescribed any performance targets that need to be achieved by the Eligible Participant before an Option can be exercised. The Directors consider that it is not practicable to expressly set out a generic set of performance targets as each Eligible Participant will play different roles and contribute in different ways to the Group.

The Board believes that this will provide the Board with more flexibility in setting out the terms and conditions of the Options under particular circumstances of each grant as each Grantee will play a different role and contribute in different ways to the long-term development of the Group. As such, providing the Board with the discretion to impose specific performance targets as and when appropriate depending on the role of each Eligible Participant will facilitate the Board in offering meaningful incentives to attract and retain quality and high calibre personnel that are valuable to the development of the Group, which is appropriate and aligns with the purpose of the New Share Option Scheme. Where performance targets are to be imposed upon Grantees in the relevant offer letter of the grant of Options, the Board will have regard to the purpose of the New Share Option Scheme in assessing such performance targets with reference to factors including but not limited to, key performance indicators in respect of the Group as a whole, its principal businesses and operations, geographic markets and/or performance of Eligible Participant(s), which may include cash flow; earnings; earnings per share; market value added or economic value added; profits; return on assets; return on equity; return on investment; sales; revenue; Share price; total Shareholder return; customer satisfaction metrics; reviews; and such other goals as the Board may determine from time to time.

Subject to the discretion of the Board, if an Eligible Participant’s employment has been terminated summarily, or has been convicted of any criminal offence involving his or her integrity or honesty, or any wrongdoing involving misstatement in the Group’s financial statements or commits a misconduct, any outstanding Options shall immediately lapse. The clawback mechanism would enable the Company to recover or withhold the Options granted to any Eligible Participant, so that the equity incentives granted to Grantees culpable of misconduct can be clawbacked and is in line with the purpose of the New Share Option Scheme and the interests of Shareholders. The Board may, at its absolute discretion, determine whether a Grantee commits a misconduct or is involved in a material misstatement in the Company’s financial statements. If the Board exercises its discretion under the provisions of the New Share Option Scheme, it may give (but are not obliged to) the relevant Grantee written notice of such determination and the Board’s interpretation of and determination pursuant thereto shall be final, conclusive and binding.

---

## **LETTER FROM THE BOARD**

---

The Group will utilize its internal assessment system to appraise and evaluate the performance targets applicable to each grant of Options on a case-by-case basis. The Company will consider the past contributions of an Eligible Participant with reference to the factors set out above and form an internal assessment as regards the future value that such Eligible Participant may bring to the growth and development of the Group. The assessment involves the consideration and appraisal of the Eligible Participant's expected contribution with reference to such Eligible Participant's nature of duties, position within the Group and other features including geographical location, corporate culture and business strategy focus. Specific weightings will be given to the factors above in order to provide a fair and objective appraisal of the Eligible Participants before the grant of Options, such that the grants will be on a fair and reasonable basis and in the interest of the Company and its Shareholders as a whole.

### **General**

As at the Latest Practicable Date,

- (i) the Company has not engaged any trustee for administration of the New Share Option Scheme. If the Company is to engage any trustee in the future, such trustee will not be a Director and no Director will have any direct or indirect interest in the trustee;
- (ii) the Company has no intention/plan to grant Options under the New Share Option Scheme;
- (iii) the Company does not have any share option scheme or share award scheme other than the Existing Share Option Scheme; and
- (iv) to the best knowledge of the Directors and having made all reasonable enquiries, no Shareholder has any material interest in the proposed adoption of the New Share Option Scheme. Accordingly, no Shareholder is required to abstain from voting on the resolution approving the termination of the Existing Share Option Scheme and the adoption of the New Share Option Scheme at the AGM.

Based on the above, the Board considers that the termination of the Existing Share Option Scheme and the adoption of the New Share Option Scheme is in the interests of the Company and the Shareholders as a whole, and the terms of the New Share Option Scheme would enable the purpose of the New Share Option Scheme to be achieved. Accordingly, the Directors recommend all Shareholders to vote in favour of the relevant resolution to be proposed at the AGM.

### **PROPOSED AMENDMENTS TO THE MEMORANDUM AND ARTICLES OF ASSOCIATION**

Reference is made to the announcement of the Company dated 20 July 2023 in relation to, among others, the proposed adoption of the amended and restated Memorandum and Articles of Association.

---

## LETTER FROM THE BOARD

---

On 1 January 2022, the Listing Rules were amended by, among others, adopting a uniform set of 14 core standards for shareholder protections for issuers regardless of their place of incorporation set out in Appendix 3 to the Listing Rules. The Board proposes to make certain amendments to the Memorandum and Articles of Association to conform with the said core standards for shareholder protections, to provide flexibility to the Company in relation to the conduct of general meetings and to incorporate certain housekeeping changes. The Board also proposes to adopt the new Memorandum and Articles of Association in substitution for, and to the exclusion of, the existing Memorandum and Articles of Association.

In the event that any of the above matters is subject to any additional requirements under any applicable laws, regulations and rules (including under the Listing Rules), the Company will comply with all such requirements.

