LETTER FROM THE BOARD

PROPOSED RE-APPOINTMENT OF AUDITOR

The Board proposes to re-appoint PricewaterhouseCoopers as the independent auditor of the Company for the financial year ending 31 March 2024 and to hold the office until the conclusion of the next annual general meeting of the Company. An ordinary resolution will also be proposed to authorise the Board to fix the auditor's remuneration for the ensuing year. PricewaterhouseCoopers have indicated their willingness to be re-appointed as auditor of the Company for the said period.

ISSUE MANDATE

On 23 March 2023, the ordinary resolutions were passed to grant to the Directors the Issue Mandate to issue Shares and to extend the Issue Mandate to include Shares repurchased under the Repurchase Mandate. The Issue Mandate will lapse at the conclusion of the Annual General Meeting. In order to ensure flexibility and give discretion to the Directors in the event that it becomes desirable to issue any Shares, approval is to be sought from the Shareholders, pursuant to the Listing Rules, for a general mandate to issue Shares.

At the Annual General Meeting, an ordinary resolution numbered 4(A) will be proposed to grant a general mandate to the Directors to exercise the powers of the Company to allot, issue and deal with the additional Shares up to 20% of the aggregate number of issued Shares as at the date of passing of the resolution in relation to such general mandate.

The Issue Mandate, if granted, will remain in effect until the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by any applicable laws or regulations or the Articles of Association; and (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

As of the Latest Practicable Date, the number of issued Shares was 715,297,060 Shares. Subject to the passing of the resolution approving the Issue Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the Annual General Meeting, the Directors will be authorised to issue a maximum of 143,059,412 Shares.

LETTER FROM THE BOARD

REPURCHASE MANDATE

On 23 March 2023, an ordinary resolution was passed to grant to the Directors a general mandate to repurchase Shares. Such mandate will lapse at the conclusion of the Annual General Meeting. In order to give the Company the flexibility to repurchase Shares if and when appropriate, it is proposed to renew the Repurchase Mandate at the Annual General Meeting.

At the Annual General Meeting, an ordinary resolution numbered 4(B) will be proposed at the Annual General Meeting to approve the granting of a Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10% of the aggregate number of issued Shares as at the date of passing of the resolution approving the Repurchase Mandate.

The proposed Repurchase Mandate, if granted, will remain in effect until the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by any applicable laws or regulations or the Articles of Association; or (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

As of the Latest Practicable Date, the number of issued Shares was 715,297,060 Shares. Assuming that there is no change in the number of issued Shares between the period from the Latest Practicable Date and the date of passing the resolution approving the proposed Repurchase Mandate, the maximum number of Shares which may be repurchased pursuant to the proposed Repurchase Mandate will be 71,529,706 Shares.

An explanatory statement containing relevant information relating to the Repurchase Mandate as required by the Listing Rules to be sent to the Shareholders is set out in Appendix II to this circular. This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution at the Annual General Meeting.

EXTENSION OF THE ISSUE MANDATE

At the Annual General Meeting, an ordinary resolution as set out in resolution numbered 4(C) on the notice of Annual General Meeting will be proposed to the Shareholders to consider and, if thought fit, that the Issue Mandate be extended by the addition to the number of Shares which may be allotted or agreed conditionally or unconditionally to be allotted by the Directors pursuant to such general mandate of the number of Shares repurchased by the Company pursuant to the Repurchase Mandate.

LETTER FROM THE BOARD

LETTER FROM THE BOARD

On a poll, every Shareholder present in person or by proxy or (being a corporation) by its duly authorised representative shall have one vote for every fully paid share of which he/she/it is the holder. The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the proposed Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the number of issued Shares was 715,297,060 Shares. Subject to the passing of the resolution granting the proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 71,529,706 Shares which represent 10% of the number of issued Shares during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by any applicable laws or regulations or the Articles of Association; or (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

REASONS AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands. The Companies Act provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Companies Act. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Shares are repurchased in the manner provided for in the Companies Act.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase Shares in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that if the proposed Repurchase Mandate were to be exercised in full, it may not have a material adverse impact on the working capital and/or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 March 2023, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the mandate to repurchase Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

GENERAL MATTERS

To the best of their knowledge, having made all reasonable enquiries, none of the Directors or any of their close associates (as defined in the Listing Rules), currently intends to sell any Shares to the Company or its subsidiaries, if the proposed Repurchase Mandate is exercised.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the proposed Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

No core connected person (as defined in the Listing Rules) has notified the Company that he or she or it has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the proposed Repurchase Mandate is exercised.

TAKEOVERS CODE IMPLICATIONS

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase could be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, the Single Largest Group of Shareholders was interested in 197,433,860 Shares representing approximately 27.60% of the total issued shares of the Company.

In the event that the Directors should exercise in full the proposed Repurchase Mandate, the interest of the Single Largest Group of Shareholders will be increased to approximate 30.67% of the total number of Shares in issue. To the best knowledge and belief of the Directors, such increase would give rise to an obligation to make a mandatory offer under the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent that will trigger the obligations under the Takeovers Code to make a mandatory offer. The Directors are not aware of any other consequences which may arise under the Takeovers Code as a result of any repurchase made by the Company of the Shares.