Details of the Proposed Amendments to the Memorandum and Articles of Association are set out in Appendix IV to this circular. A special resolution will be proposed at the AGM to approve the Proposed Amendments to the Memorandum and Articles of Association.

The Company's legal advisers have confirmed that the Proposed Amendments to the Memorandum and Articles of Association conform with the requirements of the Listing Rules, where applicable, and the Cayman Islands laws. The Company also confirms that there is nothing unusual about the proposed amendments for a company listed in Hong Kong.

### ANNUAL GENERAL MEETING

Set out on pages 122 to 127 of this circular is a notice convening the AGM to consider and, if appropriate, to approve the ordinary resolutions relating to, among others, the proposals for Issue Mandate and the Repurchase Mandate, the re-election of Directors, the termination of the Existing Share Option Scheme and the adoption of New Share Option Scheme, and a special resolution relating to the adoption of the Proposed Amendments to the Memorandum and Articles of Association.

*Chairman*

*This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution at the AGM to approve the Repurchase Mandate.*

## **1. LISTING RULES RELATING TO THE REPURCHASE OF SHARES**

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions.

## **2. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 550,000,000 Shares. Subject to the passing of the resolution for repurchase of Shares and on the basis of no further new Shares will be issued or repurchased up to the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 55,000,000 Shares, representing 10% of the number of issued Shares as at the date of AGM.

## **3. REASONS FOR REPURCHASES**

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets per Share and/or the earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

## **4. FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles or the laws of Cayman Islands and any other applicable laws, including capital paid upon the Shares to be repurchased, profits otherwise available for distribution and sums standing to either the share premium account or contributed surplus account of the Company.

## **5. GENERAL**

There might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited financial statements of the Company for the year ended 31 March 2023 in the event that the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period.

However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

## 6. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange in each of the previous twelve months up to the Latest Practicable Date were as follows:

## 7. UNDERTAKING

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their respective close associates (as defined in the Listing Rules), have any present intention to sell any Shares to the Company under the Repurchase Mandate if the same is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate pursuant to the proposed resolution in accordance with the Listing Rules and the applicable laws of Cayman Islands.

**8. CORE CONNECTED PERSON**

No core connected person (as defined in the Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

**9. TAKEOVERS CODE AND MINIMUM PUBLIC SHAREHOLDING**

If on exercise of the powers of repurchase pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code.

As a result, a Shareholder or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register kept by the Company pursuant to section 336 of the SFO and so far as is known to or can be ascertained after reasonable enquiry by Directors, the controlling Shareholders were:

Name of shareholders	Number of Shares held	Approximately % shareholding	
		As at the Latest Practicable Date	If Repurchase Mandate is exercised in full
eprint Limited	313,125,000	56.93%	63.26%
Mr. She Siu Kee William ( <i>Note</i> )	314,709,000	57.22%	63.58%
Mr. Chong Cheuk Ki ( <i>Note</i> )	313,837,000	57.06%	63.40%
Mr. Lam Shing Kai ( <i>Note</i> )	313,125,000	56.93%	63.26%
Mr. Leung Wai Ming ( <i>Note</i> )	313,125,000	56.93%	63.26%
Mr. Leung Yat Pang ( <i>Note</i> )	313,125,000	56.93%	63.26%

*Note:*

313,125,000 Shares are held by eprint Limited. eprint Limited is held as to 21.62%, 21.62%, 21.62%, 21.62% and 13.52% by Mr. She Siu Kee William ("Mr. She"), Mr. Chong Cheuk Ki ("Mr. Chong"), Mr. Lam Shing Kai ("Mr. Lam"), Mr. Leung Wai Ming ("Mr. WM Leung") and Mr. Leung Yat Pang ("Mr. YP Leung") (collectively, the "Concerted Shareholders") respectively. Pursuant to a deed of confirmation entered into, among others, Mr. She, Mr. Lam, Mr. WM Leung, Mr. YP Leung and Mr. Chong on 2 July 2013, they confirmed the existence of their acting in concert arrangement to jointly control their respective interest in the Company held through eprint Limited. Accordingly, eprint Limited shall be accustomed to act in accordance with joint instructions of the Concerted Shareholders. Hence, each of the Concerted Shareholders is deemed to be interested in all the Shares held by eprint Limited by virtue of the SFO.

In the event that the Directors exercise in full the power to repurchase Shares under the Repurchase Mandate, then the attributable interest of each of the above Shareholders would be increased to approximately the percentages as set out opposite their respective names in the table above. Such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no present intention to exercise the Repurchase Mandate result in the amount of Shares held by the public being reduced to less than 25%.

**10. SHARE REPURCHASE MADE BY THE COMPANY**

The Company has not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

The New Share Option Scheme shall be valid and effective until the Termination Date, after which period no further Options will be granted but the provisions of the New Share Option Scheme shall remain in force to the extent necessary to give effect to the exercise of any Options granted on or prior to the Termination Date or otherwise as may be required in accordance with the provisions of the New Share Option Scheme.

#### **4. ELIGIBLE PARTICIPANTS AND ELIGIBILITY**

Eligible Participants include any Employee Participant or Related Entity Participant who the Board or the Remuneration Committee considers, in their sole discretion, to have contributed or will contribute to the Group. The eligibility of each of the Eligible Participants shall be determined by the Board from time to time on the basis of the Directors' opinion as to the contribution an Eligible Participant to the development and growth of the Group, in particular, the ability of an Eligible Participant to enhance the value of the Company and its Shares for the benefit of the Company and its Shareholders as a whole.

In assessing the eligibility of the Eligible Participant(s), the Board shall take into account various factors, including but not limited to, the nature and extent of contributions provided by such Eligible Participant to the Group, the special skills or technical knowledge possessed by them which is beneficial to the continuing development of the Group, the positive impacts which such Eligible Participant has brought to the Group's business and development and whether granting Options to such Eligible Participant is an appropriate incentive to motivate such Eligible Participant to continue to contribute towards the betterment of the Group.

For the avoidance of doubt, the grant of any options by the Company for the subscription of Shares or other securities of the Group to any personal who falls within any of the above classes of Eligible Participants shall not, by itself, unless the Directors otherwise determine, be construed as a grant of Option under the New Share Option Scheme.

#### **5. GRANT AND ACCEPTANCE OF OPTIONS**

Subject to and in accordance with the provisions of the New Share Option Scheme and the Listing Rules, the Board shall be entitled (but shall not be bound), at any time and from time to time within a period commencing on the Adoption Date and ending on the Termination Date (both dates inclusive), to make an Offer to such Eligible Participant as it may, in its absolute discretion, select, and subject to such conditions as the Board may think fit, to subscribe for such number of Shares (being a board lot for dealing in Shares on the Stock Exchange or an integral multiple thereof) as the Board may, subject to section 9 below, determine at the subscription price pursuant to section 8 below, provided that no such Offer shall be made if a prospectus is required to be issued under the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Chapter 32 of the Laws of Hong Kong) or any applicable laws or if such grant will result in the breach by the Company or any of the Directors of any applicable securities laws and regulations in any jurisdiction.

An Offer shall be made to an Eligible Participant in writing (and unless so made shall be invalid) in such form as the Directors may from time to time determine specifying the number of Shares, the Option Period and the Vesting Period in respect of which the offer is made and further requiring the Eligible Participant to undertake to hold the Option on the terms on which it is to be granted and to be bound by the provisions of the New Share Option Scheme and shall remain open for acceptance by the Eligible Participant concerned (and by no other person) for a period of up to 21 days from the date of Offer.

An Offer shall have been accepted by an Eligible Participant in respect of all Shares under the Option which are offered to such Eligible Participant when the duplicate letter comprising acceptance of the Offer duly signed by the Eligible Participant together with a remittance in favour of the Company of HK\$1.00 by way of consideration for the grant thereof is received by the Company within such time as may be specified in the Offer (which shall not be later than 21 days from the Offer Date).

Any Offer may be accepted by an Eligible Participant in respect of less than the number of Shares which are offered provided that such number is clearly stated in the duplicate letter comprising acceptance of the Offer duly signed by such Eligible Participant and received by the Company together with a remittance in favour of the Company of HK\$1.00 by way of consideration for the grant thereof within such time as may be specified in the Offer (which shall not be later than 21 days from the Offer Date).

#### **6. VESTING PERIOD**

Save for the circumstances prescribed below, an Option must be held by the Grantee for at least twelve (12) months before the Option can be exercised.

The Vesting Period in respect of any Option granted to any Eligible Participant shall not be shorter than 12 months from the date of acceptance of the Offer, provided that where the Eligible Participant is (a) an Employee Participant who is a Director, chief executive, officer or senior management specifically identified by the Company, the Remuneration Committee shall, or (b) an Employee Participant who is not a Director, nor a chief executive, officer or senior management specifically identified by the Company, the Directors shall have the authority to determine a shorter Vesting Period under the following circumstances:

- (i) grant of “make-whole” Options to a new Employee Participant to replace awards or options such Employee Participant forfeited when leaving his previous employer;
- (ii) grant to an Employee Participant whose employment is terminated due to death or disability or occurrence of any event which is considered being out of control;

- (iv) grant that are made in batches during a year for administrative and/or compliance reasons;  
or
- (v) grant of Options with a mixed or accelerated vesting schedule such that the Options vest evenly over a period of 12 months.

**7. EXERCISE OF OPTIONS**

An Option shall be exercisable in whole or in part by the Grantee by giving notice in writing to the Company stating that the Option is thereby exercised and the number of Shares in respect of which it is so exercised (which, except where the number of Shares in respect of which the Option remains unexercised is less than one board lot or where the Option is exercised in full, must be for a board lot for dealings in Shares on the Stock Exchange or an integral multiple thereof). Each such notice must be accompanied by a remittance for the full amount of the aggregate subscription price for Shares in respect of which the notice is given. Within 21 days after receipt of the notice and, where appropriate, receipt of the certificate of the independent financial advisers or auditor to be appointed by the Company for the purposes of certifying certain adjustments under the provisions of the New Share Option Scheme, the Company shall accordingly allot and issue the relevant number of Shares to the Grantee (or, in the event of an exercise of Option by his/her personal representative, to the estate of the Grantee) fully paid and issue to the Grantee (or his estate in the event of an exercise by his/her personal representative as aforesaid) a share certificate for the Shares so allotted and issued.

**8. SUBSCRIPTION PRICE**

The subscription price for Shares in respect of any Option to be subscribed under the New Share Option Scheme may be determined at the discretion of the Directors, provided that it shall not be less than the higher of:

- (a) the closing price of the Shares as stated in the Stock Exchange's daily quotations sheet on the date of grant, which must be a Business Day; and
- (b) the average closing price of the Shares as stated in the Stock Exchange's daily quotations sheets for the five Business Days immediately preceding the date of grant.

**9. MAXIMUM NUMBER OF SHARES AVAILABLE FOR ISSUE**

Subject to the approval of the Shareholders in general meeting, the total number of Shares which may be issued in respect of all Options which may be granted under the New Share Option Scheme together with options and awards which may be granted under any other schemes of the Company shall not in aggregate exceed 10% (ten per cent.) of the Shares in issue as at the date of passing of resolution by the Shareholders in general meeting approving and adopting the New Share Option Scheme (the "Scheme Mandate Limit").

Options lapsed in accordance with the terms of the New Share Option Scheme will not be regarded as utilized for the purpose of calculating the Scheme Mandate Limit.

Any refreshment to the Scheme Mandate Limit within any three-year period must be approved by the Shareholders, where any controlling shareholders of the Company and their associates (or if there is no controlling shareholder, Directors (excluding independent non-executive Directors) and the chief executive of Company and their respective associates) must abstain from voting in favour of the relevant resolution at the general meeting and in accordance with the requirements under the Listing Rules. Such requirements do not apply if the refreshment is made immediately after an issue of securities by the Company to the Shareholders on a pro rata basis as set out in Rule 13.36(2)(a) of the Listing Rules such that the unused part of the Scheme Mandate Limit (as a percentage of the total number of Shares in issue) upon refreshment is the same as the unused part of the Scheme Mandate Limit immediately before the issue of securities, rounded to the nearest whole Share.

With the approval of the Shareholders, the Board may “refresh” the Scheme Mandate Limit after three (3) years from the Adoption Date or the date of Shareholders’ approval for the last refreshment provided that the total number of Shares which may be issued in respect of all Options and awards to be granted under all of the schemes of the Company under the limit as “refreshed” shall not exceed 10% (ten per cent.) of the Shares of the Company in issue at the date on which the Shareholders approve the “refreshed” limit. Options previously granted under the New Share Option Scheme and any other schemes of the Company (including those outstanding, cancelled, lapsed in accordance with the terms of the relevant scheme, or exercised options) will not be counted for the purpose of calculating the limit as “refreshed”. A circular regarding the proposed refreshing of the Scheme Mandate Limit must be despatched to the Shareholders containing the number of Options and awards that were already granted under the existing Scheme Mandate Limit and the reason for the refreshment.

The Company may seek separate approval from the Shareholders in the general meeting for granting Options under the New Share Option Scheme which will result in the Scheme Mandate Limit or, if applicable, the extended limits, being exceeded, provided that: (a) the grant is to Eligible Participants specifically identified by the Company before the approval is sought; (b) a circular regarding the grant has been despatched to the Shareholders in a manner complying with, and containing the name of each specified Eligible Participant who may be granted such Options, the number and terms of the Options to be granted to each Eligible Participant, and the purpose of granting Options to the specified Eligible Participants with an explanation as to how the terms of the Options serve such purpose; and (c) the number and terms of Options to be granted to such Participant be fixed before Shareholders’ approval. In respect of any Options to be granted, the date of the Board meeting for proposing such further grant should be taken as the date of grant for the purpose of calculating the subscription price.

**10. GRANT OF OPTIONS TO A DIRECTOR, CHIEF EXECUTIVE OR SUBSTANTIAL SHAREHOLDER OF THE COMPANY OR ANY OF THEIR ASSOCIATES**

Any grant of Options to an Eligible Participant who is a Director, chief executive or substantial shareholder of the Company, or any of their respective associates, under the New Share Option Scheme must be approved by the independent non-executive Directors (excluding any independent non-executive Director who is the proposed Grantee of the Options).

Where any grant of Options to an independent non-executive Director or a substantial shareholder of the Company, or any of their respective associates, would result in the Shares issued and to be issued in respect of all Options and awards already granted or to be granted under the New Share Option Scheme or any other schemes of the Company (excluding any Options and awards lapsed in accordance with the terms of the relevant schemes) to such person in the 12-month period up to and including the date of such grant representing in aggregate over 0.1% (0.1 per cent.) of the Shares in issue, such further grant of Options by the Board shall not be valid unless: (a) a circular containing the details of the grant has been despatched to the Shareholders; (b) the grant has been approved by the Shareholders in general meeting, at which the Grantee, his/her associates and all core connected persons (as defined in the Listing Rules) of the Company have abstained from voting in favour at such meeting, and in accordance with the Listing Rules; and (c) the number and terms of such Options are fixed before the general meeting of the Company at which the same are approved.

The circular to be issued by the Company to its Shareholders shall contain the following information:

- (A) the details of the number and terms of the Options to be granted to each Eligible Participant which must be fixed before the Shareholders' meeting;
- (B) the views of the independent non-executive Directors (excluding any independent non-executive Director who is the Grantee of the Options) as to whether the terms of the grant are fair and reasonable and whether such grant is in the interests of the Company and its Shareholders as a whole, and their recommendation to the independent Shareholders as to voting;
- (C) the information required under Rule 17.02(2)(c) of the Listing Rules; and
- (D) the information required under Rule 2.17 of the Listing Rules.

**11. MAXIMUM ENTITLEMENT OF EACH ELIGIBLE PARTICIPANT**

The Board shall not grant any Options (the “Relevant Options”) to any Eligible Participant which, if exercised, would result in such Eligible Participant becoming entitled to subscribe for such number of Shares as, when aggregated with the total number of Shares already issued or to be issued to him under all Options or options or awards granted to him (excluding any Options and awards lapsed in accordance with the terms of the New Share Option Scheme or any other schemes of the Company) in the 12-month period up to and including the date of grant of the Relevant Options, exceed 1% (one per cent.) of the Shares in issue at such date (including cancelled, exercised and outstanding Options) unless: (1) such grant has been duly approved by the Shareholders in general meeting, at which the relevant Eligible Participant and his close associates (or associates if the relevant Eligible Participant is a connected person of the Company) abstained from voting; (2) a circular regarding the grant has been despatched to the Shareholders disclosing the identity of the relevant Eligible Participant, the number and terms of the Options to be granted (and Options or options or awards previously granted to such relevant Eligible Participant in the 12-month period), the purpose of granting the Options to the relevant Eligible Participant and an explanation as to how the terms of the Options serve such purpose; and (3) the number and terms of such Options are fixed before the Shareholders’ approval in general meeting of the Company at which the same are approved. In respect of any Options to be granted, the date of the Board meeting for proposing such further grant should be taken as the date of grant for the purpose of calculating the subscription price.

**12. TIME OF EXERCISE OF OPTIONS**

Subject to the terms of the New Share Option Scheme, an Option may be exercised in whole or in part at any time during the Option Period, provided that such period shall not end later than ten (10) years from the offer date of that Option.

The Board may, in its absolute discretion, specify any condition in the offer letter at the grant of the relevant Option which must be satisfied before an Option may be exercised. Save as determined by the Board and provided in the offer of the grant of the relevant Option, there is no performance target which must be achieved before an Option can be exercised.

Subject to the discretion of the Board, if an Eligible Participant’s employment has been terminated summarily, or has been convicted of any criminal offence involving his or her integrity or honesty, or any wrongdoing involving misstatement in the Group’s financial statements, any outstanding Options shall immediately lapse. The clawback mechanism would enable the Company to recover or withhold the Options granted to any Eligible Participant, so that the equity incentives granted to Grantees culpable of misconduct can be clawbacked and is in line with the purpose of the New Share Option Scheme and the interests of Shareholders.

**13. RESTRICTIONS ON THE TIME OF GRANT OF OPTIONS**

The Company may not grant any Options after inside information (having the meaning defined in the SFO) has come to its knowledge until (and including) the trading days after it has announced the information. In particular, the Company may not grant any Option during the period commencing one month immediately preceding the earlier of: (a) the date of the Board meeting (as such date is first notified to the Stock Exchange under the Listing Rules) for the approval of the Company's results for any year, half-year, quarterly or any other interim period (whether or not required under the Listing Rules); and (b) the deadline for the Company to publish an announcement of its results for any year or half-year under the Listing Rules, or quarterly or any other interim period (whether or not required under the Listing Rules), and ending on the date of the results announcement.

The Directors may not make any Offer to an Eligible Participant who is a Director during the periods or times in which the Directors are prohibited from dealing in Shares pursuant to the Model Code for Securities Transactions by Directors of Listed Issuers prescribed by the Listing Rules or any corresponding code or securities dealing restrictions adopted by the Company.

**14. TRANSFERABILITY OF OPTIONS**

An Option shall be personal to the Grantee and shall not be transferable or assignable and no Grantee shall in any way sell, transfer, charge, mortgage, encumber or otherwise dispose of or create any interest whatsoever in favour of any third party over or in relation to any Option or enter into any agreement so to do. Any breach of the foregoing by a Grantee shall entitle the Company to cancel any Option granted to such Grantee to the extent not already exercised.

**15. RIGHTS ON CESSATION OF EMPLOYMENT, DEATH, ILL-HEALTH AND RETIREMENT**

In the event that the Grantee ceases to be an Employee Participant by reason of termination of his employment on any one or more of the following grounds:

- (a) that the Grantee has been guilty of persistent or serious misconduct;
- (b) that the Grantee has committed any act of bankruptcy or has become insolvent or has made any arrangement or composition with his creditors generally; or
- (c) that the Grantee has been convicted of any criminal offence (other than an offence which in the opinion of the Directors does not bring the Grantee or any member of the Group into disrepute),

before exercising the Option in full, the Option (to the extent vested but not already exercised) shall lapse on the date of cessation or termination and not be exercisable unless the Directors otherwise determine in which event the Grantee may exercise the Option (to the extent vested but not already exercised) in whole or in part in accordance with the provisions of the New Share Option Scheme within such period as the Directors may determine following the date of such cessation or termination. The date of cessation or termination as aforesaid shall be the last day on which the Grantee was actually at work with the Company or the relevant Subsidiary whether salary is paid in lieu of notice or not.

In the event that the Employee Participant ceases to be an Employee Participant by reason of his death, ill-health or retirement in accordance with his contract of employment before exercising the Option in full, his personal representative(s) or, as appropriate, the Grantee may exercise the Option (to the extent vested but not already exercised) in whole or in part in accordance with the provisions of the New Share Option Scheme within a period of 12 months following the date of cessation of employment which date shall be the last day on which the Grantee was at work with the Company or the relevant Subsidiary whether salary is paid in lieu of notice or not, or such longer period as the Directors may determine.

#### **16. RIGHTS ON CESSATION FOR OTHER REASONS**

In respect of a Grantee other than an Employee Participant, the Option shall lapse in the event that the Directors at their absolute discretion determine that:

- (a) the Grantee or his associate has committed any breach of any contract entered into between the Grantee or his associate on the one part and any member of the Group on the other part; or
- (b) the Grantee has committed any act of bankruptcy or has become insolvent or is subject to any winding-up, liquidation or analogous proceedings or has made any arrangement or composition with his creditors generally; or
- (c) the Grantee could no longer make any contribution to the growth and development of any member of the Group by reason of the cessation of its relations with the Group or by any other reason whatsoever.

**17. RIGHTS ON A GENERAL OFFER AND SCHEME OF ARRANGEMENT**

If a general or partial offer, whether by way of take-over offer, share re-purchase offer, or scheme of arrangement or otherwise in like manner is made to all the holders of the Shares, or all such holders other than the offeror and/or any person controlled by the offeror and/or any person acting in association or concert with the offeror, the Company shall use all reasonable endeavours to procure that such offer is extended to all the Grantees on the same terms, mutatis mutandis, and assuming that they will become Shareholders, by the exercise in full of the Options granted to them.

If such offer becomes or is declared unconditional or such scheme of arrangement is formally proposed to the Shareholders, the Grantee shall, notwithstanding any other terms on which his Options were granted, be entitled to exercise the Option (to the extent vested but not already exercised) to its full extent or to the extent specified in the Grantee's notice to the Company in accordance with the provisions of the New Share Option Scheme at any time thereafter and up to the close of such offer (or any revised offer) or the record date for entitlements under scheme of arrangement, as the case may be. Subject to the above, the Option will lapse automatically (to the extent vested but not exercised) on the date which such offer (or, as the case may be, the revised offer) closed or the relevant record date for entitlements under the scheme of arrangement, as the case may be.

**18. RIGHTS ON WINDING UP**

In the event of a resolution being proposed for the voluntary winding-up of the Company during the Option Period, the Grantee may, subject to the provisions of all applicable laws, by notice in writing to the Company at any time not less than two (2) Business Days before the date on which such resolution is to be considered and/or passed, exercise his Option (to the extent vested but not already exercised) either to its full extent or to the extent specified in such notice in accordance with the provisions of the New Share Option Scheme and the Company shall allot and issue to the Grantee the Shares in respect of which such Grantee has exercised his Option not less than one (1) Business Day before the date on which such resolution is to be considered and/or passed whereupon he shall accordingly be entitled, in respect of the Shares allotted and issued to him in the aforesaid manner, to participate in the distribution of the assets of the Company available in liquidation *pari passu* with the holders of the Shares in issue on the day prior to the date of such resolution. Subject thereto, all Options then outstanding shall lapse and determine on the commencement of the winding-up.

**19. CANCELLATION OF OPTIONS**

Any Option granted but not exercised may not be cancelled except with the prior written consent of the relevant Grantee and the approval of the Directors. Where the Company cancels any Option granted to a Grantee but not exercised and issues new Option(s) to the same Grantee, the issue of such new Option(s) may only be made with available unissued Options (excluding, for this purpose, the Options so cancelled) within the Scheme Mandate Limit or the limits approved by the Shareholders pursuant to section 9 above.

**20. ALTERATIONS TO SHARE CAPITAL**

In the event of any alteration in the capital structure of the Company whilst any Option remains exercisable or the New Share Option Scheme remains in effect, and such event arises from a capitalization issue, rights issue, consolidation or sub-division of the Shares, or reduction of the capital of the Company, then, in any such case the Company shall instruct the independent financial adviser or auditor to certify in writing the adjustment, if any, that ought in their opinion fairly and reasonably to be made either generally or as regards any particular Grantee, to: (1) the subscription price of any Option; and/or (2) (unless the relevant Grantee elects to waive such adjustment) the number of Shares comprised in an Option or which remains comprised in an Option, and an adjustment as so certified by the independent financial adviser or auditor shall be made, provided that: (a) any such adjustment shall give the Grantee the same proportion of the issued share capital of the Company for which such Grantee would have been entitled to subscribe had he exercised all the Options held by him immediately prior to such adjustment; (b) no such adjustment shall be made the effect of which would be to enable a Share to be issued at less than its nominal value; (c) the issue of Shares or other securities of the Group as consideration in a transaction shall not be regarded as a circumstance requiring any such adjustment; and (d) any such adjustment shall be in compliance with the Listing Rules and such applicable rules, codes, guidance notes and/or interpretation of the Listing Rules from time to time promulgated by the Stock Exchange.

In respect of any adjustment referred to above, other than any adjustment made on a capitalisation issue, the independent financial adviser or auditor must confirm to the Directors in writing that the adjustments satisfy the requirements of the relevant provisions of the Listing Rules. In giving any certificate, the independent financial adviser or auditor shall be deemed to be acting as experts and not as arbitrators and their certificate shall, in the absence of manifest error, be final, conclusive and binding on the Company and all persons who may be affected thereby.

**21. RANKING OF SHARES**

Shares to be allotted and issued upon the exercise of an Option will be subject to all the provisions of the articles of association of the Company for the time being in force and will rank *pari passu* in all respects with the then existing fully paid Shares in issue on the date on which the Option is duly exercised or, if that date falls on a day when the register of members of the Company is closed, the first day of the re-opening of the register of members (the “Exercise Date”) and accordingly will entitle the holders thereof to participate in all dividends or other distributions paid or made on or after the Exercise Date other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date therefor shall be before the Exercise Date. Any Share allotted and issued upon the exercise of an Option shall not carry voting rights, or rights to participate in any dividends or distributions of the Company, or any rights arising on a liquidation of the Company, or any rights as to transfer, in respect of the Shares to be issued upon the exercise of the Options, until the name of the Grantee has been duly entered on the register of members of the Company as the holder thereof.

**22. ALTERATION**

- (b) any change to the terms of Options granted to an Eligible Participant must be approved by the Board, the Remuneration Committee, the independent non-executive Directors and/or the Shareholders (as the case may be) if the initial grant of the Options was approved by the Board, the Remuneration Committee, the independent non-executive Directors and/or the Shareholders (as the case may be) (except any changes which take effect automatically under the terms of the New Share Option Scheme);
- (c) the amended terms of the New Share Option Scheme or the Options must still comply with the relevant requirements of Chapter 17 of the Listing Rules;
- (d) any change to the authority of the Directors or scheme administrators to alter the terms of the New Share Option Scheme must be approved by Shareholders in general meeting.

**23. LAPSE OF OPTIONS**

An Option shall automatically terminate and that Option (to the extent not already exercised) shall lapse on the earliest of:

- (a) the expiry of the Option Period;
- (b) the expiry of any of the periods referred to in section 15 to section 18; and
- (c) the date on which the Grantee commits a breach of section 14.

**24. TERMINATION**

The Company by resolution in general meeting may at any time terminate the operation of the New Share Option Scheme and in such event no further Options will be offered but in all other respects the provisions of the New Share Option Scheme shall remain in force to the extent necessary to give effect to the exercise of any Options (to the extent not already exercised) granted prior thereto or otherwise as may be required in accordance with the provisions of the New Share Option Scheme and Options (to the extent not already exercised) granted prior to such termination shall continue to be valid and exercisable in accordance with the New Share Option Scheme.

**25. MISCELLANEOUS**

The terms of the New Share Option Scheme (and any other schemes adopted by the Company from time to time) shall be in accordance with the requirements set out in Chapter 17 of the Listing Rules.

The Company will comply with the relevant statutory requirements and the Listing Rules from time to time on a continuing basis in respect of the New Share Option Scheme and any other schemes of the Company.

A Shareholder which is a corporation may execute a form of proxy under the hand of a duly authorised officer. A Shareholder who is the holder of 2 or more Shares may appoint more than one proxy or representative to represent him and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy/proxies or representative/representatives need not be a Shareholder of the Company. In addition, a proxy shall be entitled to exercise the same powers on behalf of a Shareholder which is a corporation and for which he acts as proxy as such Shareholder could exercise as if it were an individual Shareholder present in person at any general meeting.

86. No appointment of a proxy shall be valid unless it names the person appointed and his appointor. The Board may, unless it is satisfied that the person purporting to act as proxy is the person named in the relevant instrument for his appointment and the validity and authenticity of the signature of his appointor, decline such person's admission to the relevant meeting, reject his vote or demand for a poll and no Shareholder who may be affected by any exercise by the Board of its power in this connection shall have any claim against the Directors or any of them nor may any such exercise by the Board of its powers invalidate the proceedings of the meeting in respect of which they were exercised or any resolution passed or defeated at such meeting.

If such an electronic address is provided, the Company shall be deemed to have agreed that any such document or information (relating to proxies as aforesaid) may be sent by electronic means to that address, subject as hereafter provided and subject to any other limitations or conditions specified by the Company when providing the address. Without limitation, the Company may from time to time determine that any such electronic address may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses for different purposes. The Company may also impose any conditions on the transmission of and its receipt of such electronic communications including, for the avoidance of doubt, imposing any security or encryption arrangements as may be specified by the Company. (2) The instrument appointing a proxy and, if requested by the Board, the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of that power or authority shall be deposited at such place or one of such places (if any) as is specified in the notice of meeting or in the instrument of proxy issued by the Company (or, if no place is specified, at the Registration Office) , or if the Company has provided an electronic address in accordance with the preceding paragraph, shall be received at the electronic address specified, not less than 48 hours before the time for holding the meeting or adjourned meeting or postponed meeting or poll (as the case may be) at which the person named in such instrument proposes to vote, and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after the expiration of 12 Months from the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting or postponed meeting in a case where the meeting was originally held within 12 Months from such date. Delivery of an instrument appointing a proxy shall not preclude a Shareholder from attending and voting in person (or in the case of a Shareholder being a corporation, its duly authorised representative) at the meeting or upon the poll concerned and, in such event, the instrument appointing a proxy shall be deemed to be revoked.

In such case, the following provisions shall apply:

(A) the basis of any such allotment shall be determined by the Board;

- (B) the Board, after determining the basis of allotment, shall give not less than 14 clear days' notice in writing to the Shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

or

- (ii) that Shareholders entitled to such Dividend will be entitled to elect to receive an allotment of Shares credited as fully paid in lieu of the whole or such part of the Dividend as the Board may think fit on the basis that the Shares so allotted shall be of the same class or classes as the class or classes of Shares already held by the allottee. In such case, the following provisions shall apply:
  - (A) the basis of any such allotment shall be determined by the Board;
  - (B) the Board, after determining the basis of allotment, shall give not less than 14 clear days' notice in writing to the Shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

- (b) The Shares allotted pursuant to the provisions of paragraph (a) of this Article shall rank *pari passu* in all respects with the Shares then in issue and held by the allottee in respect of which they were allotted, save only as regards participation:

- (c) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (a) of this Article with full power to the Board to make such provisions as it thinks fit in the case of Shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Shareholders concerned), and no Shareholders who will be affected thereby shall be, and they shall be deemed not to be, a separate class of Shareholders by reason only of the exercise of this power.   - (e) The Board may on any occasion determine that rights of election and the allotment of Shares under paragraph (a) of this Article shall not be made available or made to any Shareholders with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of Shares would or might be unlawful or impracticable or the legality or practicability of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of Shares of the Shareholder concerned, and in such event the provisions aforesaid shall be read and construed subject to such determination and no Shareholder who may be affected by any such determination shall be, and they shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever.
161. The Board may, before recommending any Dividend, set aside out of the profits of the Company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for meeting claims on or liabilities of the Company or contingencies or for paying off any loan capital or for equalising Dividends or for any other purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (including in the repurchase by the Company of its own securities or the giving of any financial assistance for the acquisition of its own securities) as the Board may from time to time think fit, and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. - (iii) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of Shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of Shares as is equal to the shortfall between:
  - (aa) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
  
  - (bb) the nominal amount of Shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for Shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Right Reserve as is required to pay up in full such additional nominal amount of Shares shall be capitalised and applied in paying up in full such additional nominal amount of Shares which shall forthwith be allotted credited as fully paid to the exercising warrant holder; and

- (iv) if upon the exercise of the subscription rights represented by any warrant the amount standing to the credit of the Subscription Right Reserve is not sufficient to pay up in full such additional nominal amount of Shares equal to such shortfall as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted or not prohibited by law, the share premium account) for such purpose until such additional nominal amount of Shares is paid up and allotted as aforesaid and until then no Dividend or other distribution shall be paid or made on the fully paid Shares then in issue. Pending such payment up and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of Shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one Share in the like manner as the Shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a Register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.
- (b) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other Shares allotted or which ought to be allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (a) of this Article, no fraction of any Share shall be allotted on exercise of the subscription rights.
- (c) The provisions of this Article as to the establishment and maintenance of the Subscription Right Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating, the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a Special Resolution of such warrant holder(s) or class of warrant holders.
- (d) A certificate or report by the Auditors as to whether or not the Subscription Right Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purpose for which the Subscription Right Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of Shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Right Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and Shareholders.
